EXPLANATORY NOTE

On June 15, 2022, the Company (as defined below) consummated the transactions contemplated by that previously announced Business Combination Agreement dated as of December 7, 2021, by and among OACB, Alvotech and TopCo. Capitalized terms used in this section but not otherwise defined herein have the meanings given to them in the Business Combination Agreement. Pursuant to the Business Combination Agreement:

- at the First Merger Effective Time, OACB merged with and into TopCo, whereby (i) all of the outstanding shares of OACB were exchanged for Ordinary Shares on a one-for-one basis, pursuant to a share capital increase of TopCo, and (ii) all of the outstanding OACB Warrants automatically ceased to represent a right to acquire shares of OACB and automatically represented a right to be issued one TopCo Ordinary Share on substantially the same contractual terms and conditions as were in effect immediately prior to the First Merger Effective Time under the terms of the Warrant Agreement, with TopCo as the surviving company in the merger;
- immediately after the effectiveness of the First Merger but prior to the Conversion, TopCo redeemed and cancelled the shares held by the initial sole shareholder of TopCo pursuant to a share capital reduction of TopCo;
- immediately after the effectiveness of the First Merger and the Redemption, the legal form of TopCo changed from a simplified joint stock company (*société par actions simplifiée*) to a public limited liability company (*société anonyme*) under Luxembourg law;
- immediately after the change of the legal form of TopCo, TopCo issued 17,493,000 Ordinary Shares at a price of \$10.00 per share pursuant to the PIPE Financing for aggregate gross proceeds of \$174,930,000; and
- immediately following the effectiveness of the Conversion and the PIPE Financing, Alvotech merged with and into TopCo, whereby all outstanding Alvotech Ordinary Shares were exchanged for Ordinary Shares, pursuant to a share capital increase of TopCo, with TopCo as the surviving company in the merger.

Concurrently with the execution of the Business Combination Agreement, OACB and TopCo entered into Subscription Agreements with certain U.S.-based institutional and accredited investors (each a “U.S. Subscription Agreement”) and non-U.S. persons (as defined in Regulation S under the Securities Act (each a “Foreign Subscription Agreement” and, together with the U.S. Subscription Agreements, the “Initial Subscription Agreements”) with certain investors (the “Initial Subscribers”), pursuant to which the Initial Subscribers have agreed to subscribe for, and TopCo has agreed to issue to the Initial Subscribers, an aggregate of 15,393,000 Ordinary Shares at a price of \$10.00 per share, for aggregate gross proceeds of \$153,930,000 (the “Initial PIPE Financing”). Subsequently to the Initial PIPE Financing, on January 18, 2022, OACB and TopCo entered into Subscription Agreements (the “Subsequent Subscription Agreements”, and together with the Initial Subscription Agreements, the “Subscription Agreements”) with certain Initial Subscribers (the “Subsequent Subscribers”, and together with the Initial Subscribers, the “Subscribers”), pursuant to which the Subsequent Subscribers have agreed to subscribe for, and TopCo has agreed to issue to the Subsequent Subscribers, an aggregate of 2,100,000 Ordinary Shares at a price of \$10.00 per share, for aggregate gross proceeds of \$21,000,000 (the “Subsequent PIPE Financing”, and together with the Initial PIPE Financing, the “PIPE Financing”). The aggregate amount of Ordinary Shares to be issued pursuant to the PIPE Financing was 17,493,000 for aggregate gross proceeds of \$174,930,000. The Subscription Agreements contain substantially the same terms, except that the investors that entered into the Foreign Subscription Agreement agreed to subscribe for Ordinary Shares at a price that is net of a 3.5% placement fee.

Certain amounts that appear in this Report may not sum due to rounding.

A. Directors and Senior Management

The members of our Executive Management and of our Board, upon the consummation of the Business Combination, are set forth in the Form F-4, in the sections entitled “*Management of Alvotech*” and “*Management of TopCo After the Business Combination*,” which are incorporated herein by reference. Effective as of Closing, the general meeting of shareholders elected Robert Wessman (Chariman), Richard Davies, Tomas Ekman, Faysal Kalmoua, Ann Merchant, Arni Hardarson, Lisa Graver and Linda McGoldrick to the Board. The biographies of the newly appointed and elected directors are set forth in the section entitled “*Management of TopCo After the Business Combination*,” which is incorporated herein by reference.

B. Compensation

Information pertaining to the compensation of the directors and members of Executive Management of the Company is set forth in the Form F-4, in the sections entitled “*Management of TopCo After the Business Combination*,” “*Management of Alvotech—Alvotech Executive Compensation*” and “*Management of Alvotech—Director Compensation*,” which are incorporated herein by reference.

As part of its long-term incentive program, Alvotech hf. had entered into “phantom share agreements,” which were defined as Share Appreciation Rights (“SARs”) for financial purposes, with certain members of management. The vesting conditions of the SARs under the phantom share agreements were linked to certain milestones in Alvotech’s operations and the payment amounts were determined by the increase in Alvotech’s market value from the grant date of the SARs until the triggering event occurred. The SARs did not give the beneficiaries dividend rights, voting rights or the right to purchase shares of Alvotech but required Alvotech to pay the beneficiaries a cash payment associated with the occurrence of certain designated triggering events. In conjunction with the Business Combination, Alvotech terminated deferred compensation arrangements by entering into settlement agreements with the three former employees and one current employee that had outstanding rights under the phantom share agreements of \$38.1 million as of December 31, 2021. Alvotech

agreed with one former employee to settle his claim by paying a one-time lump sum of \$1.5 million, reduced by any applicable tax withholdings and pension fund contribution, on June 16, 2022. Alvotech further agreed with the two other former employees to settle each of their respective claims of \$17.5 million, as may be reduced by any applicable tax withholdings, through the allocation of a number of Ordinary Shares by dividing their respective claims by a per share price of \$10.00, rounded to the nearest whole share. The shares will be allocated to them on June 16, 2023, one year and one day following the Closing. Alvotech also agreed with one current employee to settle his outstanding claim of \$1.5 million in either shares or cash, payable on June 16, 2023, one year and one day from the Closing. To minimize the dilutive impact of the settlement in shares, Alvotech reduced the authorized shares that may be issued under the Company Management Incentive Plan (as described below) from 7%, as previously disclosed in Form F-4, to 5.79%.

Company Management Incentive Plan

On June 13, 2022, the chairperson of TopCo as well as the sole shareholder of TopCo approved the Management Incentive Plan (the “Plan”). The purpose of the Plan is to assist the Company in attracting, retaining and compensating talented executives and certain key employees, officers, directors, and consultants of the Company or any of its direct or indirect subsidiaries (the “Company Group”) in a competitive and dynamic market, motivating executives to help the Company to achieve the best possible financial and operational results, providing reward opportunities consistent with the Company Group’s performance on both a short and long-term basis and promoting the creation of long-term value for shareholders of the Company by closely aligning the interests of such individuals with those of the shareholders of the Company. The Plan authorizes the grant of share-based incentives, such as stock options, stock appreciation rights, restricted shares, restricted share units, performance shares, stock awards, or any combination of the foregoing. The Plan is to be administered by an Administrator appointed by the Board who may delegate their authority to the directors, officers, employees of any member of the Company Group, or a committee thereof. Initially, the maximum number of Ordinary Shares that may be issued under the Plan after it becomes effective will not exceed 5.79% of the share capital of TopCo on a fully-diluted basis. In addition, the number of TopCo Ordinary Shares reserved for issuance under the Plan may be increased by TopCo’s board of directors by up to 1% annually over 10 years from the date of approval of the Plan. To date, no awards have been granted under the Plan.

C. Board Practices

Information pertaining to the Board practices following the Closing is set forth in the Form F-4, in the sections entitled “*Management of TopCo after the Business Combination*,” which is incorporated herein by reference.

The audit committee of the Board consists of Ms. McGoldrick (Chair), Ms. Merchant and Mr. Davies. The remuneration committee of the Board consists of Mr. Davies (Chair), Mr. Hardarson and Mr. Ekman. This committee membership is expected to be ratified at the meeting of the Board on June 23, 2022.

As a foreign private issuer, we are permitted to follow certain Luxembourg corporate governance practices in lieu of certain listing rules of The Nasdaq Stock Market, or Nasdaq Listing Rules. We plan to follow the corporate governance requirements of the Nasdaq Listing Rules. Under our articles of association, at an ordinary general meeting, there is no quorum requirement and resolutions are adopted by a simple majority of validly cast votes. In addition, under our articles of association, for any resolutions to be considered at an extraordinary general meeting of shareholders, the quorum shall be at least one half of our issued share capital unless otherwise mandatorily required by law. If no quorum is reached in an extraordinary general meeting of shareholders, a second meeting may be convened in accordance with the articles of association, which may deliberate regardless of the quorum and at which resolutions are adopted at a majority of at least two thirds of the votes validly cast.

The board of directors may also decide in such case that the share capital shall only be increased by the amount of subscriptions received by the existing shareholders of the Company.
- 5.6 The Company may repurchase its own Shares subject to the provisions of the Law, and in conformity with all other applicable laws and regulations, including any rules and regulations of a foreign stock exchange or securities settlement system on which the Company's shares are traded.

Article 7 Shares – Transfer of Shares

- 7.1 The Company may have one or several shareholders.
- 7.2 Death, suspension of civil rights, dissolution, bankruptcy or insolvency or any other similar event regarding any of the shareholders shall not cause the dissolution of the Company.
- 7.3 The shares of the Company are in registered form.
- 7.4 The Company will recognise only one (1) holder per share. In case a share is owned by several persons, they shall appoint a single representative who shall represent them in respect of the Company. The Company has the right to suspend the exercise of all rights attached to that share, except for relevant information rights, until such representative has been appointed.
- 7.5 Subject to any contractual agreement to which the Shares or the shareholders may be subject to and the present articles of association, the shares are freely transferable in accordance with the provisions of the Law.

- 7.6 A register of shares shall be kept by the Company at its registered office, where it shall be available for inspection by any shareholder. This register shall contain all the information required by the Law. Ownership of ordinary shares will be established by registration in said register, or in the event separate registrars have been appointed pursuant to article 7.7, in such separate register(s). Without prejudice to the conditions for transfer by book entries provided for in article 7.9 of these articles of association, a transfer of Shares shall be carried out by means of a declaration of transfer entered in the relevant register, dated and signed by the transferor and the transferee or by their duly authorised representatives or by the Company upon notification of the transfer or acceptance of the transfer by the Company. The Company may accept and enter in the relevant register a transfer on the basis of correspondence or other documents recording the agreement between the transferor and the transferee.
- 7.7 The Company may appoint registrars in different jurisdictions who may each maintain a separate register for the Shares entered therein. Shareholders may elect to be entered into one of these registers and to transfer their Shares to another register so maintained. The board of directors may however impose transfer restrictions for Shares in compliance with applicable trading restrictions. A transfer to the register kept at the Company's registered office may always be requested.
- 7.8 Subject to the provisions of article 7.9 and article 7.10, the Company may consider the person in whose name the Shares are registered in the register of shareholders as the full owner of such Shares. In the event that a holder of Shares does not provide an address in writing to which all notices or announcements from the Company may be sent, the Company may permit a notice to this effect to be entered into the register of shareholders and such holder's address will be deemed to be at the registered office of the Company or such other address as may be so entered by the Company from time to time, until a different address shall be provided to the Company by such holder in writing. The holder may, at any time, change his address as entered in the register of shareholders by means of written notification to the Company.
- 7.9 The Shares may be held by a holder (the "**Holder**") through a securities settlement system or a Depositary (as this term is defined below). The Holder of Shares held in such fungible securities accounts has the same rights and obligations as if such Holder held the Shares directly. The Shares held through a securities settlement system or a Depositary shall be recorded in an account opened in the name of the Holder and may be transferred from one account to another in accordance with customary procedures for the transfer of securities in book-entry form. However, the Company will make dividend payments, if any, and any other payments in cash, Shares or other securities, if any, only to the securities settlement system or Depositary recorded in the register of shareholders or in accordance with the instructions of such securities settlement system or Depositary. Such payment will grant full discharge of the Company's obligations in this respect.

- 7.10 All communications and notices to be given to a registered shareholder shall be deemed validly made if made to the latest address communicated by the shareholder to the Company in accordance with article 7.8 or, if no address has been communicated by the shareholder, the registered office of the Company or such other address as may be so entered by the Company in the register from time to time according to article 7.9.
- 7.11 Where Shares are recorded in the register of shareholders in the name of or on behalf of a securities settlement system or the operator of such system and recorded as book-entry interests in the accounts of a professional depository or any sub-depository (any depository and any sub-depository being referred to hereinafter as a “**Depository**”), the Company will permit the Depository of such book-entry interests to exercise the rights attaching to the Shares corresponding to the book-entry interests of the relevant Holder, including receiving notices of general meetings, admission to and voting at general meetings, and shall consider the Depository to be the holder of the Shares corresponding to the book-entry interests for purposes of this Article 7.11 of the present articles of association. The board of directors may determine the formal requirements with which such certificates from such Depository must comply and the exercise of the rights in respect of such Shares may in addition be subject to the internal rules and procedures of the securities settlement system.
- 7.12 In connection with a general meeting of shareholders, the board of directors may decide that no entry shall be made in the register of shareholders and no notice of a transfer shall be recognised for voting purposes by the Company and any Depository or registrar(s) during the period starting on the Record Date (as hereinafter defined) and ending on the closing of such general meeting, subject to compliance with the applicable rules of any foreign stock exchange, if the Shares of the Company are listed on a foreign stock exchange.

C. GENERAL MEETINGS OF SHAREHOLDERS

Article 8 Powers of the general meeting of shareholders

- 8.1 The shareholders exercise their collective rights in the general meeting of shareholders. Any regularly constituted general meeting of shareholders of the Company shall represent the entire body of shareholders of the Company. The general meeting of shareholders is vested with the powers expressly reserved to it by the Law and by these articles of association.
- 8.2 If the Company has only one shareholder, any reference made herein to the “general meeting of shareholders” shall be construed as a reference to the “sole shareholder”, depending on the context and as applicable and powers conferred upon the general meeting of shareholders shall be exercised by the sole shareholder.

Article 9 Convening of general meetings of shareholders

- 9.1 The general meeting of shareholders of the Company may at any time be convened by the board of directors, to be held at such place and on such date as specified in the notice of such meeting. The board of directors shall convene the annual general meeting of shareholders within a period of six (6) months after the end of the Company's financial year. Other general meetings of shareholders may be held at such place and time as may be specified in the respective notices of meeting.
- 9.2 The general meeting of shareholders must be convened by the board of directors upon the written request of one or several shareholders representing at least ten per cent (10%) of the Company's share capital.
- 9.3 The convening notice for every general meeting of shareholders shall contain the date, time, place and agenda of the meeting and may be made through announcements filed with the Luxembourg Trade and Companies Register and published at least thirty (30) days before the meeting, on the *Recueil électronique des sociétés et associations* and in a Luxembourg newspaper. In such case, notices by mail shall be sent at least eight (8) days before the meeting to the registered shareholders by ordinary mail (*lettre missive*). Alternatively, the convening notices may be exclusively made by registered mail in case the Company has only issued registered Shares or if the addressees have individually agreed to receive the convening notices by another means of communication ensuring access to the information, by such means of communication. If the Shares of the Company are listed on a foreign stock exchange, the requirements of such foreign stock exchange applicable to the Company shall additionally be complied with. If all of the shareholders are present or represented at a general meeting of shareholders and have waived any convening requirements, the meeting may be held without prior notice or publication.
- 9.4 If the Shares of the Company are listed on a foreign stock exchange, all shareholders of the Company are entitled to be admitted to any general meeting of shareholders provided, however, that the board of directors may determine a date and time preceding the general meeting of shareholders as the record date for admission to such meeting, which may not be less than eight (8) calendar days prior to (and excluding) the date of the general meeting (the "**Record Date**").

- 9.5 Shareholders holding individually or collectively at least ten (10) per cent of the issued share capital of the Company, may request the addition of one or several new items on the agenda of the general meeting. This right shall be exercised upon request of the shareholders in writing submitted to the Company by registered letter at the address of the registered office of the Company. The requests shall include the details requested in the convening notice. The requests from the shareholders shall be received by the Company no later than eight (8) calendar days before the general meeting.
- 9.6 With respect to Shares which are not listed on a stock exchange, any Shareholder who holds one or more of such non-listed Share(s) of the Company, who is registered in the share register of the Company relating to such non-listed Shares on the Record Date, shall be admitted to the relevant general meeting.

Article 10 Conduct of general meetings of shareholders

- 10.1 The annual general meeting of shareholders shall be held within six (6) months of the end of the financial year in the Grand Duchy of Luxembourg at the registered office of the Company or at such other place in the Grand Duchy of Luxembourg as may be specified in the convening notice of such meeting. Other meetings of shareholders may be held at such place and time as may be specified in the respective convening notices. Holders of bonds are not entitled to attend meetings of shareholders.
- 10.2 A board of the meeting (*bureau*) shall be formed at any general meeting of shareholders, composed of a chairman, a secretary and a scrutineer who need neither be shareholders nor members of the board of directors. The board of the meeting shall ensure that the meeting is held in accordance with applicable rules and, in particular, in compliance with the rules in relation to convening, majority requirements, vote tallying and representation of shareholders.
- 10.3 An attendance list must be kept at all general meetings of shareholders.
- 10.4 A shareholder may act at any general meeting of shareholders by appointing another person as his proxy in writing or by facsimile, electronic mail or any other similar means of communication. One person may represent several or even all shareholders.
- 10.5 Shareholders taking part in a meeting by conference call, through video conference or by any other means of communication allowing for their identification, allowing all persons taking part in the meeting to hear one another on a continuous basis and allowing for an effective participation of all such persons in the meeting, are deemed to be present for the computation of the quorums and votes, subject to such means of communication being made available at the place of the meeting.

- 10.6 The board of directors may in its sole discretion authorize each shareholder to vote at a general meeting through a signed voting form sent by post, electronic mail, facsimile or any other means of communication authorised by the board of directors to the Company's registered office or to the address specified in the convening notice. Subject to such authorization by the board of directors, the shareholders may only use voting forms provided by the Company which contain at least the place, date and time of the meeting, the agenda of the meeting, the proposals submitted to the shareholders, as well as for each proposal three (3) boxes allowing the shareholder to vote in favour thereof, against, or abstain from voting by ticking the appropriate box. The Company will only take into account voting forms received prior to the general meeting of shareholders to which they relate. For the avoidance of doubt, shareholders may not vote by voting forms where the board of directors has not authorized such voting method for a given general meeting.
- 10.7 Voting forms which, for a proposed resolution, do not show (i) a vote in favour of the proposed resolution, (ii) a vote against the proposed resolution or (iii) an abstention from voting on the proposed resolution, are void with respect to such resolution. If a shareholder votes by means of a voting form, the voting form shall be deposited at the registered office of the Company or with an agent of the Company duly authorised to receive such voting forms. The Company shall only take into account voting forms received no later than **two (2)** business days prior to the date of the general meeting to which they relate. The board of directors may set a shorter period for the submission of the voting forms.
- 10.8 If a shareholder votes by means of proxy, the proxy shall be deposited at the registered office of the Company or with an agent of the Company duly authorised to receive such proxies. The Company shall only take into account proxies received no later than two (2) business days prior to the date of the general meeting to which they relate.
- 10.9 A holder of Shares held through the operator of a securities settlement system or with a Depositary wishing to attend a general meeting must provide the Company with a certificate issued by such operator or Depositary certifying the number of Shares recorded in the relevant account on the Record Date and showing that such Shares are blocked until the closing of the general meeting to which it relates. Such certificate must be provided to the Company no later than two (2) business days prior to the date of such general meeting. If such holder of Shares votes by means of a proxy, article 10.8 of these articles of association shall apply.
- 10.10 The board of directors may determine further conditions that must be fulfilled by the shareholders for them to take part in any general meeting of shareholders and shorten or prolong periods for receipt of proxies and voting forms in the convening notice.

- 10.11 In connection with each general meeting, the board of directors is authorized to provide such rules of deliberations and such conditions for allowing shareholders to take part in the meeting as the board of directors deems appropriate.
- 10.12 Except to the extent inconsistent with the rules and conditions as adopted by the board of directors, the person presiding over the general meeting shall have the power and authority to prescribe such additional rules and conditions and to do all such acts as, in the judgment of such person, are appropriate for the proper conduct of the meeting. Such rules and conditions, whether adopted by the board of directors or prescribed by the person presiding over the meeting, may include, in each case to the extent permitted by applicable law:
- determining the order of business for the meeting subject to compliance with the agenda for the meeting;
 - rules and procedures for maintaining order at the meeting and the safety of those present;

- 11.1 Each share entitles to one vote in general meetings of shareholders.
- 11.2 Subject to the rules of the applicable stock exchange, if any, on which a Share is listed, the board of directors may suspend the voting rights of any shareholder in breach of his/her/its obligations under any relevant contractual arrangement entered into by such shareholder. A shareholder may individually decide not to exercise, temporarily or permanently, all or part of his voting rights. The waiving shareholder is bound by such waiver and the waiver is mandatory for the Company upon notification to the latter.
- 11.3 Subject to the rules of the applicable stock exchange, if any, on which a Share is listed, in case the voting rights of one of several shareholders are suspended or the exercise of the voting rights has been waived by one or several shareholders in accordance with Article 11.2, such shareholders may attend any general meeting of the Company but the shares they hold are not taken into account for the determination of the conditions of quorum and majority to be complied with at the general meetings of the Company.

- 11.4 Except as otherwise required by the Law or these articles of association, resolutions at a general meeting of shareholders duly convened shall not require any quorum and shall be adopted at a simple majority of the votes validly cast regardless of the portion of capital represented. Abstentions and nil votes shall not be taken into account.

Article 12 Amendments of the articles of association

- 12.1 Except as otherwise provided herein or by the Law, these articles of association may be amended by a majority of at least two thirds of the votes validly cast at a general meeting at which a quorum of more than half of the Company's share capital is present or represented. If no quorum is reached in a meeting, a second meeting may be convened in accordance with the provisions of Article 9.3, which may deliberate regardless of the quorum and at which resolutions are adopted at a majority of at least two thirds of the votes validly cast. Abstentions and nil votes shall not be taken into account.
- 12.2 Subject to the rules of the applicable stock exchange, if any, on which a Share is listed, in case voting rights of one of several shareholders are suspended or the exercise of the voting rights has been waived by one or several shareholders in accordance with Article 11.2, the provisions of Article 11.3 of these Articles of Association apply *mutatis mutandis*.

Article 13 Change of nationality

The shareholders may change the nationality of the Company by a resolution of the general meeting of shareholders adopted in the manner required for an amendment of these articles of association.

Subject to the provisions of the Law, the board of directors may, during the course of any general meeting, adjourn such general meeting for four (4) weeks. The board of directors shall do so at the request of one or several shareholders representing at least ten per cent (10%) of the share capital of the Company. In the event of an adjournment, any resolution already adopted by the general meeting of shareholders shall be cancelled.

Article 15 Minutes of general meetings of shareholders

- 15.1 The board of any general meeting of shareholders shall draw up minutes of the meeting which shall be signed by the members of the board of the meeting as well as by any shareholder upon its request.
- 15.2 Any copy and excerpt of such original minutes to be produced in judicial proceedings or to be delivered to any third party, shall be certified as a true copy of the original by the notary having had custody of the original deed in case the meeting has been recorded in a notarial deed, or shall be signed by the chairman of the board of directors, if any, or by any two (2) of its members.

Article 16 Rules applicable in case of listing on a EU Regulated Market

- 16.1 In case the shares of the Company are admitted to trading on a regulated market within the meaning of Directive 2014/65/EU within the territory of the European Economic Area (the “EU Regulated Market”), the provisions of these articles of association shall apply with the following amendments and supplements:
- 16.2 Article 9.3 shall be replaced as follows: The convening notice for any general meeting of shareholders must contain (a) the agenda of the meeting, (b) the place, date and time of the meeting, (c) the description of the procedures that Shareholders must comply with in order to be able to participate and cast their votes in the general meeting, (d) statement of the Record Date and the manner in which shareholders have to register and a statement that only those who are shareholders on that date shall have the right to participate and vote in the general meeting, (e) indication of the postal and electronic addresses where and how the full unbridged text of the documents to be submitted to the general meeting and the draft resolutions may be obtained and (f) indication of the address of the internet site on which this information is available. Such notice shall take the form of announcements published (i) at least thirty (30) days before the meeting, in *the Recueil Electronique des Sociétés et Associations* and in a Luxembourg newspaper and (ii) in a manner ensuring fast access to it on a non-discriminatory basis in such media as may reasonably be relied upon for the effective dissemination of information throughout the European Economic Area. A notice period of at least seventeen (17) days applies, in case of a second or subsequent convocation of a general meeting convened for lack of quorum required for the meeting convened by the first convocation, provided that this Article 9.3 has been complied with for the first convocation and no new item has been put on the agenda. In case the Shares are listed on a foreign stock exchange, the notices shall in addition be published in such other manner as may be required by laws, rules or regulations applicable to such stock exchange from time to time. If all of the shareholders are present or represented at a general meeting of shareholders and have waived any convening requirements, the meeting may be held without prior notice or publication.
- 16.2.1 Article 9.4 shall be replaced as follows: Any shareholder who holds one or more Shares of the Company at 00:00 (midnight Luxembourg time) on the date falling fourteen (14) days prior to (and excluding) the date of the general meeting (the “**Record Date**”) shall be admitted to the relevant general meeting of shareholders. Any Shareholder who wishes to attend the general meeting must inform the Company thereof at the latest on the Record Date, in a manner to be determined by the board of directors in the convening notice. In case of Shares held through or with a professional depository or

sub-depository designated by such depository, a holder of Shares wishing to attend a general meeting of shareholders should receive from such operator or depository or sub-depository a certificate certifying the number of Shares recorded in the relevant account on the Record Date. The certificate should be submitted to the Company at its registered address no later than three (3) business days prior to the date of the general meeting. In the event that the Shareholder votes through proxies, the proxy has to be deposited at the registered office of the Company at the same time or with any agent of the Company, duly authorised to receive such proxies. The board of directors may set a shorter period for the submission of the certificate or the proxy.

If applicable law is amended after approval of this Article 23 to authorize corporate action further eliminating or limiting the personal liability of Covered Persons, then the liability of a Covered Person to the Company shall be eliminated or limited to the fullest extent permitted by applicable law as so amended. The words “claim”, “action”, “suit” or “proceeding” shall apply to all claims, actions, suits or proceedings (civil, criminal or otherwise including appeals) actual or threatened and the words “liability” and “expenses” shall include without limitation attorneys’ fees, costs, judgments, amounts paid in settlement and other liabilities.

- 23.5 No indemnification shall be provided to any Covered Person (i) against any liability by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office (ii) with respect to any matter as to which he or she shall have been finally adjudicated to have acted in bad faith and not in the interest of the Company or (iii) in the event of a settlement, unless the settlement has been approved by a court of competent jurisdiction or by the board of directors. The termination of any claim, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any claim, had reasonable cause to believe that such person's conduct was unlawful.
- 23.6 The right of indemnification herein provided shall be severable, shall not affect any other rights to which any Covered Person may now or hereafter be entitled, shall continue as to a person who has ceased to be such Covered Person and shall inure to the benefit of the heirs, executors and administrators of such a person. Nothing contained herein shall affect or limit any rights to indemnification to which corporate personnel, including Covered Persons, may be entitled by contract or otherwise under law. No advancement or payment by the Other Indemnitors on behalf of Covered Persons with respect to any claim for which Covered Persons have sought indemnification from the Company shall affect the immediately preceding sentence, and the Other Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of Covered Persons against the Company. as guarantor, principal debtor or indemnifier and the guarantee contained in this Condition 6 shall continue to be effective or be reinstated, as the case may be, as if such payment had at all times remained owing by the Issuer and each Guarantor shall indemnify and keep indemnified the Bondholders on the terms of the guarantee and indemnity contained in this Condition 6.

Such Swiss Guarantor Maximum Amount of freely disposable shareholder equity shall be determined in accordance with Swiss law and applicable Swiss accounting principles, and, if and to the extent required by applicable Swiss law, shall be confirmed by the auditors of such Swiss Guarantor on the basis of an interim audited balance sheet as of that time.
- (b) In respect of Upstream or Cross-Stream Secured Obligations, each Swiss Guarantor shall at the time it is required to make a payment under any Bond Document, if and to the extent required by applicable law (including tax treaties) in force at the relevant time:
- (i) use its reasonable efforts to ensure that such enforcement proceeds can be used to discharge Upstream or Cross-Stream Secured Obligations without deduction of any withholding tax levied in accordance with the Act on the Withholding Tax (*Bundesgesetz über die Verrechnungssteuer*) of 13 October 1965, as amended from time to time (the “**Swiss Withholding Tax**”) by discharging the liability to such tax by notification pursuant to applicable law (including tax treaties) rather than payment of the tax;
 - (ii) if the notification procedure referred to in clause (i) above does not apply, deduct the Swiss Withholding Tax at such rate (which is currently 35% as at the date of this Instrument) as is in force from time to time from any such enforcement proceeds used to discharge Upstream or Cross-Stream Secured Obligations, and pay, without delay, any such taxes deducted to the Swiss Federal Tax Administration;
 - (iii) notify the Security Trustee of such notification referred to in clause (i) above or, as the case may be, deduction has been made, and provide the Security Trustee with evidence that such a notification of the Swiss Federal Tax Administration has been made or, as the case may be, such taxes deducted have been paid to the Swiss Federal Tax Administration; and

- (iv) in the case of a deduction of Swiss Withholding Tax, use its reasonable efforts to ensure that any person, which is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such enforcement proceeds, will, as soon as possible after such deduction,
 - (A) request a refund of the Swiss Withholding Tax under applicable law (including tax treaties); and
 - (B) in case it has received any refund for the Swiss Withholding Tax, pay to the Security Trustee upon receipt any amount so refunded. The Security Trustee shall co-operate with the Swiss Guarantor to secure such refund.
- (c) To the extent a Swiss Guarantor is required to deduct Swiss Withholding Tax pursuant to Condition 6.13(b)(iv), and if the maximum amount of freely disposable shareholder equity pursuant to Condition 6.13(a) is not utilised, such Swiss Guarantor shall pay additional amounts until such payment(s) is equal to an amount which (after making any deduction of Swiss Withholding Tax pursuant to Condition 6.13(b)) would have resulted if no deduction of Swiss Withholding Tax had been required, provided that such payments (including the additional amount) shall in any event be limited to the Swiss Guarantor Maximum Amount.
- (d) If and to the extent reasonably requested by the Security Trustee and if and to the extent this is from time to time required under Swiss law (restricting profit distributions), in order to allow a prompt performance of a Swiss Guarantor's obligations under the Bond Documents, such Swiss Guarantor shall promptly implement all such measures and/or promptly procure the fulfilment of all prerequisites allowing it to promptly make the (requested) payment(s) hereunder from time to time, including the following:
 - (i) preparation of an up-to-date audited balance sheet of the Swiss Guarantor;
 - (ii) confirmation of the auditors of the Swiss Guarantor that the relevant amount represents (the maximum of) freely distributable profits;
 - (iii) conversion of restricted reserves into profits and reserves freely available for the distribution as dividends (to the extent permitted by mandatory Swiss law);
 - (iv) revaluation of hidden reserves (to the extent permitted by mandatory Swiss law);
 - (v) approval by a shareholders' meeting of the Swiss Guarantor of the (resulting) profit distribution; and
 - (vi) all such other measures reasonably necessary or useful to allow for the use of enforcement proceeds to discharge the Upstream or Cross-Stream Secured Obligations to the fullest extent allowed by applicable law.

7 Security

7.1 Security

The Bonds and the Guarantees will have the benefit of the security (the “**Security**”) constituted by (a) the Existing Security Documents, (b) the 2021 A&R Security Documents and (c) 2022 A&R Security Documents, respectively as set out in Schedule 8, as security, *inter alia*, for all amounts payable on the Bonds and all present and future liabilities and obligations of the obligors under the Bonds, the Guarantees and these Conditions (including, without limitation, the Parallel Debt) (“**Secured Obligations**”). The charges and pledges referred to in the immediately preceding sentence are collectively referred to herein as the “**Security Documents**”, and the Issuer and its Subsidiaries giving such charges or pledges are collectively referred to as the “**Pledgors**” and each individually as a “**Pledgor**”.

The Issuer and the Guarantors shall pledge all of their respective accounts maintained, or opened at any time after the Issue Date, at any bank or financial institution other than (i) any payroll or fiduciary account or (ii) any account having no more than US\$500,000 (or the Dollar Equivalent thereof) of cash on deposit at any given time; provided that all accounts so excluded pursuant to this clause (ii) shall in aggregate have no more than US\$2,500,000 (or the Dollar Equivalent thereof) of cash on deposit at any given time. Any account pledged pursuant to the immediately preceding sentence shall constitute Security, the agreement documenting the pledge of such account shall constitute a Security Document, and the Issuer or such Guarantor giving such pledge shall become a Pledgor and accede to the Intercreditor Deed in such capacity as appropriate.

7.2 Grant of Security

For good and valuable consideration, receipt of which is acknowledged, as security for the Secured Obligations, the Pledgors have created in favour of the Security Trustee (for the benefit of the Bondholders) and/or the Bondholders the Security pursuant to the Security Documents and the Intercreditor Deed.

7.3 Representation of the Bondholders in relation to Swiss security

Any Security that is governed by Swiss law (a “Swiss Security”), including, without limitation, the share pledge in respect of the shares of Alvotech Swiss AG and any Intellectual Property Collateral governed by Swiss law, shall be subject to the following:

- (a) with respect to any Swiss Security constituted by non-accessory (*nicht akzessorische*) security interests, the Security Trustee shall hold, administer and, as the case may be, enforce or release such Swiss Security in its own name for the account of itself, the Trustee and the Bondholders as their indirect representative (*indirekter Stellvertreter*), subject to the terms and conditions of the relevant Security Document;
- (b) with respect to any Swiss Security constituted by accessory (*akzessorische*) security interests, the Security Trustee shall administer and, as the case may be, enforce or release such Swiss Security in its own name and its own account as well as for the account and in the name of the Security Trustee and the Bondholders as their direct representative (*direkter Stellvertreter*), subject to the terms and conditions of the relevant Security Document;

- (c) each Bondholder, by accepting the Bonds, hereby instructs and authorizes the Security Trustee (with the right of sub-delegation) to act as its agent (*Stellvertreter*) and in particular (without limitation) to enter into and amend any documents evidencing a Swiss Security and to make and accept all declarations and take all actions it considers necessary or useful in connection with any Swiss Security on behalf of such Bondholder (including, without limitation, the entering into, acceptance of declarations or taking of actions as representative of several parties (*Doppel-/Mehrfachvertretung*));
- (d) the Security Trustee shall be entitled to enforce or release any Swiss Security, to perform any rights and obligations under any documents evidencing a Swiss Security and to execute new and different documents evidencing or relating to a Swiss Security, subject to the terms and conditions of the relevant Security Document;

- (g) the Security Trustee accepts its appointment as agent and administrator of the Swiss Security on the terms and subject to the conditions set forth in this Instrument; and
- (h) the Security Trustee agrees, and each Bondholder, by accepting the Bonds, agrees, that, in relation to any Swiss Security, no Bondholder shall exercise any independent power to enforce any Swiss Security or take any other action in relation to the enforcement of any Swiss Security or make or receive any declarations in relation thereto, subject to the terms and conditions of the relevant Security Document.

7.4 Enforcement of Security

Subject to the terms of the Intercreditor Deed and the relevant Security Documents, at any time after the Security has become enforceable under this Instrument or the relevant Security Documents, the Bondholders may (but shall not be obliged to), at their discretion and without further notice, solely by way of a written request by holders of at least 50.1 per cent. in principal amount of the Bonds and the Other Bonds then outstanding (the “**Instructing Bondholders**”), direct the Security Trustee to take such proceedings as the Bondholders may think fit against or in relation to any Pledgor (including, without limitation, by taking possession or disposing of or realising the Collateral in addition to, or in lieu of taking such other action as may be permitted against any Pledgor) to enforce the Security.

7.5 Security Trustee Taking Possession of Collateral

To enforce the Security, the Security Trustee may, subject to Condition 7.4 above, following the Security becoming enforceable, at the direction of the Instructing Bondholders, take possession of all or part of the Collateral over which the Security shall have become enforceable, sell, call in, collect and convert into money, all or part of the Collateral in such manner and on such terms as directed by the Instructing Bondholders or take any of the following actions if so directed by the Instructing Bondholders, subject to applicable law:

- (a) sell, exchange, license or otherwise dispose of or otherwise deal with the Collateral or any interest in the same, and to do so for shares, debentures or any other securities whatsoever, or in consideration of an agreement to pay all or part of the purchase price at a later date or dates, or an agreement to make periodical payments, whether or not the agreement is secured by an encumbrance or a guarantee, or for such other consideration (if any) and upon such terms whatsoever as the Security Trustee may think fit, and also to grant any option to purchase;
- (b) take possession of, get in and collect the Collateral;
- (c) manage and/or carry on and/or concur in managing the business and affairs of the Pledgor with respect to the Collateral or any part thereof as it thinks fit with power to appoint or dismiss managers, agents or employees;
- (d) repair, insure, protect and improve the Collateral or any part thereof;
- (e) settle, adjust, refer to arbitration, compromise or arrange all accounts, questions, disputes, claims and demands whatsoever in relation to the Collateral or any part thereof;
- (f) execute and do contracts, deeds, documents and things and bring, defend or abandon actions, suits and proceedings in relation to the Collateral or any part thereof in the name of any Pledgor;
- (g) exercise or permit any other person to exercise any powers or rights incident to the ownership of the Collateral or any part thereof;
- (h) discharge the Collateral or any part thereof from any charge securing the Secured Obligation or release any Pledgor from any obligation where the Security Trustee considers such release or discharge to be expedient and in the interests of the secured parties and on such terms and conditions as it thinks fit; and
- (i) generally to do anything in relation to the Collateral or any part thereof or any other property subject to the Security Documents as it could do if it were the absolute beneficial owner of the Collateral.

7.6 Pledgors' Waiver

Each Pledgor waives, to the extent permitted under applicable law, all rights it may otherwise have to require that the Security be enforced in any particular order or manner or at any particular time or that any sum received or recovered from any person, or by virtue of the enforcement of any of the Security or any security interest therein, which is capable of being applied in or towards discharge of any of the Secured Obligations is so applied.

7.7 Discharge

The Security Trustee's receipt for any moneys paid to it shall discharge the person paying them from such amounts so received and such person shall not be responsible for their application.

7.8 Ability to Borrow on Collateral

Following the Security becoming enforceable and subject to the provisions of the Security Documents:

- (a) the Security Trustee may raise and borrow money on the security of the Collateral or any part of it in order to defray moneys, costs, charges, losses and expenses paid or incurred by it in relation to this Instrument or any Security Document (including the costs of realising any security and the remuneration of the Security Trustee) or in exercise of any of its functions pursuant to this Instrument or any Security Document; and
- (b) the Security Trustee may raise and borrow such money on such terms as it shall think fit and may secure its repayment with interest by mortgaging or otherwise charging all or part of the Collateral whether or not in priority to the Security constituted by or pursuant to this Instrument and generally in such manner and form as the Security Trustee shall think fit, and for such purposes may take such action as it shall think fit.

7.9 Attorney

Each Pledgor, by way of security, irrevocably and severally appoints the Security Trustee and every receiver of any Collateral appointed pursuant to this Instrument to be severally acting as its attorney (with full power of substitution) on its behalf and in its name to take any action, whether before or for the purposes of enforcement of the Security, which that Pledgor is obliged to take under this Instrument and the Security Documents, and generally to exercise all or any of the functions of the Security Trustee or any such receiver; *provided* that (a) an Event of Default has occurred and a written notice has been served to the Issuer by the Instructing Bondholders and (b) the Pledgor has failed to take such action for 5 Business Days following notification by the Security Trustee (*provided further* that a copy of such notice is sent to the Issuer and the Pledgor is requested to comply).

Each Pledgor shall ratify and confirm, and agrees to hereby ratify and confirm, whatever any such attorney appointed in accordance with this Condition 7.9 shall do, or purport to do, in the exercise, or purported exercise, of such functions.

7.10 Liability

None of the Security Trustee, its nominee(s), any receiver or any appointee shall be liable by reason of (a) taking any action permitted by this Instrument or the Security Documents by the Security Trustee, such receiver or such appointee or (b) any neglect or default by the Security Trustee, such receiver or such appointee in connection with the Collateral or (c) the taking possession or realisation of all or any part of the Collateral, except in the case of gross negligence, wilful misconduct or fraud upon its part. The Security Trustee shall not be responsible for the creation, validity, value, sufficiency and enforceability (which the Security Trustee has not investigated) of the Collateral.

7.11 Dealings with Security Trustee

No Person dealing with the Security Trustee or any receiver of any of the Collateral appointed by the Security Trustee need enquire whether any of the powers, authorities and discretions conferred by or pursuant to this Instrument in relation to such property are or may be exercisable by the Security Trustee or such receiver or as to the propriety or regularity of acts purporting or intended to be in exercise of any such powers.

7.12 Release of Security

No release of Security shall be effective against the Security Trustee or the Bondholders until the Issuer has delivered to the Security Trustee an Officer's Certificate stating that all requirements relating to such release have been complied with and such release is authorised and permitted by the terms of the Security Documents.

Upon a disposal of any of the Collateral:

- (a) pursuant to the enforcement of the Security by a receiver or the Security Trustee; or
- (b) if that disposal or release is permitted under this Instrument or the Security Documents,

the Security Trustee shall release that property from the Security and is authorised to execute, without the need for any further authority from the Bondholders, any release of the Security or other claim over that asset.

7.13 Security Trustee

- (a) Madison Pacific Trust Limited shall initially act as Security Trustee and shall be authorised to appoint co-Security Trustees as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Deed, neither the Security Trustee nor any of its officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so, unless caused by its negligence, willful misconduct or breach of the Bond Documents, or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. Notwithstanding any provision to the contrary contained elsewhere in this Instrument, the Intercreditor Deed or the Security Documents, the duties of the Security Trustee shall be ministerial and administrative in nature, and the Security Trustee shall not have any duties or responsibilities, except those expressly set forth in this Instrument, in the Intercreditor Deed and in the Security Documents to which the Security Trustee is a party, nor shall the Security Trustee have or be deemed to have any trust or other fiduciary relationship with the Security Trustee, any Bondholder, the Issuer or any Guarantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Instrument, the Intercreditor Deed or the Security Documents or shall otherwise exist against the Security Trustee. The Security Trustee shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Security Trustee nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own willful misconduct or gross negligence (as determined by a final, non-appealable order of a court of competent jurisdiction).
- (b) The Security Trustee is authorised and directed to (i) enter into the Security Documents, (ii) enter into the Intercreditor Deed, (iii) bind the Bondholders on the terms as set forth in the Security Documents and the Intercreditor Deed and (iv) perform and observe its obligations under the Security Documents and the Intercreditor Deed.

- (c) The Security Trustee shall act pursuant to the instructions of the Bondholders with respect to the Security Documents and the Collateral. For the avoidance of doubt, the Security Trustee shall have no discretion under this Instrument, the Intercreditor Deed or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the requisite Bondholders. After the occurrence of an Event of Default, the Security Trustee may take any action required or permitted by this Instrument, the Security Documents or the Intercreditor Deed.
- (d) Upon the receipt by the Security Trustee of a written request of the Issuer signed by one Officer pursuant to this Condition 7.13(d) (a “**Security Document Order**”), the Security Trustee is hereby authorised to execute and enter into, and shall execute and enter into, without the further consent of any Bondholder, any Security Document to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Security Trustee pursuant to, and is a Security Document Order referred to in, this Condition 7.13(d) and (ii) instruct the Security Trustee to execute and enter into such Security Document. Any such execution of a Security Document shall be at the direction and expense of the Issuer, upon delivery to the Security Trustee of an Officer’s Certificate and an Opinion of Counsel stating that all conditions precedent to the execution and delivery of such Security Document have been satisfied. The Bondholders, by their acceptance of the Bonds, hereby authorise and direct the Security Trustee to execute such Security Documents.
- (e) The Security Trustee shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless the Security Trustee shall have received written notice from a Bondholder or the Issuer referring to this Instrument, describing such Default or Event of Default and stating that such notice is a “notice of default”. The Security Trustee shall take such action with respect to such Default or Event of Default as may be requested by the Instructing Bondholders subject to this Condition 7.13.
- (f) No provision of this Instrument or any Security Document shall require the Security Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Bondholders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it. Notwithstanding anything to the contrary contained in this Instrument, the Intercreditor Deed or the Security Documents, in the event the Security Trustee is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Security Trustee shall not be required to commence any such action, exercise any remedy, inspect or conduct any studies of any property or take any such other action if the Security Trustee has determined that the Security Trustee may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property of any hazardous substances unless the Security Trustee has received security or indemnity from the Bondholders in an amount and in a form all satisfactory to the Security Trustee in its sole discretion, protecting the Security Trustee from all such liability. The Security Trustee shall at any time be entitled to cease taking any action described in this Condition 7.13(f) if it no longer reasonably deems any indemnity, security or undertaking from the Issuer or the Bondholders to be sufficient.

- (g) The Security Trustee shall not be responsible in any manner to any Bondholder for the validity, effectiveness, genuineness, enforceability or sufficiency of this Instrument, the Security Documents or the Intercreditor Deed or for any failure of the Issuer, any Guarantor or any other party to this Instrument, the Security Documents or the Intercreditor Deed to perform its obligations hereunder or thereunder (other than by reason of its gross negligence or willful misconduct). The Security Trustee shall not be under any obligation to the Security Trustee or any Bondholder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Instrument, the Security Documents or the Intercreditor Deed or to inspect the properties, books or records of the Issuer or the Guarantors.
- (h) The parties hereto and the Bondholders hereby agree and acknowledge that the Security Trustee shall not assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Instrument, the Intercreditor Deed, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Bondholders hereby agree and acknowledge that, in the exercise of its rights under this Instrument, the Intercreditor Deed and the Security Documents, the Security Trustee may hold or obtain indicia of ownership primarily to protect the security interest of the Security Trustee in the Collateral and that any such actions taken by the Security Trustee shall not be construed as or otherwise constitute any participation in the management of such Collateral.
- (i) The Security Trustee shall be entitled to the compensation to be agreed upon in writing with the Issuer and the Guarantors for all services rendered by it under this Instrument, and the Issuer and the Guarantors, jointly and severally, agree to pay such compensation and to reimburse the Security Trustee for its out-of-pocket expenses (including fees and expenses of counsel) properly incurred by it in connection with the services rendered by it under this Instrument, which sums shall be paid free and clear of deduction and withholding on account of taxation, set-off and counterclaim. The Issuer and the Guarantors jointly and severally agree to indemnify the Security Trustee and its officers, directors, agents and employees and any successors thereto for, and to hold it or them harmless against, any loss, action, proceeding, claim, penalty, damages, liability or properly incurred expenses (including fees and expenses of counsel) incurred other than by reason of its or their gross negligence, willful misconduct or fraud arising out of or in connection with its or their acting as the Security Trustee under this Instrument. Under no circumstance will the Security Trustee be liable to any party for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (*inter alia*, being loss of business, goodwill, opportunity or profit), whether or not foreseeable, even if the Security Trustee has been advised of such loss or damage and regardless of the form of action. The obligations of the Issuer and the Guarantors under this Condition 7.13(i) shall survive the payment of the Bonds, the termination or expiry of this Instrument and the resignation or removal of the Security Trustee.

- (j) The Security Trustee shall be fully protected and shall incur no liability for or in respect of any action taken or omitted to be taken or thing suffered by it in reliance upon any Bond, notice, direction, consent, certificate, affidavit, statement or other paper or document reasonably believed by it to be genuine and to have been delivered, or in the case of any paper or document, signed by or on behalf of the proper party or parties. The Security Trustee shall be entitled to refrain from taking any actions, without liability, if conflicting, unclear or equivocal instruction or direction are received or in order to comply with applicable law.

7.14 Confidential Information

The Security Trustee agrees to take reasonable precautions to keep Confidential Information confidential, which precautions shall be no less stringent than those that the Security Trustee employs to protect its own confidential information. - (b) The Security Trustee agrees that the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, does not have any responsibility whatsoever for any reliance on Confidential Information by the Security Trustee or by any Person to whom such information is disclosed in connection with this Instrument, whether related to the purposes described above or otherwise. Without limiting the generality of the foregoing, the Security Trustee agrees that the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, makes no representation or warranty whatsoever to it with respect to Confidential Information or its suitability for such purposes. The Security Trustee further agrees that it shall not acquire any rights against the Issuer, any of its Subsidiaries, any Guarantor, any Pledgor or any employee, officer, director, manager, representative or agent of the Issuer, any of its Subsidiaries, any Guarantor, any Pledgor or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable (together with the Issuer, “**Confidential Parties**”) as a result of the disclosure of Confidential Information to the Security Trustee and that no Confidential Party has any duty, responsibility, liability or obligation to any Person as a result of any such disclosure.

- (c) In the event the Security Trustee is required to disclose any Confidential Information received hereunder in order to comply with any laws, regulations or court orders, it may disclose such information only to the extent necessary for such compliance; *provided, however*, that it shall give the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, reasonable advance written notice of any court proceeding in which such disclosure may be required pursuant to a court order so as to afford the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, full and fair opportunity to oppose the issuance of such order and to appeal therefrom and shall cooperate reasonably with the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, in opposing such court order and in securing confidential treatment of any such information to be disclosed and/or obtaining a protective order narrowing the scope of such disclosure.
- (d) Each of the Registrar and the Paying Agent agrees to be bound by this Condition 7.14.

- (b) From (and including) the 2021 A&R Effective Date to (and including) the Listing Date, the coupon that is accrued on the Bonds shall be automatically capitalised and shall be added to the outstanding principal amount of the Bonds then outstanding on each Coupon Payment Date falling on or before the Listing Date, following which, such coupon will be treated as part of the principal amount of the Bonds and will thereafter accrue coupon at the Coupon Rate.

 - (d) For purposes of determining compliance with this Condition 9.5, in the event that a Restricted Payment (or any portion thereof) meets the criteria of more than one of the categories described in Condition 9.5(b) or is entitled to be made pursuant to Condition 9.5(a), the Issuer may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such Restricted Payment (or any portion thereof) in any manner that complies with this Condition 9.5.

9.6 Dividend and Other Payment Restrictions Affecting Subsidiaries.

- (a) So long as the Bonds are outstanding, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:
- (i) (A) declare or pay any dividends, charge, fee or other distribution or make any other distributions (or interest on any unpaid dividend, charge, fee or other distribution) (whether in cash or in kind) to the Issuer or any of its Restricted Subsidiaries (1) on its Capital Stock or (2) with respect to any other interest or participation in, or measured by, its profits or (B) pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;

 - (13) any Restricted Investment not prohibited by Condition 9.5 and any Permitted Investment; or
 - (14) any encumbrances or restrictions of the type referred to in clauses (i), (ii) and (iii) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.
- (b) For purposes of determining compliance with this Condition 9.6, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on other Capital Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary of the Issuer to other Indebtedness Incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

9.7 Asset Sales.

- (a) So long as the Bonds are outstanding, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) at least 75 per cent. of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:
- (i) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary of the Issuer (other than liabilities that are by their terms subordinated to the Bonds or any Guarantee) that are assumed by the transferee of any such assets or that are otherwise cancelled or terminated in connection with the transaction with such transferee,
 - (ii) any notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary of the Issuer from such transferee that are converted by the Issuer or such Restricted Subsidiary of the Issuer into cash within 180 days of the receipt thereof (to the extent of the cash received), and
 - (iii) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value (as determined in good faith by the Issuer), taken together with all other Designated Non-cash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of US\$30,000,000 (or the Dollar Equivalent thereof) and 7.5 per cent. of Total Assets at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value) shall be deemed to be Cash Equivalents for the purposes of this Condition 9.7(a).
- (b) Within 180 days after the Issuer's or any Restricted Subsidiary of the Issuer's receipt of the Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary of the Issuer may apply the Net Proceeds from such Asset Sale, at its option:
- (i) to repay (x) Indebtedness of a Restricted Subsidiary that is not a Guarantor or (y) *Pari Passu* Indebtedness; or
 - (ii) to make an Investment in any one or more businesses (*provided* that if such Investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer or, if such Person is a Restricted Subsidiary of the Issuer, in an increase in the percentage ownership of such Person by the Issuer or any Restricted Subsidiary of the Issuer), assets, or property or capital expenditures, in each case (A) used or useful in a Similar Business or (B) that replace the properties and assets that are the subject of such Asset Sale.

In the case of Condition 9.7(b)(ii), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the earlier of (x) the date on which such Investment is consummated and (y) the 180th day following the expiration of the aforementioned 180-day period, if such Investment has not been consummated by that date. Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary of the Issuer may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Proceeds in any manner not prohibited by this Instrument.

Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in clause (a) or (b) of this Condition 9.7 will be deemed to constitute “**Excess Proceeds**”. On the 181st day (or the 361st day if a binding commitment as described in the immediately preceding paragraph has been entered into) after an Asset Disposition, or at such earlier date that the Issuer elects, if the aggregate amount of Excess Proceeds exceeds US\$20,000,000 (or the Dollar Equivalent thereof) (an “**Excess Proceeds Threshold**”), the Issuer shall make an offer to all Bondholders (and, at the option of the Issuer, to holders of any Pari Passu Indebtedness) (an “**Asset Sale Offer**”) to purchase the maximum principal amount of Bonds (and such Pari Passu Indebtedness) that is at least US\$1,000 and an integral multiple of US\$1,000 that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to the Redemption Amount plus the Applicable Premium (if any) (or, in respect of such Pari Passu Indebtedness, such price as may be provided for by the terms of such Pari Passu Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Condition 9.7. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within 10 Business Days after the date that Excess Proceeds exceed the applicable Excess Proceeds Threshold by providing the written notice required pursuant to Condition 9.7(f). To the extent that the aggregate amount of Bonds (and such Pari Passu Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for any purpose that is not prohibited by this Instrument. If the aggregate principal amount of Bonds (and such Pari Passu Indebtedness) surrendered by Bondholders thereof exceeds the amount of Excess Proceeds, the Bondholders shall select the Bonds to be purchased in the manner described in Condition 9.7(e). Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

- (c) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Bonds pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Instrument, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Instrument by virtue thereof.
- (d) The Asset Sale Offer, in so far as it relates to the Bonds, will remain open for a period not less than 10 Business Days following its commencement (the “**Offer Period**”). No later than five Business Days following the termination of the Offer Period, the Issuer shall cancel the Bonds or portions thereof that have been properly tendered to and are to be accepted by the Issuer, and shall, on the date of purchase, mail or deliver payment to each tendering Bondholder in the amount of the purchase price as determined by the Issuer.

- (e) Bondholders electing to have a Bond purchased shall be required to surrender the Bond, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. Bondholders shall be entitled to withdraw their election if the Issuer receives not later than one Business Day prior to the purchase date a telegram, telex, facsimile transmission or letter setting forth the name of the Bondholder, the principal amount of the Bond that was delivered by the Bondholder for purchase and a statement that such Bondholder is withdrawing such Bondholder's election to have such Bond purchased. If at the end of the Offer Period more Bonds (and such Pari Passu Indebtedness, as applicable) are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, the Issuer will select the Bonds to be redeemed on a pro rata basis, by lot or by such other method as the Issuer shall deem fair and appropriate (and in such manner as complies with applicable legal requirements); *provided* that no Bonds of US\$1,000 or less shall be purchased in part. Selection of such Pari Passu Indebtedness, as applicable, shall be made pursuant to the terms of such Pari Passu Indebtedness; *provided* that any purchase by the Issuer of Pari Passu Indebtedness and Bonds tendered pursuant to an Asset Sale Offer shall otherwise be made on a pro rata basis, as nearly as practicable.
- (f) Written notices of an Asset Sale Offer shall be provided at least 30 but not more than 60 days before the purchase date to each Bondholder at such Bondholder's registered address. If any Bond is to be purchased in part only, any notice of purchase that relates to such Bond shall state the portion of the principal amount thereof that has been or is to be purchased. Bondholders whose Bonds are purchased only in part shall be issued new Bonds equal in principal amount to the unpurchased portion of the Bonds surrendered.
- (g) Notwithstanding anything to the contrary in this Instrument, so long as the Bonds are outstanding, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, sell, transfer, lease or otherwise dispose of (whether in a single transaction or a series of related transactions) of any Equity Interests in the PRC Joint Venture held by the Issuer or such Restricted Subsidiary to any Person other than the Issuer or a Restricted Subsidiary, including any disposition by means of a merger, consolidation or similar transaction.

9.8 Transactions with Affiliates.

- (a) So long as the Bonds are outstanding, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "**Affiliate Transaction**") involving aggregate consideration in excess of US\$2,500,000 (or the Dollar Equivalent thereof), unless:
 - (i) such Affiliate Transaction is on terms that are not materially less favourable to the Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person;

- (ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$2,500,000 (or the Dollar Equivalent thereof), the Issuer delivers to the Bondholders a resolution adopted in good faith by the majority of the Board, approving such Affiliate Transaction and set forth in an Officer's certificate certifying that such Affiliate Transaction complies with clause (i) above; and
 - (iii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$10,000,000 (or the Dollar Equivalent thereof), the Issuer shall notify the Bondholders of such proposed transaction and upon written request by any Bondholder:
 - (A) the Issuer delivers to the Bondholders, in addition to the resolution of the Board referred to in clause (ii) above, an opinion of a reputable accounting, appraisal or investment banking firm of national or international standing, or other recognised independent expert of national or international standing with experience appraising the terms and conditions of the type of transaction or series of related transactions for which an opinion is required, stating that the Affiliate Transaction or series of related Affiliate Transactions is (1) fair to the Issuer or such Restricted Subsidiary from a financial point of view taking into account all relevant circumstances or (2) on terms not materially less favourable than might have been obtained in a comparable transaction at such time on an arm's length basis from a Person who is not an Affiliate; and
 - (B) for purposes of the opinion referred to in the immediately preceding paragraph, the Issuer shall present to the Bondholders at least four reputable accounting, appraisal or investment banking firms of national or international standing and/or other recognised independent experts of national or international standing with experience appraising the terms and conditions of the type of transaction or series of related transactions, at least two of which shall be of international standing, and one such firm or expert shall be selected for the purpose of delivering such opinion by the holders of at least 50.1 per cent. in aggregate principal amount of the Bonds or by Special Resolution within 10 Business Days following receipt of the request from the Issuer; *provided* that if no firm or expert is selected, the Issuer shall be entitled to make such selection.
- (b) The provisions of Condition 9.8(a) shall not apply to the following:
- (i) transactions between or among the Issuer and/or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction), including any payment to, or sale, lease, transfer or other disposition of any properties or assets to, or purchase of any property or assets from, or any contract, agreement, amendment, understanding, loan, advance or guarantee with, or for the benefit of, the Issuer or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction);

- (ii) Restricted Payments permitted by Condition 9.5 and Permitted Investments (without giving effect to clause (13) of the definition of “Permitted Investments”);
- (iii) the payment of reasonable and customary compensation, benefits, fees and reimbursement of expenses paid to, and indemnity, contribution and insurance provided on behalf of, officers, directors, employees or consultants of the Issuer or any Restricted Subsidiary or any direct or indirect parent of the Issuer;
- (iv) payments or loans (or cancellation of loans) to officers, directors, employees or consultants that are approved by a majority of the disinterested members of the Board in good faith;
- (v) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the Bondholders in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby as determined in good faith by the Issuer;
- (vi) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders or equityholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any amendment thereto or similar transactions, agreements or arrangements that it may enter into thereafter; *provided* that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Issue Date shall only be permitted by this clause (vi) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the Bondholders in any material respect than the original transaction, agreement or arrangement as in effect on the Issue Date;
- (vii) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Instrument, which are fair to the Issuer and its Restricted Subsidiaries in the reasonable determination of the Board or the senior management of the Issuer, or are on terms at least as favourable as might reasonably have been obtained at such time from an unaffiliated party;
- (viii) any transaction effected as part of a Qualified Receivables Financing;
- (ix) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Person;
- (x) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee or director benefit plans approved by the Board or any direct or indirect parent of the Issuer or of a Restricted Subsidiary of the Issuer, as appropriate, in good faith;

- (xi) the entering into of any tax sharing agreement or arrangement and any payments permitted by Condition 9.5(b)(xiii);
- (xii) any contribution to the capital (including the capital reserves) of the Issuer;
- (xiii) transactions permitted by, and complying with, Condition 9.11;
- (xiv) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer or any direct or indirect parent of the Issuer; *provided, however*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent, as the case may be, on any matter involving such other Person;
- (xv) any employment agreements entered into by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business;
- (xvi) intercompany transactions undertaken in good faith (as certified by the Issuer in an Officer's certificate) for the purpose of improving the consolidated tax efficiency of the Issuer and its Subsidiaries and not for the purpose of circumventing compliance with any covenant set forth in this Instrument;
- (xvii) the formation and maintenance of any consolidated group or subgroup for tax, accounting or cash pooling or management purposes in the ordinary course of business;
- (xviii) transactions with Affiliates of the Issuer relating to the purchase by the Issuer or any Guarantor of Proprietary Rights (and any other rights to produce or sell products) where the purchase price therefor is not more than the lower of (A) the Development Cost therefor incurred by the Affiliate from whom the Issuer or such Guarantor makes such purchase multiplied by 1.5 and (B) the Fair Market Value of such Proprietary Rights calculated in connection with such purchase based on a discounted cash flow methodology as determined in good faith by a responsible financial or accounting officer of the Issuer; *provided* that if such Fair Market Value as determined by such officer is over US\$10,000,000 (or the Dollar Equivalent thereof) (and such Fair Market Value determination is less than the Development Cost), the calculation of Fair Market Value instead shall be as determined by an Independent Financial Advisor retained by the Issuer based on a discounted cash flow methodology; and
- (xix) the Incurrence of Indebtedness permitted pursuant to Condition 9.4(b)(xxiii) or 9.4(b)(xxiv).

9.9 Liens.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, Incur, assume or permit to exist any Lien on the Collateral (other than Permitted Liens).

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, Incur, assume or permit to exist any Lien of any nature whatsoever on any of its assets or properties of any kind, whether owned at the Issue Date or thereafter acquired (other than the Collateral), except Permitted Liens, unless the Bonds are secured (a) equally and ratably with (or, if the obligation or liability to be secured by such Lien is subordinated in right of payment to the Bonds, prior to) the obligation or liability secured by such Lien, for so long as such obligation or liability is secured by such Lien or (b) by other assets or properties approved by a Special Resolution.

For purposes of determining compliance with this Condition 9.9, in the event that a Lien securing an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the categories of Liens described in the foregoing paragraph or in clauses (1) through (32) of the definition of “Permitted Liens”, then the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such Lien securing an item of Indebtedness (or any portion thereof) in any manner that complies with this Condition 9.9.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “**Increased Amount**” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the payment of interest or dividends in the form of additional Indebtedness, amortisation of original issue discount and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, in each case in respect of such Indebtedness.

The Issuer or a Guarantor, as the case may be, shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction), with respect to the Bondholders, notify such Bondholders accordingly. If a Tax Deduction will at any time be required to be made from any payments made by or on behalf of the Issuer or the Guarantor, as the case may be, under or with respect to this Instrument or the Guarantee, as the case may be, including payments of principal, redemption price, coupon, additional amounts or premium, if any, the Issuer or the Guarantor, as the case may be, shall pay such additional amounts (the “**Additional Amounts**”) as may be necessary in order that the net amounts received in respect of such payments by the holders of a Bond, or beneficial owner of the Bonds, in respect of such payments, after such withholding or deduction (including any such withholding or deduction from such Additional Amounts) will not be less than the amounts that would have been received by each Bondholder in respect of such payments under or with respect to this Instrument or the Guarantee in the absence of such Tax Deduction; *provided, however*, that no Additional Amounts will be payable with respect to:
- (i) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Bond for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder of that Bond (except to the extent that the holder of the Bond would have been entitled to Additional Amounts had the Bond been presented on the last day of such 30-day period);

- (ii) any FATCA Deduction; or
 - (iii) any combination of the above clauses (i) to (ii).
- (b) Subject to the provisions of the Guarantees, the Issuer or the Guarantors, as the case may be, shall pay and indemnify the Bondholders or the beneficial owner of the Bonds for any present or future stamp, issue, registration, transfer, court or documentary taxes, or any other excise or property taxes, charges or similar levies (including any penalties, coupon and other liabilities related thereto) that are payable in, or levied by any jurisdiction on the execution, delivery, transfer or registration of this Instrument, the Guarantees or the Bonds or the receipt of any payments with respect to, or enforcement of, this Instrument, the Guarantees or the Bonds (such sum being recoverable from the Issuer or the Guarantors, as the case may be, as a liquidated sum payable as a debt.

Such notice must also set forth any other information reasonably necessary to enable the Paying Agents, upon timely receipt of funds, to pay Additional Amounts to Bondholders on the relevant payment date. The Bondholder shall not have any obligation to determine whether any Additional Amounts are payable or the amount of such Additional Amounts.
- (d) The Issuer or the Guarantors, as the case may be, shall make all Tax Deductions (within the time period and in the minimum amount) required by law and shall remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the Guarantors, as the case may be, shall, whether or not Additional Amounts are payable, use its or their reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the Guarantors, as the case may be, shall furnish to the Bondholders, and to a beneficial owner of Bonds upon request, within a reasonable time after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or the Guarantors, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence (reasonably satisfactory to the Bondholders) of payments by such entity.
- (e) Wherever in this Instrument or the Guarantees there is mentioned, in any context:
- (i) the payment of principal;

(f) The obligations described under this Condition 14 shall survive any termination, defeasance or discharge of this Instrument or the Guarantees and shall apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer or a Guarantor is incorporated, or resident or doing business for tax purposes or any jurisdiction from or through which such Person makes any payment on the Bonds or the Guarantees and any department or political subdivision thereof or therein.

(g) The Issuer will:

- (i) pay all stamp duty, registration, documentary, transfer and other similar Taxes payable in respect of any Bond Document; and
- (i) within five Business Days of demand of the Security Trustee or a Bondholder, indemnify the Security Trustee or such Bondholder from and against any cost, loss or liability the Security Trustee or that Bondholder incurs in any jurisdiction in relation to any stamp duty, registration, documentary, transfer or other similar Tax paid or payable in respect of any Bond Document. None of the Security Trustee, the Registrar or the Paying Agent shall be liable or responsible to pay any such taxes or duties in any jurisdiction and none of them shall be under any obligation to determine whether the Issuer, any other Pledgor, any Guarantor or any Bondholder is liable to pay any taxes and duties and shall not be concerned with, or be obligated or required to enquire into, the sufficiency of any amount paid by the Issuer, any other Pledgor, any Guarantor or any Bondholder for this purpose.

The parties hereto acknowledge that the foregoing indemnities shall survive the resignation or removal of the Security Trustee or the termination of this Instrument.

- (iii) supply to that other party such forms, documentation and other information relating to its status as that other party reasonably requests for the purposes of that party's compliance with any other law, regulation, or exchange of information regime.
- (d) If a party hereto confirms to another party hereto pursuant to paragraph (c)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that party shall notify that other party reasonably promptly.
- (e) Condition 14.2(c) above shall not oblige any of the Security Trustee, the Registrar, the Paying Agent or the Bondholders to do anything which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (f) If a party hereto fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with Condition 14.2(c) above (including, for the avoidance of doubt, where Condition 14.2(d) above applies), then such party shall be treated for the purposes of the Bond Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the party in question provides the requested confirmation, forms, documentation or other information.

16 Meetings of Bondholders and Modifications

16.1 Applicable rules

Articles 470-3 to 470-19 (included) of the Companies Law (including any provisions in respect of the representation of Bondholders and the holding of Bondholders' meetings contained therein) shall not apply to the Bonds and this Instrument.

16.2 Meetings

- (a) Schedule 3 to this Instrument contains provisions for convening meetings of Bondholders to consider any matter affecting their interests, including the sanctioning by Special Resolution of a modification of the Bonds (subject to Condition 16.3 below) and the sanctioning by Ordinary Resolution of any matter requiring their approval pursuant to this Instrument. When there is only one Bondholder, no meetings are required and any resolution of the Bondholder can be passed by written resolution in accordance with paragraph 20 of Schedule 3.
- (b) A Special Resolution passed at any meeting of Bondholders will be binding on all Bondholders, whether or not they are present at the meeting. Schedule 3 provides that a written resolution signed by or on behalf of the holders of not less than 90 per cent. of the aggregate principal amount of the Bonds then outstanding shall be as valid and effective as a duly passed Special Resolution.

16.3 Modification

The Issuer and the Guarantors may without any such meeting or sanction of the Bondholders, amend the terms of Bonds and the Guarantees if, in the reasonable opinion of the Issuer, having consulted with its financial adviser, legal adviser or auditor, such amendment is of a minor or technical nature or corrects a manifest error. Any such amendment will be binding on the Bondholders, the Security Trustee, the Registrar, the Paying Agent and the Calculation Agent.

Notwithstanding anything to the contrary herein or in any other Bond Document, any modification that has the effect of changing the number, percentage or aggregate principal amount of Bonds or Other Bonds required to accelerate the Bonds, including any modification of the final paragraph of Condition 15 shall require the consent of the holders of not less than 75.0 per cent. of the aggregate principal amount of the Bonds and the Other Bonds then outstanding.

Any modification to the terms of the Bonds and any of the Guarantees, whether pursuant to Condition 16.2 or 16.3, shall be effected by way of deed poll executed by the Issuer and/or the relevant Guarantor(s), as the case may be. A copy of such deed poll will be sent by the Issuer to the Bondholders in accordance with Condition 20 as soon as practicable thereafter.

17 Waiver

No failure to exercise, nor any delay in exercising, on the part of any Bondholder, any right or remedy under these Conditions shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies herein are cumulative and not exclusive of any rights or remedies provided by law.

18 Voting and Other Rights

The Bondholders will not be entitled to receive notice of or attend or vote at general meetings of the Issuer by reason only of being the holders of a Bond. The Bondholders will not be entitled to participate in any distribution and/or offers of further securities made by the Issuer by reason only of being the holders of the Bonds.

19 Replacement of Bond Certificates

If any Bond Certificate is mutilated, defaced, destroyed, stolen or lost, it may be replaced at the Registrar's Office upon payment by the claimant of such costs as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Bond Certificates must be surrendered before replacements will be issued.

20 Notices

All notices to Bondholders shall be validly given if mailed to them at their respective addresses in the Register of Bondholders. Any such notice shall be deemed to have been given on the later of the date of such publication and the seventh day after being so mailed to the Bondholders, as the case may be. The Issuer is under no obligation to investigate the address of a Bondholder in case of a change of address that has not been notified to it.

- (a) For so long as a Shareholder Affiliate beneficially holds or otherwise owns any Bonds or any participation in the Bonds then outstanding (directly or indirectly and in any manner whatsoever) or has entered into a sub-participation agreement relating to a participation in any Bond then outstanding or other agreement or arrangement having a substantially similar economic effect and such agreement or arrangement has not been terminated, in ascertaining (i) the Instructing Bondholders or (ii) whether the agreement of any specified group of Bondholders has been obtained to approve any request for any consent, approval, release or waiver or agreement to any amendment or to carry out any other vote or approve any action or give any instruction under the Bond Documents, that holding, ownership or participation in the Bonds then outstanding shall be deemed to be zero, such Bonds shall be deemed not to be outstanding and that Shareholder Affiliate (or the person with whom it has entered into that sub-participation, other agreement or arrangement) shall be deemed not to be a Bondholder.
- (b) Each Shareholder Affiliate that is a Bondholder agrees that:
 - (i) in relation to any meeting or conference call to which any Bondholders are invited to attend or participate, it shall not attend or participate in the same or be entitled to receive the agenda or any minutes of the same, unless, in each case, the Security Trustee otherwise agrees (acting on the instructions of the Instructing Bondholders); and
 - (ii) it shall not, unless the Security Trustee otherwise agrees (acting on the instructions of the Instructing Bondholders), be entitled to receive any report or other document prepared at the behest of, or on the instructions of, the Security Trustee or one or more of the Bondholders.

The Security Trustee shall promptly disclose such information to the other Bondholders.

For the avoidance of doubt, the terms of this Condition 21 shall take precedent over any conflicting provision in any Bond Document and paragraphs (a) to (c) above shall not apply to any Bondholder (and no Bondholder shall be deemed to be a Shareholder Affiliate for this purpose) for so long as:

- (i) the relevant Bondholder holds Shares in the Issuer issued to it as a result of the relevant Bondholders' exercise of conversion rights over certain number of Bonds into the Shares of the Issuer pursuant to and in accordance with clause 4.1(a)(i) of the 2021 Amendment and Restatement Deed (the "**Conversion Shares**") (or the relevant Bondholder's Affiliate to whom the Conversion shares are transferred (directly or indirectly), or any further Shares in the Issuer directly issued to such Bondholder (or, as applicable, its Affiliates) (or otherwise transferred to them as permitted under the Bond Documents):
 - (A) as a result of any conversion, consolidation, sub-division or, re-designation or exchange of such Conversion Shares;
 - (B) by way of capitalisation of profits or reserves (including any share premium or capital contribution account) of the Issuer, or as a result of any distribution in kind made by the Issuer; and
 - (C) further to the exercise of any preferential subscription rights of the Bondholder (or, as the case may be, its Affiliates) applicable by law, or as a result of any merger or assimilated transaction,in each case, on account of its holding of the Conversion Shares; and
- (ii) the relevant Bondholder holds any Bonds or Other Bonds or any participation in the Bonds or Other Bonds then outstanding, provided that this Condition 21 shall immediately apply to such Bondholder if it ceases to qualify for this exemption.

22 Currency of Account; Conversion of Currency; Currency Exchange Restrictions

22.1 U.S. dollars are the sole currency of account and payment for all sums payable by the Issuer and the Guarantors under or in connection with this Instrument and the Guarantees, as the case may be, including damages related thereto. Any amount received or recovered in a currency other than U.S. dollars by the Bondholders (whether as a result of, or as a result of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer otherwise) in respect of any sum expressed to be due to it from the Issuer or the Guarantors, as the case may be, shall only constitute a discharge to the Issuer or the Guarantors, as the case may be, to the extent of the U.S. dollar amount, which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient under the applicable Bonds, the Issuer and the Guarantors shall indemnify it against any loss sustained by it as a result as set forth in Condition 22.2. In any event, the Issuer and the Guarantors shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition 22, it will be sufficient

for the Bondholders to certify in a satisfactory manner (indicating sources of information used) that it would have suffered a loss had an actual purchase of U.S. dollars been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. dollars on such date had not been practicable, on the first date on which it would have been practicable, it being required that the need for a change of date be certified in the manner mentioned above).

- 22.2 Each of the Issuer and the Guarantors covenants and agrees that the following provisions shall apply to conversion of currency in the case of this Instrument and the Guarantees:
- (a) the following apply:
 - (i) if for the purposes of obtaining judgment in, or enforcing the judgment of, any court in any country, it becomes necessary to convert into a currency (the “**Judgment Currency**”) an amount due in any other currency (the “**Base Currency**”), then the conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which the judgment is given or the order of enforcement is made, as the case may be (unless a court shall otherwise determine).
 - (ii) If there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given or an order of enforcement is made, as the case may be (or such other date as a court shall determine), and the date of receipt of the amount due, the Issuer or the Guarantors, as the case may be, will pay such additional (or, as the case may be, such lesser) amount, if any, as may be necessary so that the amount paid in the Judgment Currency when converted at the rate of exchange prevailing on the date of receipt will produce the amount in the Base Currency originally due.
 - (b) In the event of the winding-up of the Issuer or any of the Guarantors at any time while any amount or damages owing under this Instrument or the Guarantees, as the case may be, or any judgment or order rendered in respect thereof, shall remain outstanding, the Issuer or the Guarantors, as the case may be, shall indemnify and hold the Bondholders harmless against any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the non-U.S. currency equivalent of the amount due or contingently due under this Instrument (other than under this Condition 22.2(b)) or the Guarantees, as the case may be, is calculated for the purposes of such winding-up and (ii) the final date for the filing of proofs of claim in such winding-up. For the purpose of this Condition 22.2(b), the final date for the filing of proofs of claim in the winding-up of the Issuer or the Guarantors shall be the date fixed by the liquidator or otherwise in accordance with the relevant provisions of applicable law as being the latest practicable date as at which liabilities of the Issuer or the Guarantors, as the case may be, may be ascertained for such winding-up prior to payment by the liquidator or otherwise in respect thereto.
 - (c) The obligations contained in Condition 22.1, Condition 22.2(a)(ii) and Condition 22.2(b) shall constitute separate and independent obligations from the other obligations of the Issuer and the Guarantors under this Instrument, shall give rise to separate and independent causes of action against the Issuer and the Guarantors, shall apply irrespective of any waiver or extension granted by the Bondholders or any of them from

time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof of claim in the winding-up of the Issuer or any of the Guarantors for a liquidated sum in respect of amounts due hereunder (other than under Condition 22.2(b)) or under any such judgment or order. Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Bondholders, as the case may be, and no proof or evidence of any actual loss shall be required by the Issuer or the Guarantors or the liquidator or otherwise or any of them. In the case of Condition 22.2(b), the amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date and the date of any liquidating distribution.

- (d) The term “rate(s) of exchange” shall mean the rate of exchange quoted by Reuters at 10:00 a.m. (London time) for spot purchases of the Base Currency with the Judgment Currency other than the Base Currency referred to in Condition 22.2(a) hereof and 22.2(b) hereof and includes any premiums and costs of exchange payable.

22.3 Third Party Rights

A person which is not a party to this Instrument shall have no rights to enforce the provisions of this Instrument other than those it would have had if the Contracts (Rights of Third Parties) Act 1999 had not come into force.

23 Governing Law and Jurisdiction

- 23.1 This Instrument, and any non-contractual obligations arising out of or in connection with it, is governed by and shall be construed in accordance with English law.
- 23.2 The Courts of England sitting in London have exclusive jurisdiction to settle any dispute arising out of or in connection with this Instrument, the Bonds or the Guarantees (including a dispute relating to the existence, validity or termination of this Instrument, the Bonds or the Guarantees or any non-contractual obligation arising out of or in connection therewith) (a “**Dispute**”) and accordingly any legal action or proceedings in connection with such Dispute (“**Proceedings**”) may be brought in such courts. Each of the Issuer, the Guarantors and the Bondholders hereby irrevocably submits to the jurisdiction of such courts.
- 23.3 Each of the Issuer and the Guarantors irrevocably agrees that within five (5) Business Days of the date hereof it will appoint an agent having its registered office in the United Kingdom as its agent to receive on its behalf in England service of any proceedings started in the courts of England sitting in London under this Condition 23 and will provide evidence of the same to the Bondholders. Such service shall be deemed completed on delivery to such agent (whether or not it is forwarded to and received by the Issuer) and shall be valid until such time as the Issuer has received prior written notice that such agent has ceased to act as agent. If for any reason such agent ceases to be able to act as agent or no longer has an address in England, the Issuer shall forthwith appoint a substitute and deliver to the Bondholders the new agent’s name and address and email within England and Wales. Nothing in this clause shall affect the right of Bondholders to serve process in any other manner permitted by law.
- 23.4 For the avoidance of doubt, articles 470-1 to 470-19 (included) of the Luxembourg law on commercial companies dated August 10, 1915 (as amended) shall be excluded.

This Instrument may be executed in any number of counterparts, each of which shall be deemed an original.

Provisions for Meetings of Bondholders

1. **Proxies**

A holder of a Bond may by an instrument in writing (a *form of proxy*) in the form available from the Registered Office signed by the holder or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation and delivered to the Issuer not later than 48 hours before the time fixed for any meeting, appoint any person (a *proxy*) to act on his or its behalf in connection with any meeting or proposed meeting of Bondholders. A Proxy need not be a Bondholder.

2. **Representatives**

A holder of a Bond which is a corporation may by delivering to the Issuer not later than 48 hours before the time fixed for any meeting a resolution of its directors or other governing body in English authorise any person to act as its representative (a *representative*) in connection with any meeting or proposed meeting of Bondholders.

3. **Duration of Appointment**

A proxy or representative so appointed shall so long as such appointment remains in force be deemed, for all purposes in connection with any meeting or proposed meeting of Bondholders specified in such appointment, to be the holder of the Bonds to which such appointment relates and the holder of the Bond shall be deemed for such purposes not to be the holder.

4. **Calling of Meetings**

The Issuer may at any time convene a meeting of Bondholders. If the Issuer receives a written request by Bondholders holding at least 10 per cent. in principal amount of the Bonds then outstanding it shall as soon as reasonably practicable convene a meeting of Bondholders. Every meeting shall be held at a time and place approved by the directors of the Issuer.

5. **Notice of Meetings**

At least 21 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) shall be given to the Bondholders to convene a meeting of Bondholders. A copy of the notice shall be given by the party convening the meeting to the other parties. The notice shall specify the day, time and place of meeting, be given in the manner provided in the Conditions and shall specify the nature of the resolutions to be proposed and shall include a statement to the effect that the holders of Bonds may appoint proxies by executing and delivering a form of proxy in English to the Registered Office not later than 48 hours before the time fixed for the meeting or, in the case of corporations, may appoint representatives by resolution in English of their directors or other governing body and by delivering an executed copy of such resolution to the Issuer not later than 48 hours before the time fixed for the meeting. The accidental omission to give notice to, or the non-receipt of notice by, any Bondholder shall not invalidate any resolution passed at any such meeting.

6. **Chairman of Meetings**

A person (who may, but need not, be a Bondholder) nominated in writing by the Issuer may act as chairman of a meeting but if no such nomination is made or if the person nominated is not present within 15 minutes after the time fixed for the meeting the Bondholders present shall choose one of them to be chairman. The chairman of an adjourned meeting need not be the same person as was chairman of the original meeting.

7. **Quorum at Meetings**

At a meeting two or more persons present in person holding Bonds or being proxies or representatives and holding or representing in the aggregate not less than 10 per cent. in principal amount of the Bonds then outstanding shall (except for the purpose of passing a Special Resolution) form a quorum for the transaction of business and no business (other than the choosing of a chairman) shall be transacted unless the requisite quorum be present at the commencement of business. The quorum at a meeting for passing a Special Resolution shall (subject as provided below) be two or more persons present in person holding Bonds or being proxies or representatives and holding or representing in the aggregate over 50 per cent. in principal amount of the Bonds then outstanding; *provided* that the quorum at any meeting the business of which includes any of the matters specified in the proviso to paragraph 16 shall be two or more persons so present holding Bonds or being proxies or representatives and holding or representing in the aggregate not less than 66 per cent. in principal amount of the Bonds then outstanding.

8. **Absence of Quorum**

If within 15 minutes from the time fixed for a meeting a quorum is not present the meeting shall, if convened upon the requisition of Bondholders, be dissolved. In any other case it shall stand adjourned to such date, not less than 14 nor more than 42 days later, and to such place as the chairman may decide. At such adjourned meeting two or more persons present in person holding Bonds or being proxies or representatives (whatever the principal amount of the Bonds so held or represented) shall form a quorum and may pass any resolution and decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had a quorum been present at such meeting; *provided* that at any adjourned meeting at which is to be proposed a Special Resolution for the purpose of effecting any of the modifications specified in the proviso to paragraph 16 the quorum shall be two or more persons so present holding Bonds or being proxies or representatives and holding or representing in the aggregate not less than 33 per cent. in principal amount of the Bonds then outstanding.

9. **Adjournment of Meetings**

The chairman may with the consent of (and shall if directed by) a meeting adjourn the meeting from time to time and from place to place but no business shall be transacted at an adjourned meeting which might not lawfully have been transacted at the meeting from which the adjournment took place.

10. **Notice of Adjourned Meetings**

At least 10 days' notice of any meeting adjourned through want of a quorum shall be given in the same manner as for an original meeting and such notice shall state the quorum required at the adjourned meeting. No notice need, however, otherwise be given of an adjourned meeting.

11. **Manner of Voting**

Each question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) which he may have as a Bondholder or as a proxy or representative. Unless a poll is (before or on the declaration of the result of the show of hands) demanded at a meeting by the chairman, the Issuer or by one or more persons holding one or more Bonds or being proxies or representatives and holding or representing in the aggregate not less than two per cent. in principal amount of the Bonds then outstanding, a declaration by the chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

12. **Manner of Taking Poll**

If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such an adjournment as the chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuation of the meeting for the transaction of any business other than the question on which the poll has been demanded.

13. **Time for Taking Poll**

A poll demanded on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.

14. **Persons Entitled to Attend**

The Issuer (through its representatives) and its financial and legal advisers may attend and speak at any meeting of Bondholders. No one else may attend or speak at a meeting of Bondholders unless he is the holder of a Bond or is a proxy or a representative.

15. **Votes**

On a poll every person who is so present shall have one vote in respect of each Bond produced or in respect of which he is a proxy or a representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.

16. **Powers of Meetings of Bondholders**

A meeting of Bondholders shall, subject to the Conditions, in addition to the powers given above, have power exercisable by Special Resolution:

- (a) to sanction any proposal by the Issuer for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Bondholders against the Issuer;
- (b) to sanction the exchange or substitution for the Bonds of shares, bonds, or other obligations or securities of the Issuer or any other entity;
- (c) to assent to any modification of the Bonds which shall be proposed by the Issuer;
- (d) to authorise anyone to concur in and do anything necessary to carry out and give effect to a Special Resolution;

- (e) to give any authority, direction or sanction required to be given by Special Resolution;
- (f) to appoint any persons (whether Bondholders or not) as a committee or committees to represent the interests of the Bondholders and to confer on them any powers or discretions which the Bondholders could themselves exercise by Special Resolution; and
- (g) to approve the substitution of any entity for the Issuer (or any previous substitute) as principal debtor under the Bonds;

provided that the special quorum provisions contained in the proviso to paragraph 7 and, in the case of an adjourned meeting, in the proviso to paragraph 11 shall apply for the purpose of making any modification to the provisions contained in the Bonds which would have the effect of:

- (i) modifying the Maturity Date or the due dates for any payment in respect of the Bonds; or
- (ii) reducing or cancelling the amount of principal, premium (including any Redemption Amount) or the rate of default interest payable in respect of the Bonds or changing the method of calculation of the Redemption Amount; or
- (iii) changing the currency of any payment in respect of the Bonds; or
- (iv) modifying the provisions contained in this Schedule concerning the quorum required at a meeting of Bondholders or the majority required to pass a Special Resolution or sign a resolution in writing; or
- (v) amending this proviso.

Notwithstanding anything to the contrary in this Schedule 3, with respect to any matter for which any other provision of the Instrument and/or the Intercreditor Deed requires the direction and/or sanction of a specified percentage of the aggregate principal amount of the Bonds or the Other Bonds or the Bonds and the Other Bonds then outstanding, such other provision of the Instrument and/or the Intercreditor Deed shall prevail.

17. Resolutions Binding on all Bondholders

Any Special Resolutions or Ordinary Resolutions passed at a meeting of Bondholders duly convened and held in accordance with this Schedule and the Conditions shall be binding on all the Bondholders, whether or not present at the meeting, and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances of such resolution justify the passing of it.

18. Special Resolution

The expression *Special Resolution* means a resolution passed at a meeting of Bondholders duly convened and held in accordance with these provisions by a majority consisting of not less than three-quarters of the votes cast at such meeting.

19. **Ordinary Resolution**

The expression *Ordinary Resolution* means a resolution passed at a meeting of Bondholders duly convened and held in accordance with these provisions by a majority consisting of not less than half of the votes cast at such meeting.

20. **Written Resolution**

A resolution in writing signed by or on behalf of the holders of not less than 90 per cent. in principal amount of the Bonds then outstanding who for the time being are entitled to receive notice of a meeting in accordance with these provisions shall for all purposes be as valid as a Special Resolution or an Ordinary Resolution passed at a meeting of Bondholders convened and held in accordance with these provisions. Such resolution in writing may be in one document or several documents in like form each signed by or on behalf of one or more of the Bondholders.

21. **Minutes**

Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairman of that meeting or of the next succeeding meeting of Bondholders, shall be conclusive evidence of the matters in them. Until the contrary is proved every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Issuer or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to a business, a division or an operating unit of a business, as applicable, that would have required adjustment pursuant to this definition, then the Secured Indebtedness Leverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation or operational change had occurred at the beginning of the applicable four-quarter period.

In case of the failure of the Issuer to pay any such sum as and when the same shall become due and payable, each Guarantor hereby undertakes to cause such payment to be made as and when the same becomes due and payable, whether at the Maturity Date, upon early redemption, upon acceleration or otherwise, as if such payment were made by the Issuer. In case of the failure of the Issuer to perform any such other obligation as and when the same shall become due for performance, each Guarantor hereby undertakes to use its best efforts to procure the performance of such other obligation as and when the same becomes due for performance.

6.2 Guarantors as Principal Debtors

Each Guarantor undertakes, as an independent primary obligation, that it shall pay to each Bondholder promptly on demand sums sufficient to indemnify each Bondholder against any loss sustained by such Bondholder by reason of:

- (a) the non-payment as and when the same shall become due and payable of any sum expressed to be payable by the Issuer under this Instrument or in respect of the Bonds; or
- (b) the non-performance as and when the same shall become due for performance of any other obligation expressed to be assumed by the Issuer in this Instrument,
- (c) in each case, whether by reason of any of the obligations expressed to be assumed by the Issuer in this Instrument or the Bonds being or becoming void, voidable or unenforceable for any reason, whether or not known to such Bondholder or for any other reason whatsoever.

6.3 Unconditional Payment

If the Issuer defaults in the payment of any sum expressed to be payable by the Issuer under this Instrument or in respect of the Bonds as and when the same shall become due and payable, the Guarantors shall forthwith unconditionally pay or procure to be paid to or to the order of the Bondholders in United States Dollars in same day, freely transferable funds the amount in respect of which such default has been made; *provided* that every payment of such amount made by the Guarantors to the Bondholders shall be deemed to cure *pro tanto* such default by the Issuer and shall be deemed for the purposes of this Condition 6 to have been paid to or for the account of the Bondholders.

6.4 **Unconditional Obligation**

Each Guarantor agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of this Instrument or any Bond, or any change in or amendment hereto or thereto, the absence of any action to enforce the same, any waiver or consent by any Bondholder with respect to any provision of this Instrument or the Bonds, the obtaining of any judgment against the Issuer or any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defence of a guarantor.

6.5 **Guarantors' Obligations Continuing**

Each Guarantor waives diligence, presentment, demand of payment, filing of claims with a court in the event of merger or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest or notice with respect to any Bond or the indebtedness evidenced thereby and all demands whatsoever. Each Guarantor agrees that the guarantee and indemnity contained in this Condition 6 is a continuing guarantee and indemnity and shall remain in full force and effect until all amounts due as principal, coupon or otherwise in respect of the Bonds or under this Instrument shall have been paid in full, regardless of any intermediate payment or discharge in whole or in part, and that the Guarantors shall not be discharged by anything other than a complete performance of the obligations of the Issuer contained in this Instrument and the Bonds.

6.6 **Subrogation of Guarantors' Rights**

Each Guarantor shall be subrogated to all rights of the Bondholders against the Issuer in respect of any amounts paid by such Guarantor pursuant hereto; *provided* that the Guarantors shall not without the consent of the Bondholders be entitled to enforce, or to receive any payments arising out of or based upon or prove in any insolvency or winding up of the Issuer in respect of, such right of subrogation until such time as the principal of and coupon on all outstanding Bonds and all other amounts due under this Instrument and the Bonds have been paid in full. Furthermore, until such time as aforesaid each Guarantor shall not counter indemnify from the Issuer in respect of its obligations under this Condition 6.

6.7 **Repayment to the Issuer**

If any payment received by any Bondholder pursuant to the provisions of this Instrument shall, on the subsequent bankruptcy, insolvency, corporate reorganisation or other similar event affecting the Issuer, be avoided, reduced, invalidated or set aside under any laws relating to bankruptcy, insolvency, corporate reorganisation or other similar events, such payment shall not be considered as discharging or diminishing the liability of any of the Guarantors whether as guarantor, principal debtor or indemnifier and the guarantee contained in this Condition 6 shall continue to be effective or be reinstated, as the case may be, as if such payment had at all times remained owing by the Issuer and each Guarantor shall indemnify and keep indemnified the Bondholders on the terms of the guarantee and indemnity contained in this Condition 6.

6.8 Ranking of the Guarantee

Each Guarantee constitutes direct, unconditional, unsubordinated and secured obligations of the relevant Guarantor which will at all times rank at least equally with all of the relevant Guarantor's other present and future unsubordinated obligations, save for such exceptions as may be provided by mandatory provisions of applicable law (notably in respect of bankruptcy, insolvency or liquidation).

The Guarantee shall be released (on the occurrence of the events set out in paragraphs (a) and (b) below, only in relation to the Guarantor affected) if:

- (a) in relation to any Guarantor, it is disposed of in accordance with this Instrument; *provided* that (i) it is simultaneously released from its obligations (if any) in respect of any other indebtedness of the Issuer or any other Subsidiary; and (ii) the proceeds of any such disposal are used for purposes either permitted or required by this Instrument; or
- (b) all amounts due and payable under the Bonds then outstanding and this Instrument have been paid in full to the satisfaction of the Security Trustee.

Except as expressly set forth in Condition 6.12 hereof, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of the Bondholder

to assert any claim or demand or to enforce any remedy under any of the Bond Documents, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing that may or might in any manner or to any extent vary the risk of the Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

6.12 Limitations

- (a) Subject to Condition 6.12(c) below, any term or provision of this Instrument to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by a Guarantor shall not exceed the maximum amount that can be guaranteed hereby without rendering the Guarantee of such Guarantor voidable under applicable laws relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

This Condition 6.12 shall survive any termination or discharge of this Instrument.

6.13 **Limitation for Guarantors incorporated in Switzerland**

Any Guaranteed Obligations pursuant to this Condition 6 that are incurred by a Guarantor incorporated in Switzerland (a “**Swiss Guarantor**”) or any other obligation of a Swiss Guarantor under this Instrument or any other Bond Document to grant economic benefits to its (direct or indirect) parent company or its sister companies, including, for the avoidance of doubt, any joint liability, any indemnity, any waiver of set-off or subrogation rights or waiver of intra-group claims, shall be subject to the following:

- (a) If and to the extent a Swiss Guarantor becomes liable for any obligations of its (direct or indirect) parent company (upstream obligations) or its sister companies (cross-stream obligations) (the “**Upstream or Cross-Stream Secured Obligations**”) under the Bond Documents and if complying with such Upstream or Cross-Stream Secured Obligations would constitute a repayment of capital (*Einlagerückgewähr/Kapitalrückzahlung*), a violation of the legally protected reserves (*gesetzlich geschützte Reserven*) or the payment of a (constructive) dividend (*Gewinnausschüttung*) under Swiss corporate law and practice then applicable, such Swiss Guarantor’s aggregate liability for Upstream or Cross-Stream Secured Obligations shall be limited to the maximum amount of such Swiss Guarantor’s freely disposable shareholder equity at the time it becomes liable (the “**Swiss Guarantor Maximum Amount**”), *provided* that such limitation is required under the applicable law at that time; *provided, further*, that such limitation shall not free such Swiss Guarantor from its obligations in excess of the Swiss Guarantor Maximum Amount, but merely postpone the performance date of those obligations until such time or times as performance is again permitted under then applicable law. Such Swiss Guarantor Maximum Amount of freely disposable shareholder equity shall be determined in accordance with Swiss law and applicable Swiss accounting principles, and, if and to the extent required by applicable Swiss law, shall be confirmed by the auditors of such Swiss Guarantor on the basis of an interim audited balance sheet as of that time.
- (b) In respect of Upstream or Cross-Stream Secured Obligations, each Swiss Guarantor shall at the time it is required to make a payment under any Bond Document, if and to the extent required by applicable law (including tax treaties) in force at the relevant time:
- (i) use its reasonable efforts to ensure that such enforcement proceeds can be used to discharge Upstream or Cross-Stream Secured Obligations without deduction of any withholding tax levied in accordance with the Act on the Withholding Tax (*Bundesgesetz über die Verrechnungssteuer*) of 13 October 1965, as amended from time to time (the “**Swiss Withholding Tax**”) by discharging the liability to such tax by notification pursuant to applicable law (including tax treaties) rather than payment of the tax;
 - (ii) if the notification procedure referred to in clause (i) above does not apply, deduct the Swiss Withholding Tax at such rate (which is currently 35% as at the date of this Instrument) as is in force from time to time from any such enforcement proceeds used to discharge Upstream or Cross-Stream Secured Obligations, and pay, without delay, any such taxes deducted to the Swiss Federal Tax Administration;
 - (iii) notify the Security Trustee of such notification referred to in clause (i) above or, as the case may be, deduction has been made, and provide the Security Trustee with evidence that such a notification of the Swiss Federal Tax Administration has been made or, as the case may be, such taxes deducted have been paid to the Swiss Federal Tax Administration; and
 - (iv) in the case of a deduction of Swiss Withholding Tax, use its reasonable efforts to ensure that any person, which is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such enforcement proceeds, will, as soon as possible after such deduction,

- (A) request a refund of the Swiss Withholding Tax under applicable law (including tax treaties); and
 - (B) in case it has received any refund for the Swiss Withholding Tax, pay to the Security Trustee upon receipt any amount so refunded. The Security Trustee shall co-operate with the Swiss Guarantor to secure such refund.
- (c) To the extent a Swiss Guarantor is required to deduct Swiss Withholding Tax pursuant to Condition 6.13(b)(iv), and if the maximum amount of freely disposable shareholder equity pursuant to Condition 6.13(a) is not utilised, such Swiss Guarantor shall pay additional amounts until such payment(s) is equal to an amount which (after making any deduction of Swiss Withholding Tax pursuant to Condition 6.13(b)) would have resulted if no deduction of Swiss Withholding Tax had been required, provided that such payments (including the additional amount) shall in any event be limited to the Swiss Guarantor Maximum Amount.
- (d) If and to the extent reasonably requested by the Security Trustee and if and to the extent this is from time to time required under Swiss law (restricting profit distributions), in order to allow a prompt performance of a Swiss Guarantor's obligations under the Bond Documents, such Swiss Guarantor shall promptly implement all such measures and/or promptly procure the fulfilment of all prerequisites allowing it to promptly make the (requested) payment(s) hereunder from time to time, including the following:
- (i) preparation of an up-to-date audited balance sheet of the Swiss Guarantor;
 - (ii) confirmation of the auditors of the Swiss Guarantor that the relevant amount represents (the maximum of) freely distributable profits;
 - (iii) conversion of restricted reserves into profits and reserves freely available for the distribution as dividends (to the extent permitted by mandatory Swiss law);
 - (iv) revaluation of hidden reserves (to the extent permitted by mandatory Swiss law);
 - (v) approval by a shareholders' meeting of the Swiss Guarantor of the (resulting) profit distribution; and
 - (vi) all such other measures reasonably necessary or useful to allow for the use of enforcement proceeds to discharge the Upstream or Cross-Stream Secured Obligations to the fullest extent allowed by applicable law.

The Issuer and the Guarantors shall pledge all of their respective accounts maintained, or opened at any time after the Issue Date, at any bank or financial institution other than (i) any payroll or fiduciary account or (ii) any account having no more than US\$500,000 (or the Dollar Equivalent thereof) of cash on deposit at any given time; provided that all accounts so excluded pursuant to this clause (ii) shall in aggregate have no more than US\$2,500,000 (or the Dollar Equivalent thereof) of cash on deposit at any given time. Any account pledged pursuant to the immediately preceding sentence shall constitute Security, the agreement documenting the pledge of such account shall constitute a Security Document, and the Issuer or such Guarantor giving such pledge shall become a Pledgor and accede to the Intercreditor Deed in such capacity as appropriate.

7.2 **Grant of Security**

For good and valuable consideration, receipt of which is acknowledged, as security for the Secured Obligations, the Pledgors have created in favour of the Security Trustee (for the benefit of the Bondholders) and/or the Bondholders the Security pursuant to the Security Documents and the Intercreditor Deed.

7.3 **Representation of the Bondholders in relation to Swiss security**

Any Security that is governed by Swiss law (a “Swiss Security”), including, without limitation, the share pledge in respect of the shares of Alvotech Swiss AG and any Intellectual Property Collateral governed by Swiss law, shall be subject to the following:

- (a) with respect to any Swiss Security constituted by non-accessory (*nicht akzessorische*) security interests, the Security Trustee shall hold, administer and, as the case may be, enforce or release such Swiss Security in its own name for the account of itself, the Trustee and the Bondholders as their indirect representative (*indirekter Stellvertreter*), subject to the terms and conditions of the relevant Security Document;

- (c) each Bondholder, by accepting the Bonds, hereby instructs and authorizes the Security Trustee (with the right of sub-delegation) to act as its agent (*Stellvertreter*) and in particular (without limitation) to enter into and amend any documents evidencing a Swiss Security and to make and accept all declarations and take all actions it considers necessary or useful in connection with any Swiss Security on behalf of such Bondholder (including, without limitation, the entering into, acceptance of declarations or taking of actions as representative of several parties (*Doppel-/Mehrfachvertretung*));

- (d) the Security Trustee shall be entitled to enforce or release any Swiss Security, to perform any rights and obligations under any documents evidencing a Swiss Security and to execute new and different documents evidencing or relating to a Swiss Security, subject to the terms and conditions of the relevant Security Document;

7.4 Enforcement of Security

Subject to the terms of the Intercreditor Deed and the relevant Security Documents, at any time after the Security has become enforceable under this Instrument or the relevant Security Documents, the Bondholders may (but shall not be obliged to), at their discretion and without further notice, solely by way of a written request by holders of at least 50.1 per cent. in principal amount of the Bonds and the Other Bonds then outstanding (the “**Instructing Bondholders**”), direct the Security Trustee to take such proceedings as the Bondholders may think fit against or in relation to any Pledgor (including, without limitation, by taking possession or disposing of or realising the Collateral in addition to, or in lieu of taking such other action as may be permitted against any Pledgor) to enforce the Security.

7.5 Security Trustee Taking Possession of Collateral

To enforce the Security, the Security Trustee may, subject to Condition 7.4 above, following the Security becoming enforceable, at the direction of the Instructing Bondholders, take possession of all or part of the Collateral over which the Security shall have become enforceable, sell, call in, collect and convert into money, all or part of the Collateral in such manner and on such terms as directed by the Instructing Bondholders or take any of the following actions if so directed by the Instructing Bondholders, subject to applicable law:

- (a) sell, exchange, license or otherwise dispose of or otherwise deal with the Collateral or any interest in the same, and to do so for shares, debentures or any other securities whatsoever, or in consideration of an agreement to pay all or part of the purchase price at a later date or dates, or an agreement to make periodical payments, whether or not the agreement is secured by an encumbrance or a guarantee, or for such other consideration (if any) and upon such terms whatsoever as the Security Trustee may think fit, and also to grant any option to purchase;
- (b) take possession of, get in and collect the Collateral;

- (c) manage and/or carry on and/or concur in managing the business and affairs of the Pledgor with respect to the Collateral or any part thereof as it thinks fit with power to appoint or dismiss managers, agents or employees;
- (d) repair, insure, protect and improve the Collateral or any part thereof;
- (e) settle, adjust, refer to arbitration, compromise or arrange all accounts, questions, disputes, claims and demands whatsoever in relation to the Collateral or any part thereof;
- (f) execute and do contracts, deeds, documents and things and bring, defend or abandon actions, suits and proceedings in relation to the Collateral or any part thereof in the name of any Pledgor;
- (g) exercise or permit any other person to exercise any powers or rights incident to the ownership of the Collateral or any part thereof;
- (h) discharge the Collateral or any part thereof from any charge securing the Secured Obligation or release any Pledgor from any obligation where the Security Trustee considers such release or discharge to be expedient and in the interests of the secured parties and on such terms and conditions as it thinks fit; and
- (i) generally to do anything in relation to the Collateral or any part thereof or any other property subject to the Security Documents as it could do if it were the absolute beneficial owner of the Collateral.

7.6 Pledgors' Waiver

Each Pledgor waives, to the extent permitted under applicable law, all rights it may otherwise have to require that the Security be enforced in any particular order or manner or at any particular time or that any sum received or recovered from any person, or by virtue of the enforcement of any of the Security or any security interest therein, which is capable of being applied in or towards discharge of any of the Secured Obligations is so applied.

7.7 Discharge

The Security Trustee's receipt for any moneys paid to it shall discharge the person paying them from such amounts so received and such person shall not be responsible for their application.

7.8 Ability to Borrow on Collateral

Following the Security becoming enforceable and subject to the provisions of the Security Documents:

- (a) the Security Trustee may raise and borrow money on the security of the Collateral or any part of it in order to defray moneys, costs, charges, losses and expenses paid or incurred by it in relation to this Instrument or any Security Document (including the costs of realising any security and the remuneration of the Security Trustee) or in exercise of any of its functions pursuant to this Instrument or any Security Document; and

- (b) the Security Trustee may raise and borrow such money on such terms as it shall think fit and may secure its repayment with interest by mortgaging or otherwise charging all or part of the Collateral whether or not in priority to the Security constituted by or pursuant to this Instrument and generally in such manner and form as the Security Trustee shall think fit, and for such purposes may take such action as it shall think fit.

7.9 **Attorney**

Each Pledgor, by way of security, irrevocably and severally appoints the Security Trustee and every receiver of any Collateral appointed pursuant to this Instrument to be severally acting as its attorney (with full power of substitution) on its behalf and in its name to take any action, whether before or for the purposes of enforcement of the Security, which that Pledgor is obliged to take under this Instrument and the Security Documents, and generally to exercise all or any of the functions of the Security Trustee or any such receiver; *provided* that (a) an Event of Default has occurred and a written notice has been served to the Issuer by the Instructing Bondholders and (b) the Pledgor has failed to take such action for 5 Business Days following notification by the Security Trustee (*provided further* that a copy of such notice is sent to the Issuer and the Pledgor is requested to comply).

Each Pledgor shall ratify and confirm, and agrees to hereby ratify and confirm, whatever any such attorney appointed in accordance with this Condition 7.9 shall do, or purport to do, in the exercise, or purported exercise, of such functions.

7.10 **Liability**

None of the Security Trustee, its nominee(s), any receiver or any appointee shall be liable by reason of (a) taking any action permitted by this Instrument or the Security Documents by the Security Trustee, such receiver or such appointee or (b) any neglect or default by the Security Trustee, such receiver or such appointee in connection with the Collateral or (c) the taking possession or realisation of all or any part of the Collateral, except in the case of gross negligence, wilful misconduct or fraud upon its part. The Security Trustee shall not be responsible for the creation, validity, value, sufficiency and enforceability (which the Security Trustee has not investigated) of the Collateral.

7.11 **Dealings with Security Trustee**

No Person dealing with the Security Trustee or any receiver of any of the Collateral appointed by the Security Trustee need enquire whether any of the powers, authorities and discretions conferred by or pursuant to this Instrument in relation to such property are or may be exercisable by the Security Trustee or such receiver or as to the propriety or regularity of acts purporting or intended to be in exercise of any such powers.

7.12 **Release of Security**

No release of Security shall be effective against the Security Trustee or the Bondholders until the Issuer has delivered to the Security Trustee an Officer's Certificate stating that all requirements relating to such release have been complied with and such release is authorised and permitted by the terms of the Security Documents.

Upon a disposal of any of the Collateral:

- (a) pursuant to the enforcement of the Security by a receiver or the Security Trustee; or
- (b) if that disposal or release is permitted under this Instrument or the Security Documents,

the Security Trustee shall release that property from the Security and is authorised to execute, without the need for any further authority from the Bondholders, any release of the Security or other claim over that asset.

7.13 Security Trustee

- (a) Madison Pacific Trust Limited shall initially act as Security Trustee and shall be authorised to appoint co-Security Trustees as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Deed, neither the Security Trustee nor any of its officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so, unless caused by its negligence, willful misconduct or breach of the Bond Documents, or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. Notwithstanding any provision to the contrary contained elsewhere in this Instrument, the Intercreditor Deed or the Security Documents, the duties of the Security Trustee shall be ministerial and administrative in nature, and the Security Trustee shall not have any duties or responsibilities, except those expressly set forth in this Instrument, in the Intercreditor Deed and in the Security Documents to which the Security Trustee is a party, nor shall the Security Trustee have or be deemed to have any trust or other fiduciary relationship with the Security Trustee, any Bondholder, the Issuer or any Guarantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Instrument, the Intercreditor Deed or the Security Documents or shall otherwise exist against the Security Trustee. The Security Trustee shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Security Trustee nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own willful misconduct or gross negligence (as determined by a final, non-appealable order of a court of competent jurisdiction).
- (b) The Security Trustee is authorised and directed to (i) enter into the Security Documents, (ii) enter into the Intercreditor Deed, (iii) bind the Bondholders on the terms as set forth in the Security Documents and the Intercreditor Deed and (iv) perform and observe its obligations under the Security Documents and the Intercreditor Deed.
- (c) The Security Trustee shall act pursuant to the instructions of the Bondholders with respect to the Security Documents and the Collateral. For the avoidance of doubt, the Security Trustee shall have no discretion under this Instrument, the Intercreditor Deed or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the requisite Bondholders. After the occurrence of an Event of Default, the Security Trustee may take any action required or permitted by this Instrument, the Security Documents or the Intercreditor Deed.

- (d) Upon the receipt by the Security Trustee of a written request of the Issuer signed by one Officer pursuant to this Condition 7.13(d) (a “**Security Document Order**”), the Security Trustee is hereby authorised to execute and enter into, and shall execute and enter into, without the further consent of any Bondholder, any Security Document to be executed after the Issue Date. Such Security Document Order shall (i) state that it is being delivered to the Security Trustee pursuant to, and is a Security Document Order referred to in, this Condition 7.13(d) and (ii) instruct the Security Trustee to execute and enter into such Security Document. Any such execution of a Security Document shall be at the direction and expense of the Issuer, upon delivery to the Security Trustee of an Officer’s Certificate and an Opinion of Counsel stating that all conditions precedent to the execution and delivery of such Security Document have been satisfied. The Bondholders, by their acceptance of the Bonds, hereby authorise and direct the Security Trustee to execute such Security Documents.
- (e) The Security Trustee shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless the Security Trustee shall have received written notice from a Bondholder or the Issuer referring to this Instrument, describing such Default or Event of Default and stating that such notice is a “notice of default”. The Security Trustee shall take such action with respect to such Default or Event of Default as may be requested by the Instructing Bondholders subject to this Condition 7.13.
- (f) No provision of this Instrument or any Security Document shall require the Security Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Bondholders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it. Notwithstanding anything to the contrary contained in this Instrument, the Intercreditor Deed or the Security Documents, in the event the Security Trustee is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Security Trustee shall not be required to commence any such action, exercise any remedy, inspect or conduct any studies of any property or take any such other action if the Security Trustee has determined that the Security Trustee may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property of any hazardous substances unless the Security Trustee has received security or indemnity from the Bondholders in an amount and in a form all satisfactory to the Security Trustee in its sole discretion, protecting the Security Trustee from all such liability. The Security Trustee shall at any time be entitled to cease taking any action described in this Condition 7.13(f) if it no longer reasonably deems any indemnity, security or undertaking from the Issuer or the Bondholders to be sufficient.
- (g) The Security Trustee shall not be responsible in any manner to any Bondholder for the validity, effectiveness, genuineness, enforceability or sufficiency of this Instrument, the Security Documents or the Intercreditor Deed or for any failure of the Issuer, any Guarantor or any other party to this Instrument, the Security Documents or the Intercreditor Deed to perform its obligations hereunder or thereunder (other than by reason of its gross negligence or willful misconduct). The Security Trustee shall not be under any obligation to the Security Trustee or any Bondholder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Instrument, the Security Documents or the Intercreditor Deed or to inspect the properties, books or records of the Issuer or the Guarantors.

- (h) The parties hereto and the Bondholders hereby agree and acknowledge that the Security Trustee shall not assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Instrument, the Intercreditor Deed, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Bondholders hereby agree and acknowledge that, in the exercise of its rights under this Instrument, the Intercreditor Deed and the Security Documents, the Security Trustee may hold or obtain indicia of ownership primarily to protect the security interest of the Security Trustee in the Collateral and that any such actions taken by the Security Trustee shall not be construed as or otherwise constitute any participation in the management of such Collateral.
- (i) The Security Trustee shall be entitled to the compensation to be agreed upon in writing with the Issuer and the Guarantors for all services rendered by it under this Instrument, and the Issuer and the Guarantors, jointly and severally, agree to pay such compensation and to reimburse the Security Trustee for its out-of-pocket expenses (including fees and expenses of counsel) properly incurred by it in connection with the services rendered by it under this Instrument, which sums shall be paid free and clear of deduction and withholding on account of taxation, set-off and counterclaim. The Issuer and the Guarantors jointly and severally agree to indemnify the Security Trustee and its officers, directors, agents and employees and any successors thereto for, and to hold it or them harmless against, any loss, action, proceeding, claim, penalty, damages, liability or properly incurred expenses (including fees and expenses of counsel) incurred other than by reason of its or their gross negligence, willful misconduct or fraud arising out of or in connection with its or their acting as the Security Trustee under this Instrument. Under no circumstance will the Security Trustee be liable to any party for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (*inter alia*, being loss of business, goodwill, opportunity or profit), whether or not foreseeable, even if the Security Trustee has been advised of such loss or damage and regardless of the form of action. The obligations of the Issuer and the Guarantors under this Condition 7.13(i) shall survive the payment of the Bonds, the termination or expiry of this Instrument and the resignation or removal of the Security Trustee.
- (j) The Security Trustee shall be fully protected and shall incur no liability for or in respect of any action taken or omitted to be taken or thing suffered by it in reliance upon any Bond, notice, direction, consent, certificate, affidavit, statement or other paper or document reasonably believed by it to be genuine and to have been delivered, or in the case of any paper or document, signed by or on behalf of the proper party or parties. The Security Trustee shall be entitled to refrain from taking any actions, without liability, if conflicting, unclear or equivocal instruction or direction are received or in order to comply with applicable law.

7.14 Confidential Information

- (a) The Security Trustee, in its individual capacity and as Security Trustee, agrees and acknowledges that all information (“**Confidential Information**”) provided to the Security Trustee by or on behalf of the Issuer, any Subsidiary (or any direct or indirect equityholder of the Issuer or such Subsidiary), any Guarantor (or any direct or indirect equityholder of such Guarantor), any Pledgor (or any direct or indirect equityholder of such Pledgor) or any Bondholder (or holder of a beneficial interest in the Bonds) may be considered to be proprietary and confidential information. The Security Trustee agrees to take reasonable precautions to keep Confidential Information confidential, which precautions shall be no less stringent than those that the Security Trustee employs to protect its own confidential information. The Security Trustee shall not disclose to any third party other than as set forth herein, and shall not use for any purpose other than the exercise of the Security Trustee’s rights and the performance of its obligations under this Instrument, any Confidential Information without the prior written consent of the Issuer or such Bondholder (or such holder of a beneficial interest in the Bonds), as applicable. - (b) The Security Trustee agrees that the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, does not have any responsibility whatsoever for any reliance on Confidential Information by the Security Trustee or by any Person to whom such information is disclosed in connection with this Instrument, whether related to the purposes described above or otherwise. Without limiting the generality of the foregoing, the Security Trustee agrees that the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, makes no representation or warranty whatsoever to it with respect to Confidential Information or its suitability for such purposes. The Security Trustee further agrees that it shall not acquire any rights against the Issuer, any of its Subsidiaries, any Guarantor, any Pledgor or any employee, officer, director, manager, representative or agent of the Issuer, any of its Subsidiaries, any Guarantor, any Pledgor or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable (together with the Issuer, “**Confidential Parties**”) as a result of the disclosure of Confidential Information to the Security Trustee and that no Confidential Party has any duty, responsibility, liability or obligation to any Person as a result of any such disclosure.
- (c) In the event the Security Trustee is required to disclose any Confidential Information received hereunder in order to comply with any laws, regulations or court orders, it may disclose such information only to the extent necessary for such compliance; *provided, however*, that it shall give the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, reasonable advance written notice of any court proceeding in which such disclosure may be required pursuant to a court order so as to afford the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, full and fair opportunity to oppose the issuance of such order and to appeal therefrom and shall cooperate reasonably with the Issuer or any Bondholder (or any holder of a beneficial interest in the Bonds), as applicable, in opposing such court order and in securing confidential treatment of any such information to be disclosed and/or obtaining a protective order narrowing the scope of such disclosure.

(d) Each of the Registrar and the Paying Agent agrees to be bound by this Condition 7.14.

Such consolidated financial statements shall be accompanied by a certification of a Financial Officer (with reasonable details) that the conditions in Condition 9.13 have been complied with for that fiscal quarter (the "**Liquidity Account Reporting Requirement**"). Notwithstanding the foregoing, if the Issuer or any of its Subsidiaries have made an acquisition, the financial statements with respect to an acquired entity need not be included in the consolidated quarterly financial statements required to be delivered pursuant to this Condition 9.1(b) until the first date upon which such quarterly financial statements are required to be so delivered that is at least 90 days after the date such acquisition is consummated.

- (i) Unless the information required to be delivered under this Condition 9.1 is made available for free on the Stock Exchange's or if applicable, the Alternative Stock Exchange's website or if applicable, other designated filing systems, the Issuer shall make such information available to the Bondholders (and holders of beneficial interests in the Bond), who shall have executed and delivered to the Issuer or another member of the Group, as the case may be a confidentiality agreement in connection with the transactions contemplated by this Instrument, by, at the Issuer's sole discretion, either (A) delivering such information directly to the Bondholders at such electronic mail addresses as the relevant Bondholders have provided to the Issuer at the Issuer's request, or (B) posting such information on IntraLinks or another similar electronic system. In the case of clause (B) above, the Issuer shall administer and maintain IntraLinks or such other similar electronic system for the Bondholders (and holders of beneficial interests in the Bonds) and maintain all such information posted on IntraLinks or such other similar electronic system for as long as the Bonds are outstanding. Such delivery of information by the Issuer or access by a Bondholder (or holder of beneficial interests in the Bonds) to IntraLinks or such other similar electronic system shall be subject to the condition that such Bondholder (or such holder of beneficial interests in the Bonds) shall have executed and delivered to the Issuer or another member of the Group, as the case may be, a confidentiality agreement in connection with the transactions contemplated by this Instrument on terms customary for transactions of this nature.

9.2 **Provision of public information**

- (a) Notwithstanding anything else contained in the Bond Documents:

- (i) if any document, information or notification (including without limitation any information regarding any material adverse change or prospective material adverse change in the condition of, or any actual, pending or threatened litigation, arbitration or similar proceeding involving, the Issuer and/or the Group) which any Issuer or Guarantor is required to provide or deliver under this agreement or any other provisions in a Bond Document may be regarded as (or is or is likely to constitute or contain) Material Non-Public Information (each a “**Communication**”), the Issuer shall first notify the relevant Bondholder, Registrar, Security Trustee, Paying Agent or Calculation Agent (each a “**Finance Party**”) in writing that such a Communication which that Issuer or Guarantor is required to deliver contains (or is or is likely to constitute or contain) Material Non-Public Information. Any Finance Party shall have the right to inform the Issuer whether it wishes to receive such Communication and instruct the Issuer to whom such Communication shall be delivered;
- (ii) if a Finance Party has refused to receive such Material Non-Public Information, the Issuer and/or the Issuer or Guarantor shall be obliged to deliver the Communication only to the extent that it does not contain Material Non-Public Information;

- (x) other Restricted Payments that are made with Excluded Contributions;

- (xi) other Restricted Payments in an aggregate amount not to exceed the greater of US\$10,000,000 (or the Dollar Equivalent thereof) and 2.5 per cent. of Total Assets, in each case at the time made;
- (xii) the distribution, as a dividend or otherwise, of (i) shares of Capital Stock of, or (ii) Indebtedness owed to the Issuer or a Restricted Subsidiary of the Issuer by, Unrestricted Subsidiaries (other than Unrestricted Subsidiaries the primary assets of which are Cash Equivalents);
- (xiii) the payment of reasonable dividends or other distributions to any direct or indirect parent of the Issuer in amounts required for such parent to pay any taxes imposed directly on such parent to the extent such taxes are directly attributable to the income of the Issuer and its Restricted Subsidiaries (including by virtue of such parent being the common parent of a consolidated or combined tax group of which the Issuer and/or its Restricted Subsidiaries are members);
- (xiv) Restricted Payments:
 - (A) in reasonable amounts required for any direct or indirect parent of the Issuer, if applicable, to pay fees and expenses (including franchise or similar taxes) required to maintain its corporate existence, customary salary, bonus and other benefits payable to, and indemnities provided on behalf of, officers and employees of any direct or indirect parent of the Issuer, if applicable, and general corporate overhead expenses of any direct or indirect parent of the Issuer, if applicable, in each case to the extent such fees and expenses are directly attributable to the ownership or operation of the Issuer, if applicable, and its Subsidiaries; and
 - (B) in amounts required for any direct or indirect parent of the Issuer, if applicable, to pay interest and/or principal on Indebtedness the proceeds of which have been contributed to the Issuer or any of its Restricted Subsidiaries and that has been guaranteed by, or is otherwise considered Indebtedness of, the Issuer Incurred in accordance with Condition 9.4 on an arm's length basis;
- (xv) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants if such Equity Interests represent a portion of the exercise price of such options or warrants;
- (xvi) purchases of receivables pursuant to a Receivables Repurchase Obligation in connection with a Qualified Receivables Financing and the payment or distribution of Receivables Fees;
- (xvii) Restricted Payments by the Issuer or any Restricted Subsidiary to allow the payment of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of Capital Stock of any such Person; *provided, however,* that any such payment, loan, advance, dividend or distribution shall not be for the purpose of evading any limitation of this Condition 9.5 or otherwise to facilitate any dividend or other return of capital to the holders of such Capital Stock (as determined in good faith by the Board); and

(xviii) the repayment, redemption, repurchase, defeasance or otherwise acquisition or retirement for value of any Subordinated Indebtedness (x) the consideration for which is payable solely in the Equity Interests of the Issuer (other than Disqualified Stock) or any direct or indirect parent of the Issuer, as applicable; *provided, however*, that such Equity Interests will not increase the amount available for Restricted Payments under clause (3) of the definition of “Cumulative Credit,” or (y) pursuant to the provisions similar to those described under Conditions 9.7 and 13.4; *provided* that in the case of sub-clause (y) all Bonds tendered by the Bondholders pursuant to the Change of Control Put Right or in connection with an Asset Sale Offer, as applicable, have been repurchased, redeemed or acquired for value;

provided that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (vi), (vii), (viii), (xi), (xii) and (xviii)(y) of this Condition 9.5(b), no Default shall have occurred and be continuing or would occur as a consequence thereof.

- (c) For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated shall be deemed to be Restricted Payments in an amount determined as set forth in the last sentence of the definition of “Investments.” Such designation shall only be permitted if a Restricted Payment or Permitted Investment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.
- (d) For purposes of determining compliance with this Condition 9.5, in the event that a Restricted Payment (or any portion thereof) meets the criteria of more than one of the categories described in Condition 9.5(b) or is entitled to be made pursuant to Condition 9.5(a), the Issuer may, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such Restricted Payment (or any portion thereof) in any manner that complies with this Condition 9.5.

9.6 Dividend and Other Payment Restrictions Affecting Subsidiaries.

- (a) So long as the Bonds are outstanding, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:
 - (i) (A) declare or pay any dividends, charge, fee or other distribution or make any other distributions (or interest on any unpaid dividend, charge, fee or other distribution) (whether in cash or in kind) to the Issuer or any of its Restricted Subsidiaries (1) on its Capital Stock or (2) with respect to any other interest or participation in, or measured by, its profits or (B) pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;

- (iii) redeem, repurchase, defease, retire or repay any of its share capital or resolve to do so;
- (iv) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or
- (v) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries,

except in each case for such encumbrances or restrictions existing under or by reason of:

- (1) contractual encumbrances or restrictions in effect on the Issue Date;
- (2) this Instrument, the Guarantees, the Bonds or the Security Documents;
- (3) applicable law or any applicable rule, regulation or order;
- (4) any agreement or other instrument relating to Indebtedness of a Person acquired by the Issuer or any Restricted Subsidiary that was in existence at the time of such acquisition (but not created in contemplation thereof or to provide all or any portion of the funds or credit support utilized to consummate such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;
- (5) contracts or agreements for the sale of assets, including any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition;
- (6) Secured Indebtedness otherwise permitted to be Incurred pursuant to Conditions 9.4 and 9.9;
- (7) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (8) customary provisions in joint venture agreements, collaboration agreements, licenses of Proprietary Rights and other similar agreements entered into in the ordinary course of business and on an arm's length basis;
- (9) purchase money obligations for property acquired and Capitalised Lease Obligations in the ordinary course of business;
- (10) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business;
- (11) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing; *provided* that such restrictions apply only to such Receivables Subsidiary;

- (12) other Indebtedness, Disqualified Stock or Preferred Stock (A) of the Issuer or any Restricted Subsidiary of the Issuer that is a Guarantor, (B) of the PRC Joint Venture permitted to be Incurred under Condition 9.4(b)(xxix) or (C) of any Restricted Subsidiary (other than the PRC Joint Venture) that is not a Guarantor so long as such encumbrances and restrictions contained in any agreement or instrument will not materially affect the Issuer's ability to make anticipated principal or coupon payments on the Bonds (as determined in good faith by the Issuer); *provided* that in the case of each of clauses (A) and (C), such Indebtedness, Disqualified Stock or Preferred Stock is permitted to be Incurred subsequent to the Issue Date under Condition 9.4;
 - (13) any Restricted Investment not prohibited by Condition 9.5 and any Permitted Investment; or
 - (14) any encumbrances or restrictions of the type referred to in clauses (i), (ii) and (iii) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.
- (b) For purposes of determining compliance with this Condition 9.6, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on other Capital Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary of the Issuer to other Indebtedness Incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

9.7 Asset Sales.

- (a) So long as the Bonds are outstanding, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale, unless (x) the Issuer or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of, and (y) at least 75 per cent. of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:
 - (i) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto) of the Issuer or any Restricted Subsidiary of the Issuer (other than liabilities that are by their terms subordinated to the Bonds or any Guarantee) that are assumed by the transferee of any such assets or that are otherwise cancelled or terminated in connection with the transaction with such transferee,

- (ii) any notes or other obligations or other securities or assets received by the Issuer or such Restricted Subsidiary of the Issuer from such transferee that are converted by the Issuer or such Restricted Subsidiary of the Issuer into cash within 180 days of the receipt thereof (to the extent of the cash received), and
 - (iii) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value (as determined in good faith by the Issuer), taken together with all other Designated Non-cash Consideration received pursuant to this clause (iii) that is at that time outstanding, not to exceed the greater of US\$30,000,000 (or the Dollar Equivalent thereof) and 7.5 per cent. of Total Assets at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value) shall be deemed to be Cash Equivalents for the purposes of this Condition 9.7(a).
- (b) Within 180 days after the Issuer's or any Restricted Subsidiary of the Issuer's receipt of the Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary of the Issuer may apply the Net Proceeds from such Asset Sale, at its option:
- (i) to repay (x) Indebtedness of a Restricted Subsidiary that is not a Guarantor or (y) Pari Passu Indebtedness; or
 - (ii) to make an Investment in any one or more businesses (*provided* that if such Investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary of the Issuer or, if such Person is a Restricted Subsidiary of the Issuer, in an increase in the percentage ownership of such Person by the Issuer or any Restricted Subsidiary of the Issuer), assets, or property or capital expenditures, in each case (A) used or useful in a Similar Business or (B) that replace the properties and assets that are the subject of such Asset Sale.

In the case of Condition 9.7(b)(ii), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the earlier of (x) the date on which such Investment is consummated and (y) the 180th day following the expiration of the aforementioned 180-day period, if such Investment has not been consummated by that date. Pending the final application of any such Net Proceeds, the Issuer or such Restricted Subsidiary of the Issuer may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Proceeds in any manner not prohibited by this Instrument.

Any Net Proceeds from any Asset Sale that are not applied as provided and within the time period set forth in clause (a) or (b) of this Condition 9.7 will be deemed to constitute "**Excess Proceeds**". On the 181st day (or the 361st day if a binding commitment as described in the immediately preceding paragraph has been entered into) after an Asset Disposition, or at such earlier date that the Issuer elects, if the aggregate amount of Excess Proceeds exceeds US\$20,000,000 (or the Dollar Equivalent thereof) (an "**Excess Proceeds Threshold**"), the Issuer shall make an offer to all Bondholders (and, at the option of the Issuer, to holders of any Pari Passu

Indebtedness) (an “**Asset Sale Offer**”) to purchase the maximum principal amount of Bonds (and such Pari Passu Indebtedness) that is at least US\$1,000 and an integral multiple of US\$1,000 that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to the Redemption Amount plus the Applicable Premium (if any) (or, in respect of such Pari Passu Indebtedness, such price as may be provided for by the terms of such Pari Passu Indebtedness), to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Condition 9.7. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within 10 Business Days after the date that Excess Proceeds exceed the applicable Excess Proceeds Threshold by providing the written notice required pursuant to Condition 9.7(f). To the extent that the aggregate amount of Bonds (and such Pari Passu Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for any purpose that is not prohibited by this Instrument. If the aggregate principal amount of Bonds (and such Pari Passu Indebtedness) surrendered by Bondholders thereof exceeds the amount of Excess Proceeds, the Bondholders shall select the Bonds to be purchased in the manner described in Condition 9.7(e). Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

- (c) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Bonds pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Instrument, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Instrument by virtue thereof.
- (d) The Asset Sale Offer, in so far as it relates to the Bonds, will remain open for a period not less than 10 Business Days following its commencement (the “**Offer Period**”). No later than five Business Days following the termination of the Offer Period, the Issuer shall cancel the Bonds or portions thereof that have been properly tendered to and are to be accepted by the Issuer, and shall, on the date of purchase, mail or deliver payment to each tendering Bondholder in the amount of the purchase price as determined by the Issuer.
- (e) Bondholders electing to have a Bond purchased shall be required to surrender the Bond, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. Bondholders shall be entitled to withdraw their election if the Issuer receives not later than one Business Day prior to the purchase date a telegram, telex, facsimile transmission or letter setting forth the name of the Bondholder, the principal amount of the Bond that was delivered by the Bondholder for purchase and a statement that such Bondholder is withdrawing such Bondholder’s election to have such Bond purchased. If at the end of the Offer Period more Bonds (and such Pari Passu Indebtedness, as applicable) are tendered pursuant to an Asset Sale Offer than the Issuer is required to purchase, the Issuer will select the Bonds to be redeemed on a pro rata basis, by lot or by such other method as the Issuer shall deem fair and appropriate (and in such manner as complies with applicable legal requirements); *provided* that no Bonds of US\$1,000 or less shall be purchased in part. Selection of such Pari Passu Indebtedness, as applicable, shall be made pursuant to the terms of such Pari Passu Indebtedness; *provided* that any purchase by the Issuer of Pari Passu Indebtedness and Bonds tendered pursuant to an Asset Sale Offer shall otherwise be made on a pro rata basis, as nearly as practicable.

- (f) Written notices of an Asset Sale Offer shall be provided at least 30 but not more than 60 days before the purchase date to each Bondholder at such Bondholder's registered address. If any Bond is to be purchased in part only, any notice of purchase that relates to such Bond shall state the portion of the principal amount thereof that has been or is to be purchased. Bondholders whose Bonds are purchased only in part shall be issued new Bonds equal in principal amount to the unpurchased portion of the Bonds surrendered.
- (g) Notwithstanding anything to the contrary in this Instrument, so long as the Bonds are outstanding, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, sell, transfer, lease or otherwise dispose of (whether in a single transaction or a series of related transactions) of any Equity Interests in the PRC Joint Venture held by the Issuer or such Restricted Subsidiary to any Person other than the Issuer or a Restricted Subsidiary, including any disposition by means of a merger, consolidation or similar transaction.

9.8 Transactions with Affiliates.

- (a) So long as the Bonds are outstanding, the Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "**Affiliate Transaction**") involving aggregate consideration in excess of US\$2,500,000 (or the Dollar Equivalent thereof), unless:
 - (i) such Affiliate Transaction is on terms that are not materially less favourable to the Issuer or the relevant Restricted Subsidiary than those that could have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person;
 - (ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$2,500,000 (or the Dollar Equivalent thereof), the Issuer delivers to the Bondholders a resolution adopted in good faith by the majority of the Board, approving such Affiliate Transaction and set forth in an Officer's certificate certifying that such Affiliate Transaction complies with clause (i) above; and
 - (iii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US\$10,000,000 (or the Dollar Equivalent thereof), the Issuer shall notify the Bondholders of such proposed transaction and upon written request by any Bondholder:
 - (A) the Issuer delivers to the Bondholders, in addition to the resolution of the Board referred to in clause (ii) above, an opinion of a reputable accounting, appraisal or investment banking firm of national or

international standing, or other recognised independent expert of national or international standing with experience appraising the terms and conditions of the type of transaction or series of related transactions for which an opinion is required, stating that the Affiliate Transaction or series of related Affiliate Transactions is (1) fair to the Issuer or such Restricted Subsidiary from a financial point of view taking into account all relevant circumstances or (2) on terms not materially less favourable than might have been obtained in a comparable transaction at such time on an arm's length basis from a Person who is not an Affiliate; and

- (B) for purposes of the opinion referred to in the immediately preceding paragraph, the Issuer shall present to the Bondholders at least four reputable accounting, appraisal or investment banking firms of national or international standing and/or other recognised independent experts of national or international standing with experience appraising the terms and conditions of the type of transaction or series of related transactions, at least two of which shall be of international standing, and one such firm or expert shall be selected for the purpose of delivering such opinion by the holders of at least 50.1 per cent. in aggregate principal amount of the Bonds or by Special Resolution within 10 Business Days following receipt of the request from the Issuer; *provided* that if no firm or expert is selected, the Issuer shall be entitled to make such selection.

(b) The provisions of Condition 9.8(a) shall not apply to the following:

- (i) transactions between or among the Issuer and/or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction), including any payment to, or sale, lease, transfer or other disposition of any properties or assets to, or purchase of any property or assets from, or any contract, agreement, amendment, understanding, loan, advance or guarantee with, or for the benefit of, the Issuer or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction);
- (ii) Restricted Payments permitted by Condition 9.5 and Permitted Investments (without giving effect to clause (13) of the definition of "Permitted Investments");
- (iii) the payment of reasonable and customary compensation, benefits, fees and reimbursement of expenses paid to, and indemnity, contribution and insurance provided on behalf of, officers, directors, employees or consultants of the Issuer or any Restricted Subsidiary or any direct or indirect parent of the Issuer;
- (iv) payments or loans (or cancellation of loans) to officers, directors, employees or consultants that are approved by a majority of the disinterested members of the Board in good faith;

- (v) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous to the Bondholders in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby as determined in good faith by the Issuer;
- (vi) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders or equityholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any amendment thereto or similar transactions, agreements or arrangements that it may enter into thereafter; *provided* that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under, any future amendment to any such existing transaction, agreement or arrangement or under any similar transaction, agreement or arrangement entered into after the Issue Date shall only be permitted by this clause (vi) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise more disadvantageous to the Bondholders in any material respect than the original transaction, agreement or arrangement as in effect on the Issue Date;
- (vii) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Instrument, which are fair to the Issuer and its Restricted Subsidiaries in the reasonable determination of the Board or the senior management of the Issuer, or are on terms at least as favourable as might reasonably have been obtained at such time from an unaffiliated party;
- (viii) any transaction effected as part of a Qualified Receivables Financing;
- (ix) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Person;
- (x) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee or director benefit plans approved by the Board or any direct or indirect parent of the Issuer or of a Restricted Subsidiary of the Issuer, as appropriate, in good faith;
- (xi) the entering into of any tax sharing agreement or arrangement and any payments permitted by Condition 9.5(b)(xiii);
- (xii) any contribution to the capital (including the capital reserves) of the Issuer;
- (xiii) transactions permitted by, and complying with, Condition 9.11;

- (xiv) transactions between the Issuer or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Issuer or any direct or indirect parent of the Issuer; *provided, however*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent, as the case may be, on any matter involving such other Person;
- (xv) any employment agreements entered into by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business;
- (xvi) intercompany transactions undertaken in good faith (as certified by the Issuer in an Officer's certificate) for the purpose of improving the consolidated tax efficiency of the Issuer and its Subsidiaries and not for the purpose of circumventing compliance with any covenant set forth in this Instrument;
- (xvii) the formation and maintenance of any consolidated group or subgroup for tax, accounting or cash pooling or management purposes in the ordinary course of business;
- (xviii) transactions with Affiliates of the Issuer relating to the purchase by the Issuer or any Guarantor of Proprietary Rights (and any other rights to produce or sell products) where the purchase price therefor is not more than the lower of (A) the Development Cost therefor incurred by the Affiliate from whom the Issuer or such Guarantor makes such purchase multiplied by 1.5 and (B) the Fair Market Value of such Proprietary Rights calculated in connection with such purchase based on a discounted cash flow methodology as determined in good faith by a responsible financial or accounting officer of the Issuer; *provided* that if such Fair Market Value as determined by such officer is over US\$10,000,000 (or the Dollar Equivalent thereof) (and such Fair Market Value determination is less than the Development Cost), the calculation of Fair Market Value instead shall be as determined by an Independent Financial Advisor retained by the Issuer based on a discounted cash flow methodology; and
- (xix) the Incurrence of Indebtedness permitted pursuant to Condition 9.4(b)(xxiii) or 9.4(b)(xxiv).

9.9 Liens.

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, Incur, assume or permit to exist any Lien on the Collateral (other than Permitted Liens).

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, Incur, assume or permit to exist any Lien of any nature whatsoever on any of its assets or properties of any kind, whether owned at the Issue Date or thereafter acquired (other than the Collateral), except Permitted Liens, unless the Bonds are secured (a) equally and ratably with (or, if the obligation or liability to be secured by such Lien is subordinated in right of payment to the Bonds, prior to) the obligation or liability secured by such Lien, for so long as such obligation or liability is secured by such Lien or (b) by other assets or properties approved by a Special Resolution.

For purposes of determining compliance with this Condition 9.9, in the event that a Lien securing an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the categories of Liens described in the foregoing paragraph or in clauses (1) through (32) of the definition of “Permitted Liens”, then the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such Lien securing an item of Indebtedness (or any portion thereof) in any manner that complies with this Condition 9.9.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “**Increased Amount**” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the payment of interest or dividends in the form of additional Indebtedness, amortisation of original issue discount and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, in each case in respect of such Indebtedness.

To the extent applicable, the Liens on the Intellectual Property Collateral shall be subordinated to any Lien on such Collateral that is permitted by clause (18) of the definition of “Permitted Liens” (other than such Permitted Liens in favour of the Issuer or any Restricted Subsidiary) and, upon request from the Issuer (which shall be accompanied by an Officer’s Certificate), the Security Trustee shall take such action as is requested by the Issuer to reflect such subordination (including the entry into non-disturbance and similar agreements) in connection with the licensing of Proprietary Rights and any other transactions permitted by such clause (18), such as confirming in writing to any actual or potential licensee and/or counterparty that (a) the Security Trustee shall not, by enforcing its Liens, or otherwise, disturb or otherwise affect the prior Lien of such licensee and/or counterparty or any other rights of the licensee and/or counterparty under the relevant agreements, (b) so long as such licensee and/or counterparty is not in breach of or default under its agreements with the Issuer and/or its Subsidiaries, neither the Security Trustee nor any successor thereto shall assert any rights of the Issuer and/or any Subsidiary to terminate any rights or benefits of the licensee and/or counterparty pursuant to the terms of such agreements, and (iii) upon entry by the Issuer and/or any Subsidiary into any non-exclusive license agreement with respect to such Proprietary Rights with the party licensing such Proprietary Rights, such non-exclusive licensee shall take its license rights under such license agreement free of the Liens on the Collateral.

9.10 **Line of Business.**

The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, engage in any line of business other than those businesses engaged in on the Issue Date and businesses reasonably related thereto.

9.11 **Consolidation, Merger and Sale of Assets.**

- (a) The Issuer shall not, directly or indirectly, consolidate, amalgamate or merge with or into or wind up or convert into (whether or not the Issuer is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets in one or a series of related transactions to, any Person, other than:
 - (i) as part of or for the purpose of consummating a SPAC Listing, including any transaction described in paragraph (ii)(A) below (but in each case provided that all conditions in the definition of SPAC Listing have been complied with); and

- (ii) any other transaction where:
- (A) the Issuer is the surviving Person or the Person formed by or surviving any such consolidation, amalgamation, merger, winding up or conversion (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a legal entity organised or existing under the laws of Luxembourg or any state or territory of thereof (the Issuer or such Person, as the case may be, being herein called the “**Successor Company**”); and (y) the Successor Company (if other than the Issuer) expressly assumes all the obligations of the Issuer under this Instrument, the Bonds and the Security Documents to which it is a party pursuant to documents or instruments in form reasonably satisfactory to the Bondholders;
 - (B) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), no Default shall have occurred and be continuing;
 - (C) immediately after giving *pro forma* effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period (and treating any Indebtedness that becomes an obligation of the Successor Company or any of its Restricted Subsidiaries as a result of such transaction as having been Incurred by the Successor Company or such Restricted Subsidiary at the time of such transaction), either:
 - (1) the Successor Company would be permitted to Incur at least US\$1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in Condition 9.4(a); or
 - (2) the Consolidated Leverage Ratio for the Successor Company and its Restricted Subsidiaries would be less than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;
 - (D) each Guarantor, unless it is the other party to the transactions described above, shall have by accession letters confirmed that its Guarantee shall apply to such Person’s obligations under this Instrument, the Guarantee (if not then terminated pursuant to its terms) and the Bonds; and

- (a) All payments, whether of principal, premium or otherwise, made by or on behalf of the Issuer or the Guarantors (including, in each case, any successor entity), as the case may be, under or with respect to this Instrument or the Guarantees, as the case may be, shall be made free and clear of and without withholding or deduction for, or on account of, any present or future tax, fee, duty, levy, tariff, impost, assessment or other governmental charge (including penalties, coupon and other liabilities related thereto) (collectively, “**Taxes**”) (such withholding or deduction for, or on account of, Taxes being referred to as a “**Tax Deduction**”) unless the Tax Deduction is then required by law. The Issuer or a Guarantor, as the case may be, shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction), with respect to the Bondholders, notify such Bondholders accordingly. If a Tax Deduction will at any time be required to be made from any payments made by or on behalf of the Issuer or the Guarantor, as the case may be, under or with respect to this Instrument or the Guarantee, as the case may be, including payments of principal, redemption price, coupon, additional amounts or premium, if any, the Issuer or the Guarantor, as the case may be, shall pay such additional amounts (the “**Additional Amounts**”) as may be necessary in order that the net amounts received in respect of such payments by the holders of a Bond, or beneficial owner of the Bonds, in respect of such payments, after such withholding or deduction (including any such withholding or deduction from such Additional Amounts) will not be less than the amounts that would have been received by each Bondholder in respect of such payments under or with respect to this Instrument or the Guarantee in the absence of such Tax Deduction; *provided, however*, that no Additional Amounts will be payable with respect to:
- (i) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Bond for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder of that Bond (except to the extent that the holder of the Bond would have been entitled to Additional Amounts had the Bond been presented on the last day of such 30-day period);
 - (ii) any FATCA Deduction; or
 - (iii) any combination of the above clauses (i) to (ii).
- (b) Subject to the provisions of the Guarantees, the Issuer or the Guarantors, as the case may be, shall pay and indemnify the Bondholders or the beneficial owner of the Bonds for any present or future stamp, issue, registration, transfer, court or documentary taxes, or any other excise or property taxes, charges or similar levies (including any penalties, coupon and other liabilities related thereto) that are payable in, or levied by any jurisdiction on the execution, delivery, transfer or registration of this Instrument, the Guarantees or the Bonds or the receipt of any payments with respect to, or enforcement of, this Instrument, the Guarantees or the Bonds (such sum being recoverable from the Issuer or the Guarantors, as the case may be, as a liquidated sum payable as a debt).
- (c) If the Issuer or the Guarantors, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to any Bond, this Instrument or the Guarantees, the Issuer or the Guarantors, as the case may be, shall deliver to the Bondholder on a date that is at least 30 days prior to the

date of that payment (unless the obligation to pay Additional Amounts arises less than 45 days prior to that payment date, in which case the Issuer or the Guarantors, as the case may be, shall notify the Bondholder as promptly as practicable after the date that is 30 days prior to the payment date) notice signed by a director of the Issuer stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. Such notice must also set forth any other information reasonably necessary to enable the Paying Agents, upon timely receipt of funds, to pay Additional Amounts to Bondholders on the relevant payment date. The Bondholder shall not have any obligation to determine whether any Additional Amounts are payable or the amount of such Additional Amounts.

- (d) The Issuer or the Guarantors, as the case may be, shall make all Tax Deductions (within the time period and in the minimum amount) required by law and shall remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the Guarantors, as the case may be, shall, whether or not Additional Amounts are payable, use its or their reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the Guarantors, as the case may be, shall furnish to the Bondholders, and to a beneficial owner of Bonds upon request, within a reasonable time after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or the Guarantors, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence (reasonably satisfactory to the Bondholders) of payments by such entity.
- (e) Wherever in this Instrument or the Guarantees there is mentioned, in any context:
 - (i) the payment of principal;
 - (ii) purchase prices in connection with a purchase of Bonds;
 - (iii) coupon; or
 - (iv) any other amount payable on or with respect to any of the Bonds or any Guarantee,such reference shall be deemed to include payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.
- (f) The obligations described under this Condition 14 shall survive any termination, defeasance or discharge of this Instrument or the Guarantees and shall apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer or a Guarantor is incorporated, or resident or doing business for tax purposes or any jurisdiction from or through which such Person makes any payment on the Bonds or the Guarantees and any department or political subdivision thereof or therein.
- (g) The Issuer will:
 - (i) pay all stamp duty, registration, documentary, transfer and other similar Taxes payable in respect of any Bond Document; and

- (i) within five Business Days of demand of the Security Trustee or a Bondholder, indemnify the Security Trustee or such Bondholder from and against any cost, loss or liability the Security Trustee or that Bondholder incurs in any jurisdiction in relation to any stamp duty, registration, documentary, transfer or other similar Tax paid or payable in respect of any Bond Document. None of the Security Trustee, the Registrar or the Paying Agent shall be liable or responsible to pay any such taxes or duties in any jurisdiction and none of them shall be under any obligation to determine whether the Issuer, any other Pledgor, any Guarantor or any Bondholder is liable to pay any taxes and duties and shall not be concerned with, or be obligated or required to enquire into, the sufficiency of any amount paid by the Issuer, any other Pledgor, any Guarantor or any Bondholder for this purpose.

The parties hereto acknowledge that the foregoing indemnities shall survive the resignation or removal of the Security Trustee or the termination of this Instrument.

14.2 FATCA

- (a) Subject to Condition 14.1, each party hereto may make any FATCA Deduction it is required to make by FATCA and any payment required in connection with that FATCA Deduction.
- (b) Each party hereto shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify the Issuer, the Security Trustee and the Paying Agent, and the Security Trustee and the Paying Agent shall notify the other parties hereto.

 - (iii) supply to that other party such forms, documentation and other information relating to its status as that other party reasonably requests for the purposes of that party's compliance with any other law, regulation, or exchange of information regime.
- (d) If a party hereto confirms to another party hereto pursuant to paragraph (c)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that party shall notify that other party reasonably promptly.

- (e) Condition 14.2(c) above shall not oblige any of the Security Trustee, the Registrar, the Paying Agent or the Bondholders to do anything which would or might in its reasonable opinion constitute a breach of:
 - (i) any law or regulation;
 - (ii) any fiduciary duty; or
 - (iii) any duty of confidentiality.
- (f) If a party hereto fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with Condition 14.2(c) above (including, for the avoidance of doubt, where Condition 14.2(d) above applies), then such party shall be treated for the purposes of the Bond Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the party in question provides the requested confirmation, forms, documentation or other information.

16 Meetings of Bondholders and Modifications

16.1 Applicable rules

Articles 470-3 to 470-19 (included) of the Companies Law (including any provisions in respect of the representation of Bondholders and the holding of Bondholders' meetings contained therein) shall not apply to the Bonds and this Instrument.

16.2 Meetings

- (a) Schedule 3 to this Instrument contains provisions for convening meetings of Bondholders to consider any matter affecting their interests, including the sanctioning by Special Resolution of a modification of the Bonds (subject to Condition 16.3 below) and the sanctioning by Ordinary Resolution of any matter requiring their approval pursuant to this Instrument. When there is only one Bondholder, no meetings are required and any resolution of the Bondholder can be passed by written resolution in accordance with paragraph 20 of Schedule 3.
- (b) A Special Resolution passed at any meeting of Bondholders will be binding on all Bondholders, whether or not they are present at the meeting. Schedule 3 provides that a written resolution signed by or on behalf of the holders of not less than 90 per cent. of the aggregate principal amount of the Bonds then outstanding shall be as valid and effective as a duly passed Special Resolution.

16.3 **Modification**

The Issuer and the Guarantors may without any such meeting or sanction of the Bondholders, amend the terms of Bonds and the Guarantees if, in the reasonable opinion of the Issuer, having consulted with its financial adviser, legal adviser or auditor, such amendment is of a minor or technical nature or corrects a manifest error. Any such amendment will be binding on the Bondholders, the Security Trustee, the Registrar, the Paying Agent and the Calculation Agent.

Notwithstanding anything to the contrary herein or in any other Bond Document, any modification that has the effect of changing the number, percentage or aggregate principal amount of Bonds or Other Bonds required to accelerate the Bonds, including any modification of the final paragraph of Condition 15 shall require the consent of the holders of not less than 75.0 per cent. of the aggregate principal amount of the Bonds and the Other Bonds then outstanding.

16.4 **Form of Modification**

Any modification to the terms of the Bonds and any of the Guarantees, whether pursuant to Condition 16.2 or 16.3, shall be effected by way of deed poll executed by the Issuer and/or the relevant Guarantor(s), as the case may be. A copy of such deed poll will be sent by the Issuer to the Bondholders in accordance with Condition 20 as soon as practicable thereafter.

17 **Waiver**

No failure to exercise, nor any delay in exercising, on the part of any Bondholder, any right or remedy under these Conditions shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies herein are cumulative and not exclusive of any rights or remedies provided by law.

18 **Voting and Other Rights**

The Bondholders will not be entitled to receive notice of or attend or vote at general meetings of the Issuer by reason only of being the holders of a Bond. The Bondholders will not be entitled to participate in any distribution and/or offers of further securities made by the Issuer by reason only of being the holders of the Bonds.

19 **Replacement of Bond Certificates**

If any Bond Certificate is mutilated, defaced, destroyed, stolen or lost, it may be replaced at the Registrar's Office upon payment by the claimant of such costs as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Bond Certificates must be surrendered before replacements will be issued.

20 **Notices**

All notices to Bondholders shall be validly given if mailed to them at their respective addresses in the Register of Bondholders. Any such notice shall be deemed to have been given on the later of the date of such publication and the seventh day after being so mailed to the Bondholders, as the case may be. The Issuer is under no obligation to investigate the address of a Bondholder in case of a change of address that has not been notified to it.

21 Disenfranchisement of Shareholder Affiliates

- (a) For so long as a Shareholder Affiliate beneficially holds or otherwise owns any Bonds or any participation in the Bonds then outstanding (directly or indirectly and in any manner whatsoever) or has entered into a sub-participation agreement relating to a participation in any Bond then outstanding or other agreement or arrangement having a substantially similar economic effect and such agreement or arrangement has not been terminated, in ascertaining (i) the Instructing Bondholders or (ii) whether the agreement of any specified group of Bondholders has been obtained to approve any request for any consent, approval, release or waiver or agreement to any amendment or to carry out any other vote or approve any action or give any instruction under the Bond Documents, that holding, ownership or participation in the Bonds then outstanding shall be deemed to be zero, such Bonds shall be deemed not to be outstanding and that Shareholder Affiliate (or the person with whom it has entered into that sub-participation, other agreement or arrangement) shall be deemed not to be a Bondholder.
- (b) Each Shareholder Affiliate that is a Bondholder agrees that:
- (i) in relation to any meeting or conference call to which any Bondholders are invited to attend or participate, it shall not attend or participate in the same or be entitled to receive the agenda or any minutes of the same, unless, in each case, the Security Trustee otherwise agrees (acting on the instructions of the Instructing Bondholders); and
- (ii) it shall not, unless the Security Trustee otherwise agrees (acting on the instructions of the Instructing Bondholders), be entitled to receive any report or other document prepared at the behest of, or on the instructions of, the Security Trustee or one or more of the Bondholders.
- (c) Any Shareholder Affiliate which is or becomes a Bondholder and which acquires a participation in the Bonds then outstanding shall, by 5:00 p.m. on the Business Day following the day on which it acquired that participation in the Bonds then outstanding, provide a notice to the Security Trustee (i) stating that it is a Shareholder Affiliate and (ii) disclosing the extent of the Bonds to which that purchase relates. The Security Trustee shall promptly disclose such information to the other Bondholders.

For the avoidance of doubt, the terms of this Condition 21 shall take precedent over any conflicting provision in any Bond Document and paragraphs (a) to (c) above shall not apply to any Bondholder (and no Bondholder shall be deemed to be a Shareholder Affiliate for this purpose) for so long as:

- (i) the relevant Bondholder holds Shares in the Issuer issued to it as a result of the relevant Bondholders' exercise of conversion rights over certain number of Bonds into the Shares of the Issuer pursuant to and in accordance with clause 4.1(a)(i) of the 2021 Amendment and Restatement Deed (the "**Conversion Shares**") (or the relevant Bondholder's Affiliate to whom the Conversion shares are transferred (directly or indirectly), or any further Shares in the Issuer directly issued to such Bondholder (or, as applicable, its Affiliates) (or otherwise transferred to them as permitted under the Bond Documents):
- (A) as a result of any conversion, consolidation, sub-division or, re-designation or exchange of such Conversion Shares;
- (B) by way of capitalisation of profits or reserves (including any share premium or capital contribution account) of the Issuer, or as a result of any distribution in kind made by the Issuer; and

(C) further to the exercise of any preferential subscription rights of the Bondholder (or, as the case may be, its Affiliates) applicable by law, or as a result of any merger or assimilated transaction,

in each case, on account of its holding of the Conversion Shares; and

(ii) the relevant Bondholder holds any Bonds or Other Bonds or any participation in the Bonds or Other Bonds then outstanding, provided that this Condition 21 shall immediately apply to such Bondholder if it ceases to qualify for this exemption.

22 **Currency of Account; Conversion of Currency; Currency Exchange Restrictions**

- 22.1 U.S. dollars are the sole currency of account and payment for all sums payable by the Issuer and the Guarantors under or in connection with this Instrument and the Guarantees, as the case may be, including damages related thereto. Any amount received or recovered in a currency other than U.S. dollars by the Bondholders (whether as a result of, or as a result of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer otherwise) in respect of any sum expressed to be due to it from the Issuer or the Guarantors, as the case may be, shall only constitute a discharge to the Issuer or the Guarantors, as the case may be, to the extent of the U.S. dollar amount, which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that U.S. dollar amount is less than the U.S. dollar amount expressed to be due to the recipient under the applicable Bonds, the Issuer and the Guarantors shall indemnify it against any loss sustained by it as a result as set forth in Condition 22.2. In any event, the Issuer and the Guarantors shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition 22, it will be sufficient for the Bondholders to certify in a satisfactory manner (indicating sources of information used) that it would have suffered a loss had an actual purchase of U.S. dollars been made with the amount so received in that other currency on the date of receipt or recovery (or, if a purchase of U.S. dollars on such date had not been practicable, on the first date on which it would have been practicable, it being required that the need for a change of date be certified in the manner mentioned above).
- 22.2 Each of the Issuer and the Guarantors covenants and agrees that the following provisions shall apply to conversion of currency in the case of this Instrument and the Guarantees:
- (a) the following apply:
- (i) if for the purposes of obtaining judgment in, or enforcing the judgment of, any court in any country, it becomes necessary to convert into a currency (the “**Judgment Currency**”) an amount due in any other currency (the “**Base Currency**”), then the conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which the judgment is given or the order of enforcement is made, as the case may be (unless a court shall otherwise determine).

- (ii) If there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given or an order of enforcement is made, as the case may be (or such other date as a court shall determine), and the date of receipt of the amount due, the Issuer or the Guarantors, as the case may be, will pay such additional (or, as the case may be, such lesser) amount, if any, as may be necessary so that the amount paid in the Judgment Currency when converted at the rate of exchange prevailing on the date of receipt will produce the amount in the Base Currency originally due.
- (b) In the event of the winding-up of the Issuer or any of the Guarantors at any time while any amount or damages owing under this Instrument or the Guarantees, as the case may be, or any judgment or order rendered in respect thereof, shall remain outstanding, the Issuer or the Guarantors, as the case may be, shall indemnify and hold the Bondholders harmless against any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the non-U.S. currency equivalent of the amount due or contingently due under this Instrument (other than under this Condition 22.2(b)) or the Guarantees, as the case may be, is calculated for the purposes of such winding-up and (ii) the final date for the filing of proofs of claim in such winding-up. For the purpose of this Condition 22.2(b), the final date for the filing of proofs of claim in the winding-up of the Issuer or the Guarantors shall be the date fixed by the liquidator or otherwise in accordance with the relevant provisions of applicable law as being the latest practicable date as at which liabilities of the Issuer or the Guarantors, as the case may be, may be ascertained for such winding-up prior to payment by the liquidator or otherwise in respect thereto.
- (c) The obligations contained in Condition 22.1, Condition 22.2(a)(ii) and Condition 22.2(b) shall constitute separate and independent obligations from the other obligations of the Issuer and the Guarantors under this Instrument, shall give rise to separate and independent causes of action against the Issuer and the Guarantors, shall apply irrespective of any waiver or extension granted by the Bondholders or any of them from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof of claim in the winding-up of the Issuer or any of the Guarantors for a liquidated sum in respect of amounts due hereunder (other than under Condition 22.2(b)) or under any such judgment or order. Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Bondholders, as the case may be, and no proof or evidence of any actual loss shall be required by the Issuer or the Guarantors or the liquidator or otherwise or any of them. In the case of Condition 22.2(b), the amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date and the date of any liquidating distribution.
- (d) The term “rate(s) of exchange” shall mean the rate of exchange quoted by Reuters at 10:00 a.m. (London time) for spot purchases of the Base Currency with the Judgment Currency other than the Base Currency referred to in Condition 22.2(a) hereof and 22.2(b) hereof and includes any premiums and costs of exchange payable.

22.3 Third Party Rights

A person which is not a party to this Instrument shall have no rights to enforce the provisions of this Instrument other than those it would have had if the Contracts (Rights of Third Parties) Act 1999 had not come into force.

23 **Governing Law and Jurisdiction**

- 23.2 The Courts of England sitting in London have exclusive jurisdiction to settle any dispute arising out of or in connection with this Instrument, the Bonds or the Guarantees (including a dispute relating to the existence, validity or termination of this Instrument, the Bonds or the Guarantees or any non-contractual obligation arising out of or in connection therewith) (a “**Dispute**”) and accordingly any legal action or proceedings in connection with such Dispute (“**Proceedings**”) may be brought in such courts. Each of the Issuer, the Guarantors and the Bondholders hereby irrevocably submits to the jurisdiction of such courts.
- 23.3 Each of the Issuer and the Guarantors irrevocably agrees that within five (5) Business Days of the date hereof it will appoint an agent having its registered office in the United Kingdom as its agent to receive on its behalf in England service of any proceedings started in the courts of England sitting in London under this Condition 23 and will provide evidence of the same to the Bondholders. Such service shall be deemed completed on delivery to such agent (whether or not it is forwarded to and received by the Issuer) and shall be valid until such time as the Issuer has received prior written notice that such agent has ceased to act as agent. If for any reason such agent ceases to be able to act as agent or no longer has an address in England, the Issuer shall forthwith appoint a substitute and deliver to the Bondholders the new agent’s name and address and email within England and Wales. Nothing in this clause shall affect the right of Bondholders to serve process in any other manner permitted by law.
- 23.4 For the avoidance of doubt, articles 470-1 to 470-19 (included) of the Luxembourg law on commercial companies dated August 10, 1915 (as amended) shall be excluded.

24 **Counterparts**

Provisions for Meetings of Bondholders

1. **Proxies**

A holder of a Bond may by an instrument in writing (a *form of proxy*) in the form available from the Registered Office signed by the holder or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation and delivered to the Issuer not later than 48 hours before the time fixed for any meeting, appoint any person (a *proxy*) to act on his or its behalf in connection with any meeting or proposed meeting of Bondholders. A Proxy need not be a Bondholder.

2. **Representatives**

A holder of a Bond which is a corporation may by delivering to the Issuer not later than 48 hours before the time fixed for any meeting a resolution of its directors or other governing body in English authorise any person to act as its representative (a *representative*) in connection with any meeting or proposed meeting of Bondholders.

3. **Duration of Appointment**

A proxy or representative so appointed shall so long as such appointment remains in force be deemed, for all purposes in connection with any meeting or proposed meeting of Bondholders specified in such appointment, to be the holder of the Bonds to which such appointment relates and the holder of the Bond shall be deemed for such purposes not to be the holder.

4. **Calling of Meetings**

The Issuer may at any time convene a meeting of Bondholders. If the Issuer receives a written request by Bondholders holding at least 10 per cent. in principal amount of the Bonds then outstanding it shall as soon as reasonably practicable convene a meeting of Bondholders. Every meeting shall be held at a time and place approved by the directors of the Issuer.

5. **Notice of Meetings**

At least 21 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) shall be given to the Bondholders to convene a meeting of Bondholders. A copy of the notice shall be given by the party convening the meeting to the other parties. The notice shall specify the day, time and place of meeting, be given in the manner provided in the Conditions and shall specify the nature of the resolutions to be proposed and shall include a statement to the effect that the holders of Bonds may appoint proxies by executing and delivering a form of proxy in English to the Registered Office not later than 48 hours before the time fixed for the meeting or, in the case of corporations, may appoint representatives by resolution in English of their directors or other governing body and by delivering an executed copy of such resolution to the Issuer not later than 48 hours before the time fixed for the meeting. The accidental omission to give notice to, or the non-receipt of notice by, any Bondholder shall not invalidate any resolution passed at any such meeting.

6. **Chairman of Meetings**

A person (who may, but need not, be a Bondholder) nominated in writing by the Issuer may act as chairman of a meeting but if no such nomination is made or if the person nominated is not present within 15 minutes after the time fixed for the meeting the Bondholders present shall choose one of them to be chairman. The chairman of an adjourned meeting need not be the same person as was chairman of the original meeting.

7. **Quorum at Meetings**

At a meeting two or more persons present in person holding Bonds or being proxies or representatives and holding or representing in the aggregate not less than 10 per cent. in principal amount of the Bonds then outstanding shall (except for the purpose of passing a Special Resolution) form a quorum for the transaction of business and no business (other than the choosing of a chairman) shall be transacted unless the requisite quorum be present at the commencement of business. The quorum at a meeting for passing a Special Resolution shall (subject as provided below) be two or more persons present in person holding Bonds or being proxies or representatives and holding or representing in the aggregate over 50 per cent. in principal amount of the Bonds then outstanding; *provided* that the quorum at any meeting the business of which includes any of the matters specified in the proviso to paragraph 16 shall be two or more persons so present holding Bonds or being proxies or representatives and holding or representing in the aggregate not less than 66 per cent. in principal amount of the Bonds then outstanding.

8. **Absence of Quorum**

If within 15 minutes from the time fixed for a meeting a quorum is not present the meeting shall, if convened upon the requisition of Bondholders, be dissolved. In any other case it shall stand adjourned to such date, not less than 14 nor more than 42 days later, and to such place as the chairman may decide. At such adjourned meeting two or more persons present in person holding Bonds or being proxies or representatives (whatever the principal amount of the Bonds so held or represented) shall form a quorum and may pass any resolution and decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had a quorum been present at such meeting; *provided* that at any adjourned meeting at which is to be proposed a Special Resolution for the purpose of effecting any of the modifications specified in the proviso to paragraph 16 the quorum shall be two or more persons so present holding Bonds or being proxies or representatives and holding or representing in the aggregate not less than 33 per cent. in principal amount of the Bonds then outstanding.

9. **Adjournment of Meetings**

The chairman may with the consent of (and shall if directed by) a meeting adjourn the meeting from time to time and from place to place but no business shall be transacted at an adjourned meeting which might not lawfully have been transacted at the meeting from which the adjournment took place.

10. **Notice of Adjourned Meetings**

At least 10 days' notice of any meeting adjourned through want of a quorum shall be given in the same manner as for an original meeting and such notice shall state the quorum required at the adjourned meeting. No notice need, however, otherwise be given of an adjourned meeting.

11. **Manner of Voting**

Each question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) which he may have as a Bondholder or as a proxy or representative. Unless a poll is (before or on the declaration of the result of the show of hands) demanded at a meeting by the chairman, the Issuer or by one or more persons holding one or more Bonds or being proxies or representatives and holding or representing in the aggregate not less than two per cent. in principal amount of the Bonds then outstanding, a declaration by the chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

12. **Manner of Taking Poll**

If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such an adjournment as the chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuation of the meeting for the transaction of any business other than the question on which the poll has been demanded.

13. **Time for Taking Poll**

A poll demanded on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.

14. **Persons Entitled to Attend**

The Issuer (through its representatives) and its financial and legal advisers may attend and speak at any meeting of Bondholders. No one else may attend or speak at a meeting of Bondholders unless he is the holder of a Bond or is a proxy or a representative.

15. **Votes**

On a poll every person who is so present shall have one vote in respect of each Bond produced or in respect of which he is a proxy or a representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.

16. **Powers of Meetings of Bondholders**

A meeting of Bondholders shall, subject to the Conditions, in addition to the powers given above, have power exercisable by Special Resolution:

- (a) to sanction any proposal by the Issuer for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Bondholders against the Issuer;
- (b) to sanction the exchange or substitution for the Bonds of shares, bonds, or other obligations or securities of the Issuer or any other entity;
- (c) to assent to any modification of the Bonds which shall be proposed by the Issuer;
- (d) to authorise anyone to concur in and do anything necessary to carry out and give effect to a Special Resolution;

- (e) to give any authority, direction or sanction required to be given by Special Resolution;
- (f) to appoint any persons (whether Bondholders or not) as a committee or committees to represent the interests of the Bondholders and to confer on them any powers or discretions which the Bondholders could themselves exercise by Special Resolution; and
- (g) to approve the substitution of any entity for the Issuer (or any previous substitute) as principal debtor under the Bonds;

provided that the special quorum provisions contained in the proviso to paragraph 7 and, in the case of an adjourned meeting, in the proviso to paragraph 11 shall apply for the purpose of making any modification to the provisions contained in the Bonds which would have the effect of:

- (i) modifying the Maturity Date or the due dates for any payment in respect of the Bonds; or
- (ii) reducing or cancelling the amount of principal, premium (including any Redemption Amount) or the rate of default interest payable in respect of the Bonds or changing the method of calculation of the Redemption Amount; or
- (iii) changing the currency of any payment in respect of the Bonds; or
- (iv) modifying the provisions contained in this Schedule concerning the quorum required at a meeting of Bondholders or the majority required to pass a Special Resolution or sign a resolution in writing; or
- (v) amending this proviso.

Notwithstanding anything to the contrary in this Schedule 3, with respect to any matter for which any other provision of the Instrument and/or the Intercreditor Deed requires the direction and/or sanction of a specified percentage of the aggregate principal amount of the Bonds or the Other Bonds or the Bonds and the Other Bonds then outstanding, such other provision of the Instrument and/or the Intercreditor Deed shall prevail.

17. Resolutions Binding on all Bondholders

Any Special Resolutions or Ordinary Resolutions passed at a meeting of Bondholders duly convened and held in accordance with this Schedule and the Conditions shall be binding on all the Bondholders, whether or not present at the meeting, and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances of such resolution justify the passing of it.

18. Special Resolution

The expression *Special Resolution* means a resolution passed at a meeting of Bondholders duly convened and held in accordance with these provisions by a majority consisting of not less than three-quarters of the votes cast at such meeting.

19. **Ordinary Resolution**

The expression *Ordinary Resolution* means a resolution passed at a meeting of Bondholders duly convened and held in accordance with these provisions by a majority consisting of not less than half of the votes cast at such meeting.

20. **Written Resolution**

A resolution in writing signed by or on behalf of the holders of not less than 90 per cent. in principal amount of the Bonds then outstanding who for the time being are entitled to receive notice of a meeting in accordance with these provisions shall for all purposes be as valid as a Special Resolution or an Ordinary Resolution passed at a meeting of Bondholders convened and held in accordance with these provisions. Such resolution in writing may be in one document or several documents in like form each signed by or on behalf of one or more of the Bondholders.

21. **Minutes**

Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairman of that meeting or of the next succeeding meeting of Bondholders, shall be conclusive evidence of the matters in them. Until the contrary is proved every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

NOW, THEREFORE, in consideration of the mutual agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the parties hereto agree as follows.

1. Assignment and Assumption; Consent

1.1 Assignment and Assumption. Effective as of the First Merger Effective Time (as defined in the BCA), the Company hereby assigns to TopCo all of the Company's right, title and interest in and to the Existing Warrant Agreement (as amended hereby) and TopCo hereby assumes, and agrees to pay, perform, satisfy and discharge in full, as the same become due, all of the Company's liabilities and obligations under the Existing Warrant Agreement (as amended hereby) arising from and after the First Merger Effective Time.

1.2 Consent. The Warrant Agent hereby consents to the assignment of the Existing Warrant Agreement by the Company to TopCo pursuant to Section 1.1 hereof effective as of the First Merger Effective Time, and the assumption of the Existing Warrant Agreement by TopCo from the Company pursuant to Section 1.1 hereof effective as of the First Merger Effective Time, and to the continuation of the Existing Warrant Agreement in full force and effect from and after the First Merger Effective Time, subject at all times to the Existing Warrant Agreement (as amended hereby) and to all of the provisions, covenants, agreements, terms and conditions of the Existing Warrant Agreement and this Agreement.

1.3 Change of Warrant Agent. Effective as of the First Merger Effective Time (as defined in the BCA), the Existing Warrant Agent hereby assigns to the Warrant Agent all of the Existing Warrant Agent's right, title and interest in and to the Existing Warrant Agreement (as amended hereby) and the Warrant Agent hereby assumes, and agrees to pay, perform, satisfy and discharge in full, as the same become due, all of the Existing Warrant Agent's duties and obligations under the Existing Warrant Agreement (as amended hereby) arising from and after the First Merger Effective Time.

2. Amendment of Existing Warrant Agreement. The Company and the Warrant Agent hereby amend the Existing Warrant Agreement as provided in this Section 2, effective as of the First Merger Effective Time, and acknowledge and agree that the amendments to the Existing Warrant Agreement set forth in this Section 2 are necessary or desirable and that such amendments do not adversely affect the rights of the registered holders.

2.1 Preamble. The preamble on page one of the Existing Warrant Agreement is hereby amended by deleting "Oaktree Acquisition Corp. II, a Cayman Islands exempted company" and replacing it with "Alvotech S.A., a simplified joint stock company (société par actions simplifiée) incorporated and existing under the laws of the Grand Duchy of Luxembourg, having its registered office at 9, rue de Bitbourg, L-1273 Luxembourg, Grand Duchy of Luxembourg, Grand Duchy of Luxembourg and registered with the Luxembourg Trade and Company Register (*Registre de Commerce et des Sociétés, Luxembourg*) under number B258884". As a result thereof, all references to the "Company" in the Existing Warrant Agreement shall be references to Alvotech S.A. rather than Oaktree Acquisition Corp. II. Furthermore, the preamble on page one of the Existing Warrant Agreement is hereby amended by deleting "Continental Stock Transfer & Trust Company, a New York corporation, as warrant agent (the "Warrant Agent", also referred to herein as the "Transfer Agent")" and replacing it with "Computershare Trust Company, N.A., a federally chartered trust company and Computershare Inc., a Delaware corporation (collectively, the "Warrant Agent", also referred to herein as the "Transfer Agent")". As a result thereof, all references to the "Warrant Agent" and "Transfer Agent" in the Existing Warrant Agreement shall be references to Computershare Trust Company, N.A. and Computershare Inc. rather than Continental Stock Transfer & Trust Company.

2.2 Reference to TopCo Shares. All references to "Ordinary Shares" or "Class A ordinary shares of the Company, par value \$0.0001 per share" in the Existing Warrant Agreement (including all Exhibits thereto) shall mean "TopCo Ordinary Shares" or "ordinary shares in the share capital of TopCo, nominal value of \$0.01 per share."

2.3 Section 3.3.1. Section 3.3.1 is hereby amended and restated in its entirety as follows:

"3.3.1 Payment. Subject to the provisions of the Warrant and this Agreement, a Warrant may be exercised by the Registered Holder thereof by (A) delivering to the Warrant Agent at its corporate trust department (i) the Definitive Warrant Certificate evidencing the Warrants to be exercised, or, in the case of a Warrant represented by a book-entry, the Warrants

to be exercised (the “**Book-Entry Warrants**”) on the records of the Depository to an account of the Warrant Agent at the Depository designated for such purposes in writing by the Warrant Agent to the Depository from time to time, and (ii) an election to purchase (“**Election to Purchase**”) any Ordinary Shares pursuant to the exercise of a Warrant, properly completed and executed by the Registered holder on the reverse of the Definitive Warrant Certificate or, in the case of a Book-Entry Warrant, properly delivered by the Participant in accordance with the Depository’s procedures, and (B) the payment in full of the Warrant Price for each full Ordinary Share as to which the Warrant is exercised and any and all applicable taxes due in connection with the exercise of the Warrant, the exchange of the Warrant for the Ordinary Shares and the issuance of such Ordinary Shares, as follows:

(a) in lawful money of the United States, by wire transfer of immediately available funds to an account designated by the Company for such purpose (including, for the avoidance of doubt, transfers by Participants in accordance with the Depository’s procedures with respect to Book Entry Warrants);

(b) [Reserved];

(c) with respect to any Private Placement Warrant, so long as such Private Placement Warrant is held by the Sponsor or a Permitted Transferee, by surrendering the Warrants for that number of Ordinary Shares equal to (i) if in connection with a redemption of Private Placement Warrants pursuant to Section 6.2 hereof, as provided in Section 6.2 hereof with respect to a Make-Whole Exercise and (ii) in all other scenarios the quotient obtained by dividing (x) the product of the number of Ordinary Shares underlying the Warrants, multiplied by the excess of the Sponsor Exercise Fair Market Value (as defined in this subsection 3.3.1(c)), less the Warrant Price by (y) the Sponsor Exercise Fair Market Value. Solely for purposes of this subsection 3.3.1(c), the “**Sponsor Exercise Fair Market Value**” shall mean the average last reported sale price of the Ordinary Shares for the ten (10) trading days ending on the third (3rd) trading day prior to the date on which notice of exercise of the Private Placement Warrant is sent to the Warrant Agent;

(d) as provided in Section 6.2 hereof with respect to a Make-Whole Exercise; or

(e) as provided in Section 7.4 hereof.”

2.4 Section 3.3.5. The fifth sentence of Section 3.3.5 of the Existing Warrant Agreement is hereby amended and restated in its entirety as follows:

“For purposes of the Warrant, in determining the number of outstanding Ordinary Shares, the holder may rely on the number of outstanding Ordinary Shares as reflected in (1) the Company’s most recent Annual Report on Form 20-F or other public filing with the Commission as the case may be, (2) a more recent public announcement by the Company or (3) any other notice by the Company or the Transfer Agent setting forth the number of Ordinary Shares outstanding.”

2.5 Section 4.5 of the Existing Warrant Agreement is hereby amended by deleting the word “Form 8-K” and replacing it with the word “Form 6-K”.

2.6 Section 4.6 is hereby amended by adding, immediately after the first full sentence of Section 4.6, the following sentence:

“The Warrant Agent shall be entitled to rely on such notice and any adjustment or statement therein contained and shall have no duty or liability with respect thereto and shall not be deemed to have knowledge of any such adjustment or any such event unless and until it shall have received such notice.”

2.7 Section 5.5 is hereby amended to add the following as the final sentence thereof:

“The Warrant Agent may countersign a Definitive Warrant Certificate in manual or facsimile form.”

2.8 Section 7.4 is hereby amended by adding new subsections 7.4.3 and 7.4.4 to the end thereof as follows:

“7.4.3. Calculation of Ordinary Shares to be issued on Cashless Exercise. In connection with any cashless exercise of Warrants, the Company shall calculate and transmit to the Warrant Agent, and the Warrant Agent shall have no duty under this Agreement to determine, the number of Ordinary Shares to be issued on such cashless exercise, and the Warrant Agent shall have no duty or obligation to calculate or confirm whether the Company’s determination of the Ordinary Shares to be issued on such exercise is accurate.

“7.4.4. Delivery of Warrant Exercise Funds. Notwithstanding anything to the contrary herein, the Company acknowledges and agrees that (a) it has directed the Depository to deliver all funds received by the Depository in respect of exercises of Book-Entry Warrant in accordance with the Depository’s procedures directly to the Company pursuant to instructions of the Company delivered to the Depository, (b) it shall direct (or cause to be directed) holders of Definitive Warrants to make payment of any Warrant Price directly to the Company in accordance with Section 3.3.1, and (c) the Warrant Agent shall have no responsibility for any Warrant exercise funds and the Warrant Agent shall not incur any liability for such funds (including, without limitation, for any loss of funds or delays in the receipt of delivery thereof).”

2.9 Section 8.1 is hereby amended and restated in its entirety as follows:

“8.1. Payment of Taxes. The Company shall from time to time promptly pay all taxes and charges that may be imposed upon the Company or the Warrant Agent in respect of the issuance or delivery of shares of Common Stock upon the exercise of the Warrants, but neither the Company nor the Warrant Agent shall be obligated to pay any transfer taxes in respect of the Warrants or such shares of Common Stock. For the avoidance of doubt, the Warrant Agent shall not have any duty or obligation to take any action under any section of this Agreement that requires the payment of taxes and/or charges unless and until it is satisfied that all such payments have been made.”

2.10 Section 8.3.1 is hereby amended and restated in its entirety as follows:

“8.3.1 Remuneration. The Company agrees to pay the Warrant Agent reasonable remuneration (as may be agreed upon in writing by the Company and the Warrant Agent) for its services as such Warrant Agent hereunder and will reimburse the Warrant Agent upon demand for all of its reasonable expenses (including reasonable counsel fees and expenses) incurred in connection with the preparation, delivery, negotiation, amendment, administration and execution of this Agreement and the exercise and performance of its duties hereunder.”

2.11 Section 8.4.1 is hereby amended and restated in its entirety as follows:

“8.4.1 Reliance on Company Statement; Authorized Officers. Whenever in the performance of its duties under this Agreement the Warrant Agent shall deem it necessary or desirable that any fact or matter be proved or established by the Company prior to taking, suffering, or omitting to take any action hereunder, such fact or matter may be deemed to be conclusively proved and established by a certificate signed by a person believed by the Warrant Agent to be the Chief Executive Officer, the Chief Financial Officer, Chief Operating Officer, the President or other principal officer of the Company; and such certificate shall be full authorization and protection to the Warrant Agent and the Warrant Agent shall incur no liability for or in respect of any action taken, suffered or omitted to be taken by it under the provisions of this Agreement in reliance upon such certificate.”

2.12 Section 8.4.2 is hereby amended and restated in its entirety as follows:

“8.4.2 Indemnity; Limitation on Liability. The Company covenants and agrees to indemnify the Warrant Agent for, and to hold it harmless against, any and all loss, liability, damage, judgment, fine, penalty, claim, demand, settlement, cost or expense (“**Losses**”) that may be paid, incurred or suffered by it, or which it may become subject, other than such Losses arising in connection with (i) the gross negligence, bad faith or willful misconduct on the part of the Warrant Agent (which gross negligence, bad faith, or willful misconduct must be determined by a final, non-appealable judgment of a court of competent jurisdiction), or (ii) any tax imposed on or calculated as a result of the net income received or receivable by the Warrant Agent under applicable law, for any action taken, suffered, or omitted to be taken by the Warrant Agent in connection with the execution, acceptance, administration, exercise and performance of its duties under this Agreement, including the reasonable costs and expenses of defending against any claim of liability arising therefrom, directly or indirectly, or enforcing its rights hereunder. The Warrant Agent shall be liable hereunder only for its own gross negligence, bad faith or willful misconduct (which gross negligence, bad faith or willful misconduct must be determined by a final, non-appealable judgment of a court of competent jurisdiction). Notwithstanding anything in this Agreement to the contrary, any liability, other than liability arising out of or attributable to the Warrant Agent’s fraud, bad faith or willful (which fraud, bad faith, or willful misconduct must be determined by a final, non-appealable judgment of a court of competent jurisdiction), of the Warrant Agent under this Agreement will be limited to the amount of fees paid by the Company to the Warrant Agent during the twelve (12) months immediately preceding the event for which recovery from the Warrant Agent is being sought. Anything to the contrary notwithstanding, in no event will the Warrant Agent be liable for special, punitive, indirect, incidental or consequential loss or damages of any kind whatsoever (including, without limitation, lost profits), even if the Warrant Agent has been advised of the likelihood of such loss or damages, and regardless of the form of action. The provisions under Sections 8.2.1, 8.3 and 8.4 shall survive the expiration of the Warrant and the termination of this Agreement and the resignation, replacement or removal of the Warrant Agent.”

2.13 Section 8.5 is hereby amended and restated in its entirety as follows:

“8.5 Acceptance of Agency. The Warrant Agent hereby accepts the agency established by this Agreement and agrees to perform the same upon the express terms and conditions (and no implied terms and conditions) herein set forth and among other things shall account for, and pay to the Company, all monies received by the Warrant Agent for the purchase of shares of Ordinary Shares through the exercise of the Warrants. The Warrant Agent shall act hereunder solely as agent for the Company. The Warrant Agent shall not assume any obligations or relationship of agency or trust with any of the owners or holders of the Warrants or Ordinary Shares.”

2.14 The following provisions are hereby incorporated into Section 8 in the numerical order set forth below:

“8.7 Legal Counsel. The Warrant Agent may consult with legal counsel selected by it (who may be legal counsel for the Company), and the opinion or advice of such counsel shall be full and complete authorization and protection to the Warrant Agent as to any action taken or omitted by it in accordance with such advice or opinion.

8.8 Reliance on Agreement and Warrants. The Warrant Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the Warrants (except as to its countersignature thereof) or be required to verify the same, but all such statements and recitals are and shall be deemed to have been made by the Company only.

8.9 Freedom to Trade in Company Securities. Subject to applicable laws, the Warrant Agent and any stockholder, director, officer or employee of the Warrant Agent may buy, sell or deal in any of the Warrant or other securities of the Company or become pecuniarily interested in any transaction in which the Company may be interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it were not Warrant Agent under this Agreement. Nothing herein shall preclude the Warrant Agent from acting in any other capacity for the Company or for any other legal entity.

8.10 Reliance on Attorneys and Agents. The Warrant Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Warrant Agent shall not be answerable or accountable for any act, omission, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company resulting from any such act, omission, default, neglect or misconduct, absent gross negligence, willful misconduct or bad faith in the selection and continued employment thereof (which gross negligence, willful misconduct or bad faith must be determined by a final, non-appealable judgment of a court of competent jurisdiction).

8.11 No Risk of Own Funds. No provision of this Agreement shall require the Warrant Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise any of its rights or powers if it believes that repayment of such funds or adequate indemnification against such risk or liability is not reasonably assured to it.

8.12 No Notice. The Warrant Agent shall not be required to take notice or be deemed to have notice of any event or condition hereunder, including any event or condition that may require action by the Warrant Agent, unless the Warrant Agent shall be specifically notified in writing of such event or condition by the Company, and all notices or other instruments required by this Agreement to be delivered to the Warrant Agent must, in order to be effective, be received by the Warrant Agent as specified in Section 9.2 hereof, and in the absence of such notice so delivered, the Warrant Agent may conclusively assume no such event or condition exists.

8.13 Ambiguity. In the event the Warrant Agent believes any ambiguity or uncertainty exists hereunder or in any notice, instruction, direction, request or other communication, paper or document received by the Warrant Agent hereunder, the Warrant Agent, may, in its sole discretion, refrain from taking any action, and shall be fully protected and shall not be liable in any way to Company, the holder of any Warrant or any other person for refraining from taking such action, unless the Warrant Agent receives written instructions signed by the Company which eliminates such ambiguity or uncertainty to the satisfaction of Warrant Agent. The Warrant Agent shall promptly provide written notice to the Company of such ambiguity or uncertainty.

8.14 Non-Registration. The Warrant Agent shall not be liable or responsible for any failure of the Company to comply with any of its obligations relating to any registration statement filed with the Securities and Exchange Commission or this Agreement, including without limitation obligations under applicable regulation or law.

8.15 Signature Guarantee. The Warrant Agent may rely on and be fully authorized and protected in acting or failing to act upon (a) any guaranty of signature by an “eligible guarantor institution” that is a member or participant in the Securities Transfer Agents Medallion Program or other comparable “signature guarantee program” or insurance program in addition to, or in substitution for, the foregoing; or (b) any related law, act, regulation or any interpretation of the same.

8.16 Bank Accounts. All funds received by the Warrant Agent under this Agreement that are to be distributed or applied by the Warrant Agent in the performance of services hereunder (the “*Funds*”) shall be held by the Warrant Agent as agent for the Company and deposited in one or more bank accounts to be maintained by Computershare in its name as agent for the Company. Until paid pursuant to the terms of this Agreement, the Warrant Agent will hold the Funds through such accounts in: deposit accounts of commercial banks with Tier 1 capital exceeding \$1 billion or with an average rating above investment grade by S&P (LT Local Issuer Credit Rating), Moody’s (Long Term Rating) and Fitch Ratings, Inc. (LT Issuer Default Rating) (each as reported by Bloomberg Finance L.P.). The Warrant Agent shall have no responsibility or liability for any diminution of the Funds that may result from any deposit made by the Warrant Agent in accordance with this paragraph, including any losses resulting from a default by any bank, financial institution or other third party. The Warrant Agent may from time to time receive interest, dividends or other earnings in connection with such deposits. The Warrant Agent shall not be obligated to pay such interest, dividends or earnings to the Company, any holder or any other party. In the event the Warrant Agent receives funds that need to be transferred to the Company, it shall forward such funds by the 5th business day of the following month by wire transfer to an account designated by the Company.

8.17. Force Majeure. Notwithstanding anything to the contrary contained herein, the Warrant Agent will not be liable for any delays or failures in performance resulting from acts beyond its reasonable control including, without limitation, acts of God, epidemics, pandemics, terrorist acts, shortage of supply, disruptions in public utilities, strikes and lock-outs, war, or civil unrest.

8.18 Confidentiality. The Warrant Agent and the Company agree that all books, records, information and data pertaining to the business of the other party, including inter alia, personal, non-public warrant holder information, which are exchanged or received pursuant to the negotiation or the carrying out of this Agreement including the fees for services hereunder shall remain confidential, and shall not be disclosed to any other person without the other party's prior written consent, except as may be required by law, including, without limitation, pursuant to subpoenas from state or federal government authorities (e.g., in divorce and criminal actions).

Upon the delivery of a certificate from an authorized officer of the Company which states that the proposed supplement or amendment is in compliance with the terms of this Section 9.8, the Warrant Agent shall execute such supplement or amendment. Notwithstanding anything in this Agreement to the contrary, the Warrant Agent shall not be required to execute any supplement or amendment to this Agreement that it has determined would adversely affect its own rights, duties, obligations or immunities under this Agreement.”

3. Miscellaneous Provisions.

3.1 Effectiveness of Warrant. Each of the parties hereto acknowledges and agrees that the effectiveness of this Agreement shall be expressly subject to the occurrence of the First Merger and the Second Merger (as defined in the BCA) and shall automatically be terminated and shall be null and void if the BCA shall be terminated for any reason. The Company shall promptly notify the Existing Warrant Agent and the Warrant Agent upon the occurrence of the First Merger and the Second Merger and also in the event the BCA is terminated for any reason.

Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

3.4 Applicable Law. The validity, interpretation and performance of this Agreement shall be governed in all respects by the laws of the State of New York, without giving effect to conflict of law principles that would result in the application of the substantive laws of another jurisdiction. The parties hereby agree that any action, proceeding or claim against a party arising out of or relating in any way to this Agreement shall be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, and irrevocably submits to such jurisdiction, which jurisdiction shall be exclusive. Each of the parties hereby waives any objection to such exclusive jurisdiction and that such courts represent an inconvenient forum.

3.5 Examination of the Warrant Agreement. A copy of this Agreement shall be available at all reasonable times at the office of the Warrant Agent in the United States of America, for inspection by the registered holder of any Warrant. The Warrant Agent may require any such holder to submit such holder's Warrant for inspection by it.

3.6 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by e-mail or exchange of facsimile copies shall be as effective as delivery of a manually executed counterpart of the Agreement. Minor variations in the form of the signature page, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining a Party's intent or the effectiveness of such signature.

3.7 Effect of Headings. The section headings herein are for convenience only and are not part of this Agreement and shall not affect the interpretation thereof.

3.8 Entire Agreement. This Agreement and the Existing Warrant Agreement, as modified by this Agreement, constitutes the entire understanding of the parties and supersedes all prior agreements, understandings, arrangements, promises and commitments, whether written or oral, express or implied, relating to the subject matter hereof, and all such prior agreements, understandings, arrangements, promises and commitments are hereby canceled and terminated.

MANAGEMENT INCENTIVE PLAN

1. PURPOSE

The purpose of the Plan is to assist the Company in attracting, retaining and compensating talented executives and certain key employees, officers, directors, and consultants of the Company Group in a competitive and dynamic market, motivating executives to help the Company to achieve the best possible financial and operational results, providing reward opportunities consistent with the Company Group's performance on both a short and long-term basis and promoting the creation of long-term value for shareholders of the Company by closely aligning the interests of such individuals with those of the shareholders of the Company.

The Plan authorizes the award of Share-based incentives to Eligible Persons to encourage such persons to expend their maximum efforts in the creation of shareholder value. The Plan was initially approved by the Board on 13 June 2022, with the approval of the shareholders of the Company on the Effective Date.

2. DEFINITIONS

For purposes of the Plan, capitalised terms not otherwise defined shall have the meaning ascribed to them in Appendix A. Certain definitions are also set forth in Appendix B, which applies to U.S. Participants (as defined in Appendix B).

3. ADMINISTRATION

- (a) Except as otherwise provided herein, the Plan shall be administered by the Administrator. The Administrator shall have full and final authority, in each case subject to and consistent with the provisions of the Plan, to (i) select Eligible Persons to become Participants, (ii) grant Awards, (iii) determine the type, vesting, number of Shares subject to, performance-related factors and whether all conditions have been met, other terms and conditions of, and all other matters relating to, Awards, (iv) prescribe Award Agreements (which need not be identical for each Participant) and rules and regulations for the administration of the Plan, (v) construe and interpret the Plan and Award Agreements and correct defects, supply omissions, and reconcile inconsistencies therein, (vi) suspend the right to exercise Awards during any period that the Administrator deems appropriate to comply with applicable securities laws, and thereafter extend the exercise period of an Award by an

equivalent period of time, and (vii) make all other decisions and determinations as the Administrator may deem necessary or advisable for the administration of the Plan. Any action of the Administrator shall be final, conclusive, and binding on all persons, including, without limitation, each member of the Company Group, Eligible Persons, Participants, and beneficiaries of Participants. For the avoidance of doubt, the Administrator shall have the authority to take all actions under the Plan that the Administrator is permitted to take.

- (b) To the extent permitted by applicable law, the Administrator may delegate to directors, officers or employees of any member of the Company Group, the authority, subject to such terms as the Administrator shall determine, to perform such functions under the Plan, including but not limited to administrative functions, as the Administrator may determine appropriate. The Administrator may appoint agents to assist it in administering the Plan. Notwithstanding the foregoing or any other provision of the Plan to the contrary, any Award granted under the Plan to any Eligible Person who is not an employee of any member of the Company Group shall be expressly approved by the Administrator.

4. SHARES AVAILABLE UNDER THE PLAN; DIRECTOR COMPENSATION LIMIT

- (a) Subject to adjustment as provided in section 15 hereof, the total number of Shares reserved and available for delivery in connection with Awards under the Plan shall be capped at 5.79% of the share capital of the Company on a fully-diluted basis, which may be increased by the Board by up to 1% annually over ten (10) years from the Effective Date without the need to amend the Plan. The actual number of Shares made available for the Plan shall be determined by the Board from time to time. Shares delivered under the Plan shall consist of newly issued shares or previously issued Shares temporarily held and reacquired by the Company or an Affiliate on the open market or by private purchase. Delivery of Shares shall have the meaning and occur in accordance with section 9.
- (b) The Administrator may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting (as, for example, in the case of tandem or substitute awards) and make adjustments if the number of Shares actually delivered differs from the number of shares previously counted in connection with an Award. To the extent that an Award expires or is cancelled, forfeited, settled in cash, or otherwise terminated without a delivery to the Participant of the full number of shares to which the Award related, the undelivered shares will again be available for grant. Shares withheld in payment of the exercise price or taxes relating to an Award shall be deemed to constitute shares not delivered to the Participant and shall be deemed to again be available for Awards under the Plan.

5. AWARDS

Subject to the terms set out under this Plan, the Company may make available to the Participant the following Awards.

6. OPTIONS

- (a) Options may be granted to Eligible Persons in such form and having such terms and conditions as the Administrator shall deem appropriate. The provisions of separate Options shall be set forth in separate Option Agreements, which agreements need not be identical.
- (b) The term of each Option shall be set by the Administrator at the time of grant; *provided, however*, that no Option granted hereunder shall be exercisable after the expiration of ten (10) years from the date it was granted.
- (c) The exercise price per Share for each Option shall be set by the Administrator at the time of grant.
- (d) Payment for Shares to be acquired pursuant to an exercise of Options granted hereunder shall be made in full prior to the exercise of the Options in accordance with the Option Agreement and in a manner approved by the Administrator, which may include any of the following payment methods: (i) in immediately available funds in USD or any other currency approved by the Administrator (provided that upon payment in any currency other than USD, the Participant shall, at the Company's request within thirty (30) days of exercise, reimburse the Company for any foreign exchange fees reasonably incurred by the Company in connection with converting such currency to the applicable currency or otherwise be deducted from the Participant's salary), or by certified or bank cashier's check, or (ii) by any other means approved by the Administrator.
- (e) Except as may otherwise be provided by the Administrator in an Option Agreement or determined by the Administrator subsequent to grant:
 - (i) In the event of a Participant's Termination prior to the Expiration Date for any reason other than (A) by the Service Recipient for Cause or (B) by reason of the Participant's death or Disability, (1) all vesting with respect to such Participant's Options shall cease, (2) all of such Participant's unvested Options shall expire as of the date of such Termination, and (3) each of such Participant's vested Options shall remain exercisable until the earlier of the applicable Expiration Date and the date that is ninety (90) days after the date of such Termination, unless expressly agreed otherwise.
 - (ii) In the event of a Participant's Termination prior to the Expiration Date by reason of such Participant's death or Disability, (A) all vesting with respect to such Participant's Options shall cease, (B) all of such Participant's unvested Options shall expire as of the date of such Termination, and (C) each of such Participant's vested Options shall expire on the earlier of the applicable Expiration Date and the date that is twelve (12) months after the date of such Termination. In the event of a Participant's death, such Participant's Options shall remain exercisable by the person or persons to whom a Participant's rights under the Options pass by will or by the applicable laws of descent and distribution until their expiration, but only to the extent that the Options were vested by such Participant at the time of such Termination.

- (iii) In the event of a Participant's Termination prior to the Expiration Date by the Service Recipient for Cause, all of such Participant's Options (whether or not vested) shall immediately expire as of the date of such Termination.

7. RESTRICTED SHARE UNITS

- (a) Notional units representing the right to receive one Share (or the cash value of one Share, if so determined by the Administrator) on a specified settlement date (the "**Restricted Share Units**") may be granted to Eligible Persons in such form and having such terms and conditions as the Administrator shall deem appropriate. The provisions of separate Restricted Share Units shall be set forth in separate RSU Agreements, which agreements need not be identical.
- (b) Restricted Share Units shall be subject to vesting as provided for under the Plan and the Award Agreement. Delivery of Shares, cash, or property, as determined by the Administrator, will occur upon a specified delivery date or dates upon the expiration of the vesting period specified for the Restricted Share Units in the RSU Agreement. Unless otherwise set forth in a Participant's RSU Agreement, a Participant shall not be entitled to dividends, if any, with respect to Restricted Share Units prior to the actual delivery of Shares.
- (c) Except as provided by the Administrator in an RSU Agreement or otherwise, in the event of a Participant's Termination for any reason prior to the time that such Participant's Restricted Share Units have been settled, (i) all vesting with respect to such Participant's Restricted Share Units shall cease, (ii) each of such Participant's outstanding unvested Restricted Share Units shall be forfeited for no consideration as of the date of such Termination, and (iii) any Shares remaining undelivered with respect to vested Restricted Share Units then held by such Participant shall be delivered on the delivery date or dates specified in the RSU Agreement.

8. OTHER SHARE-BASED AWARDS

The Administrator is authorized, subject to limitations under applicable law, to grant to Eligible Persons such other Awards (including, without limitation, any stock options, stock appreciation rights, restricted shares, restricted share units, performance shares or stock awards) that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based upon, or related to, Shares, as deemed by the Administrator to be consistent with the purposes of the Plan. The Administrator may also grant Shares as a bonus (whether or not subject to any vesting requirements or other restrictions on transfer), and may grant other awards in lieu of obligations of any member of the Company Group to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Administrator. The terms and conditions applicable to such Awards shall be determined by the Administrator and evidenced by Award Agreements, which agreements need not be identical.

9. VESTING

- (a) Awards will generally be subject to vesting over forty-eight (48) months (monthly vesting) with a cliff ending on twelve (12) months from the start date of Participant's Professional Relationship with the Company.
- (b) The Administrator may determine within the framework of an award agreement other conditions relating to (i) vesting and/or (ii) performance-related factors and/or any other additional conditions.
- (c) If, within a vesting period, the Participant is prevented from performing their work for the Company, or as the case may be, for a Company Group for more than six (6) weeks in total, or such longer period as may be required under applicable law (whether or not due to a wrongdoing, but excluding paid vacation leave), the vesting period concerned shall be extended by the period of the prevention and the following vesting periods and vesting dates shall be postponed accordingly.

10. EXERCISE OF AWARDS

Exercise Period

- (a) Awards may only be exercised fully or partially by the Participant within the exercise period determined by the Administrator in the Award Agreement (the "**Exercise Period**"). In case the Participant wishes to exercise its Awards, such Participant shall provide a notice in writing to the Company stating that he/she wishes to exercise all or part of its vested Awards and setting out the number of vested Awards he/she wishes to exercise (the "**Exercise Notice**") within the Exercise Period.
- (b) If a Participant does not provide an Exercise Notice within the relevant Exercise Period for any or all of their Awards, the Awards for which no Exercise Notice is received by the Company within such Exercise Period shall be forfeited, and the Participant shall have no more rights in this respect, except if otherwise determined by the Administrator in its sole discretion. A Participant may provide more than one Exercise Notice within the Exercise Period.

Exercise Procedure

- (a) Awards are exercised by the delivery of the following to the Administrator (which shall constitute an irrevocable election by the Participant to exercise the relevant Awards and subscribe/acquire the Shares delivered):
 - (i) a signed Exercise Notice in the form provided by the Administrator to the Participant;

- (ii) such representations, declarations, consents and documents as the Administrator, in its sole discretion, deems necessary or advisable to ensure compliance with applicable laws and regulations;
- (iii) full payment of the Exercise Price for the Shares with respect to which the Awards are exercised in a manner permitted by this Plan.
- (b) Upon exercise of Awards in accordance with the relevant Award Agreement and the Plan, the Company or, as the case may be, an Affiliate of the Company shall allocate the relevant number of Shares to the Participant. No fractional Shares shall be issued or allocated in respect of any exercise of an Award and the entitlement be rounded down (if applicable and as the case may be). The obligation of the Company to deliver Shares upon the exercise or settlement of any Award shall be subject to applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required.
- (c) Subject to compliance with applicable laws, any Shares delivered pursuant to an Award Agreement, in whole or in part, shall be newly issued Shares or treasury Shares. The delivery of such Shares shall be subject to the adherence to/acceptance of the terms of any shareholders' or similar agreement with the Company.
- (d) The Company shall ensure that at all times, (i) a sufficient number of Shares are held in treasury to settle Awards exercised, and/or (ii) a sufficient authorised capital is maintained in accordance with Luxembourg law to allow the Board to issue the Shares to settle the Awards exercised which are not settled in cash in accordance with the terms of this Plan.

Subscription price and Exercise Price

- (a) No subscription price is payable for the grant of the Awards.
- (b) The exercise price agreed in the Award Agreement with the relevant Participant (the "**Exercise Price**") shall be payable at the exercise of the Awards, in accordance with the terms of the Plan and the applicable Award Agreement. Payment for Shares to be acquired pursuant to an exercise of Awards granted hereunder shall be made in full prior to the exercise of Awards and in a manner approved by the Administrator, which shall in particular include:
 - (i) payment in cash in immediately available funds; or
 - (ii) any other manner permitted by the Administrator, including, if permitted by the Award Agreement, by voluntary waiver of the exercise of a certain number of Awards in lieu of payment to allow for a cashless exercise putting the Participant in the same economic position as if the Shares had been paid up in cash in the opinion of the Administrator.

11. SETTLEMENT OF AWARDS

- (a) Upon exercise, vesting or settlement of an Award, the Administrator shall resolve, at its sole discretion:
 - (i) to proceed with a cash settlement for the exercised Award which shall be paid so as to put the Participant in the same economic position as if Shares had been delivered, it being understood that for each Award the exercise price shall be subtracted;
 - (ii) to transfer shares held in treasury provided that the Company has lawfully been authorized to acquire treasury shares and holds a sufficient number of treasury shares for that purpose or deliver shares held by an Affiliate of the Company or another entity for the purposes of settlement of Awards under this Plan; or
 - (iii) through its authorized share capital (including by paying-up the subscription price of the Shares by incorporation of reserves to allow for a cashless exercise), to issue the Shares subject to exercise of an Option or vesting or settlement of any other Share-based award in accordance with the provisions of the Plan and the Award Agreement, and subsequently proceed to the acknowledgement of the capital increase resulting from the issue of the Shares and accordingly amend the Company's articles of association in front of a Luxembourg notary.
- (b) The Participant is obliged to cooperate with the Company and take any actions necessary to effect the delivery of such Shares, *e.g.* sign subscription documentation or, if new shares are issued, the Participant may be required to contribute his payment claim under this Plan and/or set it off against the subscription price for the relevant Shares to allow for a "net share settlement". Any excess not set off or contributed shall be paid in cash or deducted from the Participant's salary. Further, resales of the shares in the Company by a Participant may be limited to sales effected on a stock exchange designated by the Company.

12. TRANSFER OF AWARDS

- (a) Awards shall not be transferable, except by reason of death or divorce to the legal successor(s) of the Participant, and subject to compliance with section 12(b) or in accordance with section 12(c).
- (b) The disposal of Awards by reason of death to the legal successor(s) of a Participant shall be permitted subject to the following:
 - (i) the relevant legal successor(s) agree(s) to be bound by the applicable provisions of the Award agreement and by the Plan;

- (ii) the legal successor(s) provide(s) and agree(s) to provide any documents and information as may be reasonably requested by the Administrator from time to time to ascertain compliance with the terms of this Plan, including, if applicable, any shareholders' or similar agreement with the Company; and
 - (iii) the transfer will, in the view of the Administrator, not have a detrimental effect on the Company Group, including a disproportionate allocation of time and resources to effect the transfer, or cause the Company Group to be in violation of any applicable law or regulation.
- (c) The Company may rely on any official documentation which it reasonably believes sufficient proof of ownership in case of death and transfer to legal successor(s) and shall not have any liability in this respect. The Company has no obligation to investigate and/or engage further actions if such documents are received. The Administrator may suspend all rights of the relevant Awards in case of dispute of ownership and may, at its discretion, take measure to conserve the rights of transferees. Each transferee having been accepted as legal successor and by accepting such succession and the transfer of the Awards, agrees to hold the Company harmless from any suit, action or claim in respect of the succession.
- (d) Purported transfers which do not comply with section 12(b) shall be void and the relevant Awards forfeited. If the Administrator is of the opinion that the violation can be cured, it may, at its discretion, suspend the rights under the Awards until the transfer complies with section 12(b) and/or for a certain period of time, which shall be communicated to the transferee, to allow the transferee to cure any default in respect of such transfer. The restrictions on transfer contained in this Plan shall continue to apply to such Participant's Award thereof after any transfer thereof.
- (e) All expenses, including taxes and legal fees, incurred by the Company Group in connection with any transfer shall, unless otherwise determined by the Administrator in its discretion, be borne by the transferee, provided that the Administrator may elect to advance such expenses, in which case such transferee shall promptly reimburse the Company. In addition, the transferee shall indemnify the Company Group in a manner satisfactory to the Administrator against any losses, claims, damages or liabilities to which the Company may become subject arising out of, related to or in connection with any false representation or warranty made by, or breach or failure to comply with any covenant or agreement of such transferee.
- (f) If the transfer is not permitted for violation of section 12(b), all Awards of the Participant shall forfeit.

13. COMPANY CALL OPTION

- (a) By signing the Award Agreement, each Participant grants to the Company, which accepts, an unconditional and irrevocable right (the "**Call Option**")

exercisable by written notice delivered in accordance with the provisions of this section 13 to purchase from the Participant and to cause the Participant to sell to the Company all or part of its Shares received upon the exercise of an Award (the “**Awarded Shares**”) on the following terms (*promesse de cession*). For the avoidance of doubt, the Company accepts the benefit of the Call Option as an option solely, such acceptance being an acceptance of the option right and does not constitute and does not entail the exercise of the Call Option. The Company may assign such Call Option to an Affiliate without the consent of the Participant; references to the “Company” in this section shall be read as including any such Affiliate.

- (b) The Call Option right may be exercised by the Company by way of sending a written notice to the Participant to their last known address notified in accordance with the Award Agreement (a “**Call Option Notice**”) in one or several instalments. The Call Option Notice shall set out the following details:
 - (i) the price payable for the exercise of the Call Option;
 - (ii) the number of Shares subject to the Call Option so exercised (the “**Called Shares**”); and
 - (iii) the date on which the transfer of the Called Shares occurs and any further terms and conditions related to the transfer.
- (c) In the event that a Call Option Notice has been issued in the event of a Participant’s Termination prior to the Expiration Date by the Service Recipient for Cause, there shall be no entitlement of the Participant to the payment of the price payable for the Call Option.
- (d) The closing of any purchase and the transfer of the relevant Participant’s Called Shares contemplated by this section 13 will automatically take place on the date designated in the Call Notice.
- (e) The Administrator shall procure payment of the purchase price for the Called Shares to be purchased pursuant to the Call Option by wire transfer in immediately available funds to an account designated by the relevant Participant in writing to the Company.
- (f) The Company may freely assign the Call Option in whole or in part to an Affiliate without the consent of a Participant.
- (g) The Participants waive any right to claim the benefit of the provisions of Article 1142 of the Luxembourg Civil Code, to the extent applicable.
- (h) Except as provided by the Administrator in an Award Agreement or otherwise, in the event that a Participant is a party to any shareholders’ or similar agreement with the Company containing similar provisions to those set forth in this section 13, the provisions of this section 13 shall continue to apply to such Participant and any Shares acquired pursuant to any Award hereunder, and shall be in addition to, and not in lieu of, the terms and conditions of such shareholders’ or similar agreement.

14. COMPETITIVE ACTIVITIES

Notwithstanding anything contained in the Plan to the contrary, and subject to applicable law, in the event that a Participant engages in any Competitive Activity within the Territory during the term of such Participant's employment or service with the Service Recipient or during the six (6) month period following such Participant's Termination with the Service Recipient for any reason, the Administrator may determine, in its sole discretion, to (a) declare all Awards held by such Participant to be immediately forfeited and returned to the Company without additional consideration, (b) require all Shares acquired upon the vesting, exercise, or settlement of Awards within the twelve (12) month period prior to the date of such Competitive Activity to be immediately forfeited and returned to the Company without additional consideration, and (c) to the extent that such Participant received any profit from the sale of any Share underlying an Award within the twelve (12) month period prior to the date of such Competitive Activity, require that such Participant promptly repay to the Company any profit received pursuant to such sale.

15. ADJUSTMENT FOR RECAPITALIZATION, MERGER, ETC.

- (a) The aggregate number of Shares that may be granted or purchased pursuant to Awards (as set forth in section 4 above), the number of Shares covered by each outstanding Award, and/or the price per share thereof in each such Award shall be equitably and proportionally adjusted or substituted, as determined by the Administrator, as to the number, price, or kind of a Share or other consideration subject to such Awards (i) in the event of changes in the outstanding Share or in the capital structure of the Company by reason of share dividends, share splits, reverse share splits, recapitalizations, reorganizations, mergers, consolidations, combinations, exchanges, or other relevant changes in capitalization occurring after the date of grant of any such Award (including any Corporate Event (as defined below) or the redemption by the Company of an entire class of Shares which is then included in the Shares subject to an Award), (ii) in connection with any extraordinary dividend declared and paid in respect of Shares, whether payable in the form of cash, stock or any other form of consideration, or (iii) in the event of any change in applicable laws or circumstances that results in or could result in, in either case as determined by the Administrator in its sole discretion, any substantial dilution or enlargement of the rights intended to be granted to, or available for, Participants in the Plan.
- (b) Notwithstanding the foregoing, except as may otherwise be provided in an Award Agreement, in connection with (i) a merger, amalgamation or consolidation involving the Company in which the Company is not the surviving corporation, (ii) a merger, amalgamation or consolidation involving the Company in which the Company is the surviving corporation but the holders of Shares receive securities of another corporation and/or other property, including cash, (iii) a Change in Control, or (iv) the reorganization or liquidation of the Company (each, a "Corporate Event"), the Administrator may, in its discretion, provide for any one or more of the following:

- (i) the assumption or substitution of such Awards in connection with such Corporate Event, in which case, the Awards shall be subject to the adjustment set forth in subsection (a) above, and to the extent that such Awards vest subject to the achievement of performance objectives or criteria, such objectives or criteria shall be adjusted appropriately to reflect the Corporate Event;
- (ii) the acceleration of vesting of any or all Awards, subject to the consummation of such Corporate Event;
- (iii) the cancellation of any or all vested and/or unvested Awards as of the consummation of such Corporate Event, in which case Participants who hold vested Awards (including any Awards that would vest on the Corporate Event but for such cancellation) so cancelled will receive a payment in respect of cancellation of their Awards based on the amount of the per-share consideration being paid for the Shares in connection with such Corporate Event, less, in the case of Options and other Awards subject to exercise, the applicable exercise price; *provided, however*, that holders of Options and other Awards subject to exercise shall be entitled to consideration in respect of cancellation of such Awards only if the per-share consideration less the applicable exercise price is greater than zero dollars (and to the extent that the per-share consideration is less than or equal to the applicable exercise price, such Awards shall be cancelled for no consideration); *provided, further*, that Awards that are not vested as of the consummation of such Corporate Event may be cancelled and terminated effective as of such Corporate Event pursuant to this subsection (iii) without the payment of consideration with respect to such unvested Award; and
- (iv) the replacement of any or all Awards with a cash incentive program that preserves the value of the Awards so replaced (determined as of the consummation of the Corporate Event), with subsequent payment of cash incentives subject to the same vesting conditions as applicable to the Awards so replaced and payment to be made within sixty (60) days of the applicable vesting date.

Payments to holders pursuant to section (iii) above shall be made in cash or, in the sole discretion of the Administrator, in the form of such other consideration necessary for a Participant to receive property, cash, or securities (or combination thereof) as such Participant would have been entitled to receive upon the occurrence of the transaction if the Participant had been, immediately prior to such transaction, the holder of the number of Shares covered by the Award at such time (less any applicable exercise price). In addition, in connection with any Corporate Event, prior to any payment or adjustment contemplated under this subsection (b), the Administrator may require a Participant to (i) represent and warrant as to the unencumbered title to his Awards, (ii) bear such Participant's pro-rata share of any post-closing indemnity obligations, and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Share, (iii) deliver customary transfer documentation as reasonably determined by the Administrator, and (iv) deliver a customary restrictive covenant agreement.

- (c) Any adjustment provided under this section 15 may provide for the elimination of any fractional share that might otherwise become subject to an Award.

16. EMPLOYMENT OR SERVICE RIGHTS.

No individual shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for the grant of any other Award. Neither the Plan nor any action taken hereunder shall be construed as giving any individual any right to be retained in the employ or service of any member the Company Group.

17. COMPLIANCE WITH LAWS.

The obligation of the Company to deliver Shares upon the vesting, exercise, or settlement of any Award shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell and shall be prohibited from offering to sell or selling any Shares pursuant to an Award or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with.

18. WITHHOLDING OBLIGATIONS.

As a condition to the vesting, exercise, or settlement of any Award, the Administrator may require that a Participant satisfy, through deduction or withholding from any payment of any kind otherwise due to the Participant, or through such other arrangements as are satisfactory to the Administrator, the minimum amount of all federal, state, and local income and other taxes of any kind required or permitted to be withheld in connection with such vesting, exercise, or settlement. The Administrator, in its discretion, may permit Shares to be used to satisfy tax withholding requirements, and such shares shall be valued at their Fair Market Value as of the vesting, exercise, or settlement date of the Award, as applicable; *provided, however*, that the aggregate Fair Market Value of the number of Shares that may be used to satisfy tax withholding requirements may not exceed the maximum statutorily permitted withholding amount with respect to such Award.

19. MANAGER HOLDING

- (a) The Administrator may, at its discretion, permit a Participant to hold their Awards through a Manager Holding. In such case, references to the "Participant" in the Plan refer to the Participant and/or the Manager Holding, as applicable.
- (b) Pursuant to section 19(a), in any case, the Participant will not be able to transfer current Awards to a Manager Holding after they have been granted. Additionally, each Participant can only hold their Awards through one method i.e.: either in their own name, or through one Manager Holding.

- (c) In such, the Participant undertakes by way of an independent guarantee that the Participant is and remains the sole shareholder of the Manager Holding, that there are no trust agreements, sub-participations or other agreements with possible effects on the legal and/or economic ownership of the shares in the Manager Holding. Any disposition (including the grant of trusteeships, sub-participations, pledge or comparable lien or comparable economic measures) over shares, interests or other type of financial instruments granting control over the Manager Holding (as the case may be) to other persons leads to forfeiture of the Awards so held by such Manager Holding, except if expressly authorised in advance by the Administrator.

20. AMENDMENT OF THE PLAN OR AWARDS

- (a) The Board may, at any time and from time to time, amend the Plan.
- (b) The Administrator may, at any time and from time to time, amend the terms of any one or more Awards.
- (c) Notwithstanding anything herein to the contrary, no amendment to the Plan shall be effective without shareholder approval to the extent that such approval is required pursuant to applicable law or the applicable rules of each national securities exchange on which the Shares are listed. Additionally, no amendment to the Plan or any Award shall impair a Participant's rights under any Award unless the Participant consents in writing (it being understood that no action taken by the Administrator that is expressly permitted under the Plan, including, without limitation, any actions described in Section 15 hereof, shall constitute an amendment to the Plan or an Award for such purpose). Notwithstanding the foregoing, subject to the limitations of applicable law, if any, and without an affected Participant's consent, the Administrator may amend the terms of the Plan or any one or more Awards from time to time as necessary to bring such Awards into compliance with applicable law.
- (d) Notwithstanding the immediately preceding section, the Board may, without shareholder approval, amend or waive any provision of this Plan:
 - (i) as may be necessary or advisable to reflect any material change on the business activities, capital requirement and/or regulatory environment of the Company Group;
 - (ii) as may be necessary or advisable to cure any ambiguity or correct any clerical error or omission in the terms of this Plan; or
 - (iii) as may be necessary or advisable to comply with any anti-money laundering or anti-terrorist laws, conditions, guidelines, rules (including, without limitation, the applicable rules of each national securities exchange on which the Shares are listed), regulations, directives, opinions, orders, statute or special measures of any governmental entity, or any amendment thereto.

- (e) The repricing of Awards upon the approval of the Administrator shall expressly be permitted under the Plan without shareholder approval. For this purpose, a “repricing” means any of the following (or any other action that has the same effect as any of the following): (i) changing the terms of an Award to lower its exercise price (other than on account of capital adjustments resulting from share splits, etc., as described in section 15(a)), it being understood that such exercise price will in any case at least correspond to the nominal value of the shares issued pursuant to an exercise of the Award, (ii) any other action that is treated as “a repricing” under generally accepted accounting principles, and (iii) repurchasing for cash or canceling an Award in exchange for another Award at a time when its exercise price is greater than the Fair Market Value of the underlying Share, unless the cancellation and exchange occurs in connection with an event set forth in section 15(b).

21. TERMINATION OR SUSPENSION OF THE PLAN.

The Board may suspend or terminate the Plan at any time. Unless sooner terminated or renewed by at least half of the shareholders of the Company, the Plan shall terminate on the day before the tenth (10th) anniversary of the Effective Date. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated. Rights under any Award granted before suspension or termination of the Plan shall not be impaired by such suspension or termination.

22. DATA PROTECTION

- (a) In accordance with the provisions of the GDPR and the Data Protection Laws, the Company acting as Data Controller collects, stores and processes, by electronic or other means, the Personal Data supplied by the Participant for the purpose of implementing, managing and administering the Plan.
- (b) The Data Controller needs to collect and process certain information about the Participant for the purposes in particular of entering into and performing a contract with the Participant. The Participant may, at its discretion, refuse to communicate the Personal Data to the Data Controller. In this event, however, the Data Controller may refuse the Participant’s participation in the Plan.
- (c) Personal Data supplied by the Participant is processed in order to enter into and execute the Plan and the provisions of an Award Agreement (i.e. to perform any pre-contractual measures as well as the contract entered into by the Participant), for the legitimate interests of the Data Controller and to comply with the legal obligations imposed on the Data Controller.
- (d) In particular, the Personal Data supplied by the Participant is processed for the purpose of (i) implementing, managing and administering the Plan, (ii) complying with applicable anti-money laundering rules and other legal obligations and (iii) tax identification as may be required under Luxembourg or foreign laws and regulations (including laws and regulations relating to FATCA or CRS). The “legitimate interests” of the Data Controller referred to above are the provision of the proof, in the event of a dispute, of a transaction or any commercial communication as well as in connection with any proposed purchase, merger or acquisition of any part of the Company’s business.

- (e) In the context of the above-mentioned purposes, the Data Controller may delegate the processing of the Personal Data, in compliance and within the limits of the applicable laws and regulations, to other Recipients. The Recipients may, under their own responsibility, disclose the Personal Data to their Sub-Recipients, which shall process the Personal Data for the sole purposes of assisting the Recipients in providing their services to the Data Controller and/or assisting the Recipients in fulfilling their own legal obligations.
- (f) The Recipients and Sub-Recipients may be located either inside or outside the EEA. Where the Recipients are located outside the EEA in a country which does not ensure an adequate level of protection for personal data, the Data Controller will enter into legally binding transfer agreements with the relevant Recipients in the form of the EU Commission's approved model clauses. Where the Sub-Recipients are located outside the EEA in a country which does not ensure an adequate level of protection for personal data, the Recipients shall also enter into legally binding transfer agreements with the relevant Sub-Recipients in the form of the EU Commission's approved model clauses. In this respect, the Participant has a right to request copies of the relevant document for enabling the Personal Data transfer(s) towards such countries by writing to the Data Controller or, where the Recipients disclose the Personal Data to the Sub-Recipients and where relevant, to the Recipient.
- (g) The Recipients and Sub-Recipients may, as the case may be, process the Personal Data as data processors (when processing the Personal Data upon instructions of the Data Controller and/or the Recipients), or as distinct data controllers (when processing the Personal Data for their own purposes, namely fulfilling their own legal obligations).
- (h) The Data Controller may also transfer Personal Data to third parties such as governmental or regulatory agencies including tax authorities, in or outside the European Union, in accordance with applicable laws and regulations. In particular, such Personal Data may be disclosed to the Luxembourg tax authorities, which in turn may, acting as data controller, disclose the same to foreign tax authorities.
- (i) In accordance with the conditions laid down by the Data Protection Laws, the Participant has the right to:
 - (i) request access to its Personal Data;
 - (ii) request the correction of its Personal Data where it is inaccurate or incomplete;

- (iii) object to the processing of its Personal Data;
 - (iv) request erasure of its Personal Data;
 - (v) request for restriction of the use of its Personal Data; and
 - (vi) request for Personal Data portability.
- (j) The Participant may exercise its above rights by writing to the Data Controller at its registered address or at dpo@alvotech.com.
- (k) The Participant is also informed of the existence of its right to lodge a complaint with the CNPD at the following address: 15, Boulevard du Jazz, L-4370 Belvaux; or with any competent data protection supervisory authority in their EU Member State of residence.
- (l) Personal Data shall not be retained for a period longer than necessary for the purpose of the data processing, subject to any limitation periods imposed by law.

23. MISCELLANEOUS.

- (a) Except as may be otherwise determined by the Administrator in its sole discretion and in accordance with applicable law, Shares acquired upon the exercise, vesting or settlement of Awards shall be held in registered form. Participants may, however, merely hold book-interests in Shares in accordance with applicable law and the rules of the relevant securities settlement system. If certificates representing Shares are registered in the name of the Participant, the Administrator may require that such certificates bear all legally required information and include an appropriate legend referring to the terms, conditions, and restrictions applicable to such Shares.
- (b) Notwithstanding anything contained herein to the contrary, all Awards granted under the Plan shall be and remain subject to any incentive compensation clawback or recoupment policy currently in effect or as may be adopted by the Administrator and, in each case, as may be amended from time to time. No such policy, adoption, or amendment shall in any event require the prior consent of any Participant.
- (c) No manager/director of the Administrator shall be personally liable by reason of any contract or other instrument executed by such manager/director or on his behalf in his capacity as a manager/director of the Administrator or for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each manager/director of the Administrator and each other employee, officer, or director of the Company Group to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against all costs and expenses (including counsel fees) and liabilities (including sums paid in settlement of a claim) arising out of any act or omission to act in connection with the Plan unless arising out

of such person's own fraud or wilful misconduct; *provided, however*, that approval of the Administrator shall be required for the payment of any amount in settlement of a claim against any such person. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Articles, as may be amended from time to time, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

- (d) All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given when personally delivered or when deposited in the mail, first class postage paid, or fax at such other address as may have been furnished to the other party in writing by the addressee.
- (e) If the Administrator shall find that any person to whom any amount is payable under the Plan is unable to care for his affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Administrator so directs the Company, be paid to his spouse, child, relative, an institution maintaining or having custody of such person, or any other person deemed by the Administrator to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Administrator and the Company therefor.
- (f) The Plan shall be governed by and construed in accordance with the internal laws of the Grand Duchy of Luxembourg without reference to the principles of conflicts of laws thereof. The courts of the city of Luxembourg shall have exclusive jurisdiction in case of any dispute thereunder.
- (g) No provision of the Plan shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company be required to maintain separate bank accounts, books, records, or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees and service providers under general law.
- (h) Each manager/director of the Administrator shall be fully justified in relying, acting, or failing to act, and shall not be liable for having so relied, acted, or failed to act in good faith, upon any report made by any independent public accountant of any member of the Company Group and upon any other information furnished in connection with the Plan by any person or persons other than such member.

- (i) The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

“**Option**” means a Nonstatutory Stock Option or Incentive Stock Option issued under the U.S. Addendum.

“**Securities Act**” means the U.S. Securities Act of 1933, as amended.

“**Subsidiary**” means a corporation, whether now or hereafter existing, in an unbroken chain of corporations beginning with the Company, if each corporation other than the Company owns shares possessing 50% or more of the total combined voting power of all classes of shares in one of the other corporations in such chain, as provided in the definition of a “subsidiary corporation” contained in Section 424(f) of the Code.

“**U.S.**” means the United States of America.

3. ADDITIONAL TERMS AND CONDITIONS APPLICABLE TO ALL AWARDS GRANTED TO U.S. PARTICIPANTS.

- (a) **Form of Grant Notice.** The grant notice for U.S. Participants shall indicate if all or a portion of an Option is designated as an Incentive Stock Option.
- (b) **Eligibility.** Award may be granted to employees, directors and eligible consultants of the Company or a Subsidiary. An eligible consultant means any person who is engaged by the Company or a Subsidiary to render consulting or advisory services and is compensated for such services.
- (c) **Maximum Term of Options.** No Option will be exercisable after the expiration of ten (10) years from the date of its grant, or such shorter period specified in the grant notice.
- (d) **Exercise Price.** Subject to the provisions of Section 4(d) below regarding Incentive Stock Options granted to certain major stockholders, the exercise price of each Option will be not less than one hundred percent (100%) of the Fair Market Value of the Shares subject to the Option on the date the Option is granted.
- (e) **Vesting of Options.** The vesting provisions of individual Awards shall be contained in the grant notice.

4. PROVISIONS APPLICABLE TO INCENTIVE STOCK OPTIONS.

- (a) **Eligible Recipients of ISOs.** Incentive Stock Options may be granted only to employees of the Company or a Subsidiary.
- (b) **Designation of ISO Status.** The Board action approving the grant of an Option to a U.S. Participant, and the grant agreement, must specify that the Option is intended to be an Incentive Stock Option. If an Option is not specifically designated as an Incentive Stock Option, or if an Option is designated as an Incentive Stock Option but some portion or all of the Option fails to qualify as an Incentive Stock Option under the applicable rules, then the Option (or portion thereof) will be a Nonstatutory Stock Option.
- (c) **Maximum Shares Issuable On Exercise of ISOs.** Subject to the adjustment provisions of section 15 hereof, the maximum aggregate number of Shares that may be issued upon the exercise of Incentive Stock Options is 51,000,000 Shares.

- (d) **Limits for 10% Stockholders.** A person who owns (or is deemed to own pursuant to Section 424(d) of the Code) Shares possessing more than ten percent (10%) of the total combined voting power of all classes of Shares of the Company or any affiliate, will not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.
- (e) **No Transfer.** As provided by Section 422(b)(5) of the Code, an Incentive Stock Option will not be transferable except by will or by the laws of descent and distribution and will be exercisable during the lifetime of the U.S. Participant only by the U.S. Participant.
- (f) **US \$100,000 Limit.** As provided by Section 422(d) of the Code and applicable regulations thereunder, to the extent that the aggregate Fair Market Value (determined at the time of grant) of Shares with respect to which Incentive Stock Options are exercisable for the first time by any U.S. Participant during any calendar year (under all plans of the Company and any Subsidiary) exceeds US\$100,000 (or such other limit established in the Code) or otherwise does not comply with the rules governing Incentive Stock Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable grant agreement(s).
- (g) **Post-Termination Exercise Period.** To obtain the U.S. federal income tax advantages associated with an Incentive Stock Option, the U.S. Internal Revenue Code requires that at all times beginning on the date of grant and ending on the day three (3) months before the date of exercise of the Option, the U.S. Participant must be an employee of the Company or a Subsidiary (except in the event of the U.S. Participant's death or Disability, in which case a 12-month period applies). The Company cannot guarantee that the Option will be treated as an Incentive Stock Option if the U.S. Participant continues to provide services to the Company or a Subsidiary after such U.S. Participant's employment terminates or if the U.S. Participant otherwise exercises the Option more than three (3) months (or twelve (12) months, as the case may be) after the date his or her employment terminates, or the Option otherwise fails to qualify as an Incentive Stock Option.

5. TAX MATTERS

- (a) **Tax Withholding Requirement.** Prior to the delivery of any Shares pursuant to the exercise of an Option or settlement of any Shares in respect of an Award, the Company will have the power and the right to deduct or withhold, or require a U.S. Participant to remit to the Company, an amount sufficient to satisfy U.S. federal, state, local, non-U.S. or other taxes required to be withheld with respect to such Award.

- (b) **Withholding Arrangements.** The Company may, in its sole discretion, satisfy any U.S. federal, state, local, foreign or other tax withholding obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the U.S. Participant to tender a cash payment; (ii) withholding Shares issued or otherwise issuable to the U.S. Participant in connection with the Award; or (iii) withholding payment from any amounts otherwise payable to the U.S. Participant.
- (c) **No Obligation to Notify or Minimize Taxes.** The Company will have no duty or obligation to the U.S. Participant to advise such holder as to the time or manner of exercising the Option. Furthermore, the Company will have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Option or a possible period in which the Option may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the U.S. Participant.
- (d) **Section 409A of the Code.** Unless otherwise expressly provided for in a grant agreement, the terms applicable to Award granted under the U.S. Addendum will be interpreted to the greatest extent possible in a manner that makes the Award exempt from Section 409A of the Code, and, to the extent not so exempt, that brings the Award into compliance with Section 409A of the Code. Notwithstanding anything to the contrary in the Plan (and unless the grant agreement or other written contract with the U.S. Participant specifically provides otherwise), if the Shares are publicly traded, and if a U.S. Participant of an Award that constitutes “deferred compensation” under Section 409A of the Code is a “specified employee” under Section 409A of the Code, no distribution or payment of any amount that is due because of a “separation from service” (as defined in Section 409A of the Code without regard to alternative definitions thereunder) will be issued or paid before the date that is six (6) months following the date of such U.S. Participant’s “separation from service” or, if earlier, the date of the U.S. Participant’s death, unless such distribution or payment can be made in a manner that complies with Section 409A of the Code, and any amounts so deferred will be paid in a lump sum on the day after such six (6) month period elapses, with the balance paid thereafter on the original schedule.

6. SHAREHOLDER APPROVAL OF U.S. ADDENDUM.

An Option granted pursuant to the U.S. Addendum may not be exercised, and other Awards may not be granted, until such time as the Plan and the Annex have been approved by at least a majority of the shareholders of the Company.

7. TERM, AMENDMENT AND TERMINATION OF THE U.S. ADDENDUM.

The Board may amend, suspend or terminate this U.S. Addendum at any time. Unless terminated sooner by the Board, the U.S. Addendum will terminate automatically upon the earliest of (i) 10 years after adoption of the U.S. Addendum by the Board, (ii) 10 years after approval of the U.S. Addendum by the Company’s shareholders or (iii) the termination of the Plan. No Awards may be granted under the U.S. Addendum while either the Plan or the U.S. Addendum is suspended or after the Plan or the U.S. Addendum is terminated.

If this U.S. Addendum is terminated, the provisions of this U.S. Addendum and any administrative guidelines, and other rules adopted by the Board and in force at the time of suspension or termination of this U.S. Addendum, will continue to apply to any outstanding Awards as long as an Award issued pursuant to the U.S. Addendum remain outstanding.

No amendment, suspension or termination of the U.S. Addendum may materially adversely affect any Awards granted previously to any U.S. Participant without the consent of the U.S. Participant.

Description of the Transactions

On June 15, 2022 (the “Closing Date”), TopCo closed the Business Combination with OACB and Alvotech, pursuant to the Business Combination Agreement dated December 7, 2021. The closing of the Business combination resulted in the following transactions:

- OACB merged with and into TopCo, whereby (i) all of the outstanding OACB Ordinary Shares were exchanged for TopCo Ordinary Shares on a one-for-one basis, pursuant to a share capital increase of TopCo and (ii) all of the outstanding OACB Warrants ceased to represent a right to acquire OACB Ordinary Shares and now represent a right to be issued one TopCo Ordinary Share, with TopCo as the surviving company in the merger;

- TopCo redeemed and canceled the initial shares held by the initial sole shareholder of TopCo pursuant to a share capital reduction of TopCo;
- The legal form of TopCo changed from a simplified joint stock company (*société par actions simplifiée*) to a public limited liability company (*société anonyme*) under Luxembourg law; and
- Alvotech merged with and into TopCo, whereby all outstanding Alvotech Ordinary Shares were exchanged for TopCo Ordinary Shares, pursuant to a share capital increase of TopCo, with TopCo as the surviving company in the merger.

On June 15, 2022, immediately prior to the closing of the Business Combination, the PIPE Financing was closed, pursuant to the subscription agreements, in which subscribers collectively subscribed for 17,493,000 TopCo Ordinary Shares at \$10.00 per share for an aggregate subscription price equal to approximately \$174.9 million.

In advance of the closing of the Business Combination and in preparation for redemptions of OACB Class A Ordinary Shares as further described below, the Company has secured a Standby Equity Purchase Agreement (“SEPA”) facility from YA II PN, Ltd (“Yorkville”) for up to \$150 million. The company also continues to finalize the terms of a debt facility with Sculptor Capital Investments, LLC (“Sculptor”). The debt facility is currently expected to provide TopCo with funding between \$75.0 million and \$125.0 million. Negotiations remain ongoing, which may impact the final terms of the facility. TopCo’s entry into the facility agreement is, among other conditions precedent, subject to receipt of all necessary approvals and the negotiation and execution of final documentation in a form that is mutually agreeable to all parties involved. There can be no guarantee that these conditions precedent will be satisfied or that the parties will be able to agree on final documentation. The two facilities are intended to replace redemptions by OACB shareholders that occurred as part of the Business Combination.

Accounting for the Business Combination

The Business Combination was accounted for as a capital reorganization. Under this method of accounting, OACB was treated as the “acquired” company for financial reporting purposes. Accordingly, the Business Combination was treated as the equivalent of Alvotech issuing shares at the closing of the Business Combination for the net assets of OACB as of the closing date, accompanied by a recapitalization. The net assets of OACB were stated at historical cost, with no goodwill or other intangible assets recorded.

Alvotech was determined to be the accounting acquirer based on the evaluation of the following facts and circumstances:

- The former owners of Alvotech hold the largest portion of voting rights in TopCo;
- Alvotech has the right to appoint a majority of the directors in TopCo;
- Alvotech’s existing senior management team comprises senior management of TopCo;
- The operations of Alvotech represent the ongoing operations of TopCo;
- Alvotech is the larger of the combined entities based on fair value, assets, revenues and profits; and
- TopCo assumed Alvotech’s headquarters.

The Business Combination is not within the scope of IFRS 3 – Business Combinations, since OACB does not meet the definition of a business. The Business Combination was accounted for within the scope of IFRS 2 – Share-based Payments. As a result, any excess of fair value of TopCo Ordinary Shares issued over the fair value of OACB’s identifiable net assets acquired represents compensation for the service of a stock exchange listing for its shares and is expensed as incurred.

Basis of Pro Forma Presentation

Pursuant to OACB's existing charter, OACB's public shareholders were offered the opportunity to redeem, upon closing of the Business Combination, OACB Class A Ordinary Shares held by them for cash equal to their pro rata share of the aggregate amount on deposit in the Trust Account. The unaudited pro forma condensed combined financial statements reflect the actual redemption of 24,023,495 shares of OACB Class A Ordinary Shares at \$10.00 per share.

The unaudited pro forma condensed combined financial statements do not give effect to any anticipated synergies, operating efficiencies, tax savings, or cost savings that may be associated with the Business Combination.

The following summarizes the number of Topco Ordinary Shares outstanding immediately after the Closing Date:

Notes to the Unaudited Pro Forma Condensed Combined Financial Information

1. Basis of the presentation

The unaudited pro forma condensed combined statement of financial position as of December 31, 2021, assumes that the Business Combination, the PIPE Financing and other related transactions occurred on December 31, 2021. The unaudited pro forma condensed combined statement of profit or loss for the year ended December 31, 2021, presents the pro forma effect of the Business Combination, the PIPE Financing and other related transactions as if they had been completed on January 1, 2021. This period is presented on the basis that Alvotech is the accounting acquirer.

The historical financial information of Alvotech was derived from Alvotech's consolidated financial statements as of and for the year ended December 31, 2021, included in the Form F-4 and incorporated herein by reference. The historical financial information of OACB was derived from OACB's financial statements as of and for the year ended December 31, 2021, included in the Form F-4 and incorporated herein by reference. This information should be read together with Alvotech's and OACB's financial statements and related notes, as applicable, and the sections titled "*Alvotech's Management's Discussion and Analysis of Financial Condition and Results of Operations*," and "*OACB's Management's Discussion and Analysis of Financial Condition and Results of Operations*" and other financial information in the Form F-4 and other financial information incorporated herein by reference.

Alvotech's historical consolidated financial statements are prepared in accordance with IFRS. The historical financial statements of OACB were prepared in accordance with U.S. GAAP and, for purposes of the unaudited pro forma financial information, have been converted to IFRS on a basis consistent with the accounting policies and presentation adopted by Alvotech.

The unaudited pro forma condensed combined financial information was prepared in accordance with Article 11 of SEC Regulation S-X as amended by the final rule, No. 33-10786. Release No. 33-10786 replaces the existing pro forma adjustment criteria and simplified requirements to depict the accounting for the transaction ("Transaction Accounting Adjustments"). OACB and Alvotech have not had any historical relationship prior to the Business Combination. Accordingly, no pro forma adjustments were required to eliminate activities between the companies.

The adjustments presented in the unaudited pro forma condensed combined financial information have been identified and presented to provide relevant information necessary for an understanding of TopCo upon consummation of the Business Combination, the PIPE Financing and other related transactions. The pro forma

adjustments reflecting the consummation of the Business Combination, the PIPE Financing and other related transactions are based on certain currently available information and certain assumptions and methodologies that Alvotech believes are reasonable under the circumstances. The pro forma adjustments, which are described in the accompanying notes, may be revised as additional information becomes available and is evaluated. Therefore, it is likely that the actual adjustments will differ from the pro forma adjustments, and it is possible that the difference may be material. Alvotech management believes that its assumptions and methodologies provide a reasonable basis for presenting all of the significant effects of the Business Combination, the PIPE Financing and related transactions based on information available to management at this time and that the pro forma adjustments give appropriate effect to those assumptions and are properly applied in the unaudited pro forma condensed combined financial information.

The unaudited pro forma condensed combined financial statements do not include any adjustments for new equity incentive plans since no grants have been approved under such plans. Compensation expense and the associated liabilities pursuant to Alvotech's long-term incentive plans are included within Alvotech's historical financial results, and pro forma adjustments have been made related to the settlement of certain long-term incentive plans as further described below.

The unaudited pro forma condensed combined financial statements do not include any adjustments for the potential debt facility with Sculptor since definitive documentation has not been executed and there have been no drawings by TopCo as of the Closing. Similarly, the unaudited pro forma condensed combined financial statements do not include any adjustments for the Yorkville SEPA Facility since no issuances of TopCo Ordinary Shares were made pursuant to this facility as of the Closing.

2. Conversion and Reclassification of OACB's Financial Statements

The historical financial information of OACB has been adjusted to give effect to the differences between U.S. GAAP and IFRS for the purposes of the unaudited pro forma condensed combined financial information. The only adjustment required to convert OACB's financial statements from U.S. GAAP to IFRS for purposes of the unaudited pro forma condensed combined financial information was to reclassify OACB Class A Ordinary Shares subject to redemption to non-current financial liabilities under IFRS 2.

Further, as part of the preparation of the unaudited pro forma condensed combined financial information, certain reclassifications were made to align OACB's historical financial information in accordance with the presentation of Alvotech's historical financial information.

3. Adjustments to Unaudited Pro Forma Condensed Combined Statement of Financial Position as of December 31, 2021

The Transaction Accounting Adjustments, based on preliminary estimates that could change materially as additional information is obtained, are as follows:

- A. Reflects the actual redemption of 24,023,495 OACB Class A Ordinary Shares at a redemption price of \$10.00 per share for aggregate redemption payments of \$240.2 million from investments held in the Trust Account.
- B. Reflects the liquidation and reclassification of \$9.8 million of investments held in the Trust Account to cash and cash equivalents, after recording actual redemptions of OACB Class A Ordinary Shares as discussed in (A) above.
- C. Represents the proceeds of approximately \$174.9 million from the issuance and sale of 17,493,000 shares of TopCo Ordinary Shares at \$10.00 per share pursuant to the terms of the PIPE Financing.

D. Reflects the settlement of deferred underwriting commissions and deferred legal fees, both of which are OACB liabilities to be paid by TopCo upon the closing of the Business Combination. The liabilities were settled for \$5.9 million, resulting in a \$2.9 million increase in share premium.

E. Represents the transaction costs incurred by OACB and Alvotech of approximately \$16.8 million and \$30.7 million, respectively, for advisory, banking, printing, legal, and accounting fees incurred as part of the Business Combination.

For the OACB transaction costs, \$4.2 million of these fees have been accrued and \$0.2 million have been paid as of the pro forma balance sheet date. \$5.6 million represent equity issuance costs capitalized in share premium related to the PIPE Financing. The remaining amount of \$6.8 million is reflected as an adjustment to accumulated deficit and is reflected in the unaudited pro forma condensed combined statement of profit or loss for the year ended December 31, 2021 as discussed in (R) below. The OACB estimated transaction costs excludes the deferred underwriting commissions included in (D) above.

For the Alvotech transaction costs, \$3.0 million of these fees have been accrued and \$9.4 million have been paid as of the pro forma balance sheet date. The remaining amount of \$18.3 million is included as an adjustment to accumulated deficit and is reflected in the unaudited pro forma condensed combined statement of profit or loss for the year ended December 31, 2021 as discussed in (R) below.

F. Represents the \$50.0 million of funding provided by Alvogen and Aztiq in the form of an interest-free advance which is due 30 days after the Closing Date.

G. Represents the \$40.0 million of funding available under the Alvogen Bridge Loan, bearing an interest rate of 10% per annum. The loan is drawable in two separate installments of \$20.0 million each. Each drawdown is subject to Alvogen approval. Repayment by Alvotech of amounts drawn under the Alvogen Bridge Loan is due within 30 days of the Closing Date.

H. Represents the \$20.0 million of funding provided by Alvogen pursuant to a loan agreement entered into on June 1, 2022. The loan bears an interest rate of 10% per annum and is due within 30 days of the Closing Date.

I. Represents the settlement of the share appreciation rights (“SARs”) previously awarded to certain current and former employees of Alvotech in connection with the closing of the Business Combination, as follows:

- two former employees will receive a fixed number of TopCo Ordinary Shares to be issued one year after the Closing;
- one former employee will receive a cash payment at Closing;
- one current employee can elect to receive a cash payment or a fixed number of TopCo Ordinary Shares to be issued one year after the Closing.

In accordance with IFRS 2, the transactions with the two former employees that will receive a fixed number of TopCo Ordinary Shares were accounted for as a modification of a share-based payment transaction that changes the award’s classification from cash-settled to equity-settled. The settlement with the former employee that received a cash payment at Closing is presented as a decrease in both the long-term incentive plan liability and cash and cash equivalents in the unaudited pro forma condensed combined statement of financial position. The obligation for the current employee that may receive either a cash payment or a fixed number of TopCo Ordinary Shares continues to be presented as liability on the unaudited pro forma condensed combined statement of financial position.

The transactions resulted in a \$36.0 million decrease in the long-term incentive plan liability, and subsequent \$1.5 million decrease in cash, a \$30.3 million increase in equity and a \$4.2 million decrease in accumulated deficit as a result of settling the SARs with these current and former employees. Refer to (T) below for the impact of these transactions to the unaudited pro forma condensed combined statement of profit or loss.

- J. Represents the exchange of 976,505 OACB Class A Ordinary Shares and 5,000,000 OACB Class B Ordinary Shares into 5,976,505 TopCo Ordinary Shares.

- L. Represents the elimination of OACB's historical accumulated deficit after recording the transaction costs to be incurred by OACB as described in (E) above.
- M. Represents the expense recognized, in accordance with IFRS 2, for the excess of the fair value of TopCo Ordinary Shares issued and the fair value of OACB's identifiable net liabilities at the date of the Business Combination, resulting in a \$87.3 million increase to accumulated deficit. The fair value of shares issued was estimated based on a market price of \$9.38 per share (as of June 15, 2022). The fair value of shares issued includes the shares to be issued under the Sponsor Letter Agreement, which includes shares to be issued to the Initial Shareholders of OACB if future volume-weighted average price targets of TopCo Ordinary Shares are met in a specified time period.

4. Adjustments to Unaudited Pro Forma Condensed Combined Statement of Profit or Loss for the Year Ended December 31, 2021

The Transaction Accounting Adjustments, based on preliminary estimates that could change materially as additional information is obtained, are as follows:

- R. To reflect the recognition of transaction costs, as described in (E) above, during the year ended December 31, 2021. These costs are a nonrecurring item.
- S. Represents \$87.3 million of expense recognized in accordance with IFRS 2, for the difference between the fair value of TopCo Ordinary Shares issued and the fair value of OACB's identifiable net liabilities, as described in (M) above. This cost is a nonrecurring item.

5. Pro Forma Loss per Share

The pro forma loss per share is calculated using the historical weighted average shares outstanding, and the issuance of additional shares in connection with the Business Combination, PIPE Financing and related transactions, assuming the shares were outstanding since January 1, 2021. As the Business Combination, PIPE Financing and related transactions are being reflected as if they had occurred at the beginning of the period presented, the calculation of weighted average shares outstanding for basic and diluted loss per share assumes that the shares issued in connection with the Business Combination have been outstanding for the entire period presented.

The holders of the Sponsor Earn Out Shares and Seller Earn Out Shares are entitled to the same voting and dividend rights generally granted to holders of TopCo Ordinary Shares. Therefore, the Sponsor Earn Out Shares and Seller Earn Out Shares are determined to be participating securities at issuance, and are included in the calculation of pro forma loss per share for the year ended December 31, 2021. The employees that will or may be issued TopCo Ordinary Shares as described in (I) above are not entitled to such rights during the period in which the shares have not been issued; therefore, such TopCo Ordinary Shares are not included in the calculation of pro forma loss per share for the year ended December 31, 2021.

For the year ended December 31, 2021
(in thousands, except share and per share data)

	<u>Shares</u>
Pro forma loss (1)	\$ (136,071)
Weighted average shares outstanding - basic and diluted	204,069,505
Pro forma loss per share - basic and diluted	\$ (0.67)
Weighted average shares outstanding - basic and diluted	
Alvotech shareholders	180,600,000
OACB shareholders	5,976,505
PIPE investors	17,493,000
Total	<u>204,069,505</u>

- (1) Holders of the Seller Earn Out and Sponsor Earn Out Shares are entitled to the voting and dividend rights generally granted to holders of TopCo Ordinary Shares. As such, these shares are considered to be participating securities. Accordingly, the pro forma income is adjusted for the income attributable to these unvested shares, which are not included in the weighted average shares outstanding.
